In recent history, men from a variety of backgrounds have come to the same conclusion: that the Bible is about Israel only. For example: In 1861, John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come, O Come Emmanuel. Ever since 1861, Christians have sung that hymn at Christmas time, especially at Advent. Do you know what the words really mean that you are singing? In 1878, Edward Hine wrote an article titled, Seven-Eighths of the Bible Misunderstood, wherein he explains that seven-eighths of the Bible is about national salvation, i.e. the national salvation of True Israel; whereas, only one-eighth of the Bible is about personal salvation. Did you know that? In the

1960's, Pastor Sheldon Emry wrote an article title, An Open Letter to Any Minister Who Teaches the Jews Are Israel, wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible. In 1998, Arnold E. Kennedy wrote a book titled, The Exclusiveness of Israel, wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel. So, here we are in the Twenty-First Century, and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A.D. by Yahshuah and His disciples, i.e. the Gospel of the Kingdom. So, where did the so-called churches and pastors go wrong? By the way, is there really a hierarchy in the Bible? In order to find out what the truth really is, we have to look at the original languages in which the Bible was written and then translated. For example, the Old Testament was written in Hebrew and Aramaic, then translated into Greek. The New Testament was written in Hebrew and Greek. Both Testaments were put together and translated into Latin, then German, and finally into English, from which the entire

world received their own translation of the Bible. So, what was the original meaning of the words used in the original languages, i.e. the etymology of the words. Once that is determined, then we can go onto the next phase and discuss types in the Bible. From there, what is the Law of First Mention? How should Bible prophecy be interpreted? Who are the keys to Bible prophecy? Where are we in the Bible prophecy timeline? During these discussions, we will find out who Yahweh chose of all the families of the earth to make His own. The churches teach universalism. The question then becomes, Who was Yahweh's Law given to? What are the Laws of Yahweh? And then the even bigger question becomes, Who was Yahshuah sent to? All of these questions and more will be answered as you read this book...

Rockefellers, Rothschilds, Adamases, and Bushes. Reviewing the evidence, documents, and connections, *The Illuminati: The Secret Society That Hijacked the World* by award-winning journalist and author Jim Marrs shines a light on the history, workings, continuing influence, and pernicious and hidden power of this secret order. Surveying experts—from those who dismiss the Illuminati as a short-lived group of little consequence to skeptics who dare question the government's accounts and pronouncements—Marrs cuts through the wild speculation and the attempts to silence critical thinkers to tell the true story of this secret cabal. Gnosticism, mystery schools, the Roshaniya, Knights Templar, assassins, Rosicrucians, Skull and Bones, Knights of Malta, whistle blowers, the revolutions in France, Russia, and America, and the structure, symbols, and theology of the Illuminati are all covered. Marrs takes a broad look at the group and their workings, investigating their origin as “The Ancient and Illuminated Seers of Bavaria,” the depiction on the United States one-dollar bill of an all-seeing eye and pyramid on

the reverse of the Great Seal of the United States, and the Protocols—or procedures—for usurping national governments and gaining world domination, as well as the Illuminati symbolism found in today's international corporate logos. Wealth, power, and intrigue come together in this in-depth exposé on the Illuminati, their history, connections to influential people, and their place in modern America. The Illuminati lifts the cloaks of secrecy protecting the powerful.

 What is the nature of the New Order proposed by the Pythagorean Illuminati, the world's most controversial secret society? The Illuminati advocate the replacement of democracy by meritocracy, the abolition of all monarchies, dynastic families and privileged elites. How can the corrupt reign of the Old World Order finally be brought to an end? The Illuminati have proposed the most radical and revolutionary redistributive policy of all time: 100% inheritance tax. With this single measure, the iniquitous rule of elite families such as the Rothschilds and Bushes would be terminated. The super

rich defy the natural law of the regression to the mean. The rich just keep getting richer, and the poor poorer. 100% inheritance tax restores the law of nature; it brings back healthy social equilibrium. It prevents the formation of dynasties that bestride the globe for centuries. It gives everyone a fair chance in life.

The question of how and why the United Nations is the crux of the great conspiracy to destroy the sovereignty of the United States and the enslavement of the American people within a UN one-world dictatorship is a complete and unknown mystery to the vast majority of the American people. The reason for this unawareness of the frightening danger to our country and to the entire free world is simple. The masterminds behind this great conspiracy have absolute control of all of our mass communications media, especially television, the radio, the press, and Hollywood. We all know that our State Department, the Pentagon, and the White House have brazenly proclaimed that they have the right and the power to manage the news, to tell us not the truth, but what

they want us to believe. They have seized that power on orders from their masters of the great conspiracy and the objective is to brainwash the people into accepting the phony peace bait to transform the United States into an enslaved unit of the United Nations' one-world government.

