The story behind the attack that shocked a nation and opened a new chapter in the history of American crime. On July 14th, 1966, Richard Franklin Speck swept through several student nurses' townhouse like a summer tornado and changed the landscape of American crime. He

broke in as his helpless victims slept, bound them one by one, and then stabbed, assaulted, and strangled all eight in a sadistic sexual frenzy. By morning, only one young nurse had miraculously survived. The killer was captured in seventy-two hours; he was successfully prosecuted in an error-free trial that stood up to appellate scrutiny; and the jury needed only forty-nine minutes to

return a death verdict. Here is the story of Richard Speck by the prosecutor who put him in prison for life with a brand new introduction by Bill Kunkle, the prosecutor of the infamous John Wayne Gacy Jr. In The Crime of the Century, William J. Martin has teamed up with Dennis L. Breo to re-create the blood-soaked night that made American criminal history, offering

fascinating behind-the-scenes descriptions of Speck, his innocent victims, the desperate manhunt and massive investigation, and the trial that led to Speck's successful conviction. *Did You Hear What Eddie Gein Done?* University Press of Kentucky The hilarious New York Times bestseller "sharply observes the lives of globe-trotting, overindulging investment

bankers" (Entertainment Weekly). "Some chick asked me what I would do with 10 million bucks. I told her I'd wonder where the rest of my money went." —@GSElevator For three years, the notorious @GSElevator Twitter feed offered a hilarious, shamelessly voyeuristic look into the real world of international finance. Hundreds of thousands followed the account, Goldman Sachs

launched an internal investigation, and when the true identity of the man behind it all was revealed, it created a national media sensation—but that's only part of the story. Where @GSElevator captured the essence of the banking elite with curated jokes and submissions overheard by readers, Straight to Hell adds John LeFevre's own story—an unapologetic and darkly funny account of a career as

a globe-conquering investment banker spanning New York, London, and Hong Kong. Straight to Hell pulls back the curtain on a world that is both hated and envied, taking readers from the trading floors and roadshows to private planes and after-hours overindulgence. Full of shocking lawlessness, boyish antics, and win-at-all-costs schemes, this is the definitive take

on the deviant, dysfunctional, and absolutely excessive world of finance. “Shocking and sordid—and so much fun.” —Daily News (New York) “LeFevre’s workplace anecdotes include tales of nastiness, sabotage, favoritism, sexism, racism, expense-account padding, and legally questionable collusion.” —The New Yorker
The Kirtland Massacre
 Simon and

Schuster
 The acclaimed author of American Dirt reveals the devastating effects of a shocking tragedy in this landmark true crime book—the first ever to look intimately at the experiences of both the victims and their families. A Rip in Heaven is Jeanine Cummins’ story of a night in April, 1991, when her two cousins Julie and Robin Kerry, and her brother, Tom, were

assaulted on the Old Chain of Rocks Bridge, which spans the Mississippi River just outside of St. Louis. When, after a harrowing ordeal, Tom managed to escape the attackers and flag down help, he thought the nightmare would soon be over. He couldn't have been more wrong. Tom, his sister Jeanine, and their entire family were just at the beginning of a horrific odyssey

through the aftermath of a violent crime, a world of shocking betrayal, endless heartbreak, and utter disillusionment. It was a trial by fire from which no family member would emerge unscathed.

Daughters Of Canaan

Simon and Schuster Here is the courageous, groundbreaking story of Rosa Parks and Recy Taylor—a story that reinterprets the history of America's civil

rights movement in terms of the sexual violence committed against Black women by white men. "An important step to finally facing the terrible legacies of race and gender in this country."

—The Washington Post Rosa Parks was often described as a sweet and reticent elderly woman whose tired feet caused her to defy segregation on Montgomery's

city buses, and whose supposedly solitary, spontaneous act sparked the 1955 bus boycott that gave birth to the civil rights movement. The truth of who Rosa Parks was and what really lay beneath the 1955 boycott is far different from anything previously written. In this groundbreaking and important book, Danielle McGuire writes about the rape in 1944 of a twenty-four-year-old mother and

sharecropper, Recy Taylor, who strolled toward home after an evening of singing and praying at the Rock Hill Holiness Church in Abbeville, Alabama. Seven white men, armed with knives and shotguns, ordered the young woman into their green Chevrolet, raped her, and left her for dead. The president of the local NAACP branch office sent his best investigator and

organizer—Rosa Parks—to Abbeville. In taking on this case, Parks launched a movement that exposed a ritualized history of sexual assault against Black women and added fire to the growing call for change.

