Some Indian mandala patterns are more than 5,000 years old. This book features both traditional and modern motifs such as embroidered handicrafts, geometric mazes and knots, peacocks, and lotuses. Monika Helwig's stylized versions of these classic patterns make this book an ideal diversion as well as a learning experience.

Playing, Dancing, Moving, Breathing, Relaxing Hunter House

Presents thirty creative exercises for the middle school classroom that address issues of race, class, and gender identity and offers suggestions for dealing with adversity, making peace, and building alliances.

A Complete K-8 Sourcebook of Team and Lifetime Sport Activities for Skill Development, Fitness and Fun! Hunter House

(Shawnee Press). This collection of musical games with an Olympic theme has been created by music educator Todd Schreiber and Valerie Lippoldt Mack and is sure to be an Olympic hit with your students. This collection can be used for one grade level or the entire school over the course of an academic year. Your class will establish their country for the Olympic Games, then create their own Olympic flags, team colors and choose a team sponsor. At the sound of the starting pistol, the competition will begin to teach rhythm-reading, note values, rest values, note names, and solfege, along with movement games that teach listening skills through physical fun. The book is reproducible with variations to each game and contains instructional ideas for creating game boards that can be used year after year. Whether it is an Olympic year or not, your music classroom will always be an Olympic musical winner with Olympic Games for the Music Classroom . Grades K-6.

New Fun and Learning with Acting and Make-believe Hunter House

101 Cool Pool Games for Children Hunter House

The games in this book help teachers, parents, and others who work with children maintain or restore order, refocus children's attention, and break up the classroom routine. Most of the games are quite short and can be used between academic activities as a treat or quick break. Many are noncompetitive, most don't require props, and none require special skills or training. All can be played with the whole class; there are partner games, small group games, and outdoor games. Clear, complete instructions are included for each activity, and icons denote appropriate age levels, time, and group size. Author Allison Bartl has tested all of the games herself and recommends that the teacher or parent fully participate in each game, both to relax and to provide a model of good social behavior. Tips and thoughtful quotations from Goethe, Rudolf Steiner, Seneca, Lao Tse, Mother Theresa, and others are also included.

Olympic Games for the Music Classroom Hunter House

This invaluable resource helps K-3 teachers deal with restless, energetic students including those with attention deficit hyperactivity disorder. The book contains quick movement breaks that can be used between other classroom activities to minimize disruptions and maintain a positive learning environment for all students. The activities, labeled according to appropriate age levels, length of play time, and group size, include shape recognition, stretching and relaxing, pantomime and imagination movements, balancing, and team relays. None of the activities require special skills, and

there are enough for every day of the school year.

Learning, Growing, Getting Along (ages 6 to 12) Simon and Schuster

Everybody enjoys the chance to escape from reality from time to time, to climb inside the skin of another character. This book encourages children and adults to explore their dramatic sides and has playful ideas everyone can get involved with and enjoy. Throughout drama games, children get more in touch with themselves, what they want to be, and what they can do. The games are improvisational, framed to encourage total involvement and cooperation - the participants gain as much as they contribute. Each drama game contains an age guideline, an estimate time of play, and suggestions for the most appropriate type of music. The games can be played by children and adults of all ages, and are flexible enough to be used by parents, teachers, camp leaders, daycare providers, or other group leaders in a variety of settings.

101 Life Skills Games for Children Hunter House

A fun, dynamic form of play, drama games help children explore their imaginations and discover their own creativity. By improvising a wide variety of scenes and situations, participants learn to express themselves physically and emotionally while gaining increased awareness of the feelings and experiences of others. Drama games also offer a wealth of possibilities for all kinds of group and educational play. The games can be led by parents, teachers, camp leaders, day-care providers and other group leaders. Participants gain as much as they contribute, and the games change every time they are played. A follow-up to the popular 101 Drama Games for Children, this book contains completely different games to take children's imaginations -- and those of their leaders -- in countless new directions. Book jacket.

Dynamic Group-Piano Teaching Page Street Publishing

Music games are relaxing and playful. They encourage creativity both in children's imagination and expression. All players need is a willingness to have fun and to experience the joys of interacting with others. The games include rhythm games, dance and movement games, card and board games, and musical projects. All of the games stress humor, challenge, surprise and cooperation rather than competition.

Music Fun 101 Hunter House

Help every child experience the magic of making music! From the moment they can grasp and hold an object, young children love to shake, rattle, and bang for the sheer joy of creating sounds. Music is vital to the development of many skills, including math ability, language, and coordination. 101 Rhythm Instrument Activities for Young Children will delight two- to six-year-olds as they are invited to create sounds of ocean waves, rainstorms, and horses galloping, as well as play along with their favorite songs. With 101 ideas, a subject index, and teacher tips, the book makes it easy to find rhythm instrument activities to fit every curriculum and every day.

101 Relaxation Games for Children Hunter House

Covers everything novice musicians and lifelong learners need to know. Full of music trivia, music history, comprehensive instruction and visual aids, music symbols, and chords throughout. This is a crash course in music theory that even professionals will enjoy.

404 Deskside Activities for Energetic Kids Shawnee Press

Dynamic Group-Piano Teaching provides future teachers of group piano with an extensive framework of concepts upon which effective and dynamic teaching strategies can be explored and developed. Within fifteen chapters, it encompasses learning theory, group process, and group dynamics within the context of group-piano instruction. This book encourages teachers to transfer learning and group dynamics theory into classroom practice. As a piano pedagogy textbook, supplement for pedagogy classes, or resource for graduate teaching assistants and professional piano teachers, the book examines learning theory, student needs, assessment, and specific issues for the group-piano instructor.