With his recent best-selling books and hundreds of articles, as well as radio and TV appearances, Philip Gardiner has started a crusade for uncovering the truth,

and nothing could be more indicative of that search than his latest foray into the dark and often sinister world of secret societies. Yet again, Gardiner finds himself on a journey across the world to uncover the ancient secrets of the world's most powerful men. In one dramatic episode he finds himself driven out of Berlin in a black Mercedes by a secret organization that was believed to have disappeared after the second World War and eventually arrives in a modern Nazi watering hole. Gardiner, however, survives this incredible journey and brings us the secrets of the Order held sacred for so long. Gardiner delves into a world that is often hidden from our eyes and finds himself in situations that seem to mirror the fictional world of the *Da Vinci Code*. Throughout *Secret Societies, Gardiner*: —Uncovers an ancient secret society thought to have died out many years ago. —Gets to the core of the secret societies' belief systems. —Explores the secret origins of Freemasonry and the links to secret Serpent Cults. —Investigates the secret hidden meaning of King Arthur and Robin Hood. —Examines the claimants to the name of Illuminati, and analyzes the

history of the group in Europe and America. —Reveals the secret links within the Vatican and the Nazi Party. —Looks in-depth at the white-powdered gold theory supposedly kept secret by orders throughout time and radically re-appraises it. —Shows the link between the so-called enlightenment experience and the control of our minds. Nobody in the genre involves themselves in the tale in the same way that Gardiner does, and here he shows that the search for ultimate truth can often be a terrifying one.

The rift between the nation's two political parties is caused by a Conspiracy! New England the Bavarian Illuminati is the history of the Illuminati scare that occurred in America at the end of the eighteenth century. It tells how the Federalists, including the New England clergy in particular, seized upon the idea that the Illuminati were behind the actions of the Democrats. Only a far-reaching conspiracy could explain the irreverent habits and searing attacks of the Jeffersonians. Fear of the secret Democratic Clubs, magnified by fear of the French Jacobins, made such a conspiracy

readily believable. Dr. Stauffer ably details the state of American politics and religion before and after the American Revolution. He recounts the known history of the Illuminati, and reviews how knowledge of the secret organization was transmitted to America. The conspiracy alarm is traced in detail, from the first announcement of the existence of the Illuminati given during a sermon, through the heated and virulent debates in newspapers and pamphlets, and finally to the decline of the public spectacle under counter-attacks and satirical mockery. This study of the Illuminati in New England was originally published in 1918. Acclaimed from its first printing, it has since then developed a respectable position as one of the most competent and important histories on the shadowy Order of the Illuminati.

...By the late 1600s Masonic lodges were abandoning the rules of the masters and all forms of infighting took place. The Masonic Brotherhood was to remain a secular institution, but renegades started their own Masonic Lodges, invented initiation rituals, and permitted just about anyone whom wished and had wealth or position of power to join their Lodges. The Church, even though it banished and denounced the Masonic Order, sent agents (Jesuit priests) to infiltrate the organization, which until the 1700 was comprised of secularists, philosophers and the educated elite and men of influence. In 1701 a group of friends gathered together at the house of a host whom had invited them to his birth day party. It is during this occasion, while the 13 of them were in the

host' cellar admiring the fine wine collection and relaxing in the cool of the chamber that the issue of politics and religion was brought up. These wealthy friends decided then and there to seek out all the Masons whom were atheists, deists, agnostics and freethinkers and initiate them into a circle of friends with the goal to eradicate religion and seek to free man kind from the chains of superstition. The new initiates were taught the art of the Craft and learned to master it and use it to find potential new recruits. Adam Weishaupt was soon called before the council and asked if he would be the Initiator of the Order later to be known as The Illuminati Order. Weishaupt was very successful, as he had deep and far-reaching connections as well as close friendship with the Enlightened Masons of Europe. He set up many Illuminati Lodges within the European Lodges, and charged a group of loyal friends to start Lodges in America and recruit every liberal minded person of notoriety. The Circle of Friends already had special friends in America and the founding fathers of the US constitution were among the strongest Illuminists, having recruited many industrialists and

bought many others with funds provided by the Circle of Friends. John Adams had established many institutions in France, Germany, and England, after which the Illuminati were ordered to operate from deep underground cover. *The Secret School of Wisdom* Bloodlines of the Illuminati

This book articulates a new research program, called "Ur-Illuminism," which consists in an integrated and systematic study of humanity's quest for "illumination," namely, for the highest and noblest possible mode of being. Thus, it takes on the challenge of revising widely accepted ways of understanding and interpreting the ontological underpinnings of civilization and the ontological potential of humanity. It allows the reader to delve into a creative "rediscovery" of Platonism, medieval Christian mystics' and scholars' writings, and various "illuminist" systems, from the Orphic mystical cult to the European Enlightenment and thence to the eighteenth-century Illuminati fraternities and beyond. Moreover, the book studies major issues in the history of philosophy, politology, and esoteric systems (such as Hermeticism, the Kabbalah, alchemy, the Rosicrucian

movement, Freemasonry, and the Bavarian Illuminati). It maintains that a postmodern “rediscovery” of premodern metaphysics, specifically, a postmodern esoteric theocracy (as distinct from old sacerdotalism and religious formalism), is the best bulwark against oppression and the ontological degradation of humanity, as well as the best path to the attainment of that wisdom and spiritual self-knowledge which constitute the existential integration and completion of the human being. In this context, it proposes a peculiar and intellectually fecund synthesis between Tory Anarchism, Libertarianism, Platonism, and Byzantine Hesychasm, as they are elucidated here. *Inside the Illuminati: Evidence, Objectives, and Methods of Operation* The Resistance Famous pop stars and rappers from Jay-Z and Rick Ross to Rihanna and Christina Aguilera are believed by many to be a part of the infamous Illuminati secret society.