Handsome Brute Simon and Schuster From renowned true-crime historian Harold Schechter, whom The Boston Book Review hails as “America’s principal chronicler of

its greatest psychopathic killers,” comes the riveting exploration of a notorious, sensational New York City murder in the 1890s, the fascinating forensic science of an earlier age, and the explosively dramatic trial that became a tabloid sensation at the turn of the century. Death was by poison and came in the mail: A package of Bromo Seltzer had been anonymously sent to Harry Cornish, the

popular athletic director of Manhattan’s elite Knickerbocker Athletic Club. Cornish barely survived swallowing a small dose; his cousin Mrs. Katherine Adams died in agony after ingesting the toxic brew. Scandal sheets owned by Hearst and Pulitzer eagerly jumped on this story of fatal high-society intrigue, speculating that the devious killer was a chemist, a

woman, or “an effeminate man.” Forensic studies suggested cyanide as the cause of death; handwriting on the deadly package and the vestige of a label glued to the bottle pointed to a handsome, athletic society scamp, Roland Molineux. The wayward son of a revered Civil War general, Molineux had clashed bitterly with Cornish before. He had even furiously denounced

Cornish when penning his resignation from the Knickerbocker Club, a letter that later proved a major clue. Bon vivant Molineux had recently wed the sensuous Blanche Chesebrough, an opera singer whose former lover, Henry Barnet, had also recently died . . . after taking medicine sent to him through the mail. Molineux's subsequent indictment for murder led to two explosive trials, a sex-

infused scandal that shocked the nation, and a lurid print-media circus that ended in madness and a proud family's disgrace. In bold, brilliant strokes, Schechter captures all the colors of the tumultuous legal case, gathering his own evidence and tackling subjects no one dared address at the time—all in hopes of answering the tantalizing question: What powerfully

dark motives could drive the wealthy scion of an eminent New York family to foul murder? Schechter vividly portrays the case's fascinating cast of characters, including Julian Hawthorne, son of Nathaniel Hawthorne, a prolific yellow journalist who covered the story, and proud General Edward Leslie Molineux, whose son's ignoble deeds besmirched a dignified national

hero's final years. All the while Schechter brings alive Manhattan's Gilded Age: a gaslit world of elegant town houses and hidden bordellos, chic restaurants and shabby opium dens, a city peopled by men and women fighting and losing the battle against urges an upright era had ordered suppressed. Superbly researched and powerfully written, *The Devil's Gentleman* is an insightful,

gripping work, a true-crime historian's crowning achievement. Ripped from the Headlines! Simon and Schuster 25th ANNIVERSARY EDITION • From the bestselling author of *The Passenger* and the Pulitzer Prize-winning novel *The Road*: an epic novel of the violence and depravity that attended America's westward expansion, brilliantly subverting the conventions of the Western novel and the

mythology of the Wild West. Based on historical events that took place on the Texas-Mexico border in the 1850s, *Blood Meridian* traces the fortunes of the Kid, a fourteen-year-old Tennessean who stumbles into the nightmarish world where Indians are being murdered and the market for their scalps is thriving. Look for Cormac McCarthy's latest bestselling novels, *The*

Passenger and Stella Maris. *Fatal Open Road Media* Provides a biography on Ed Gein, the Wisconsin serial killer responsible for various atrocities, and offers an analysis of his psyche and describes how his childhood and mother influenced him to murder.

The Devil's Gentleman

Little A This unique, straight-talking book shines a light on a particular type of salesperson who has the capability to

derail an organization by inciting other sales people on the team to engage in illicit activity. Read real workplace horror stories so you can identify this menace in your midst ... so that he or she can be eliminated from the workplace or never hired in the first place. *Lucifer Leaders: The Hidden Cost of Deviant Behavior in the Sales Force* was written for sales managers and

senior leaders, human resources professionals, sales trainers, business owners, and anyone touching the sales new hire in the recruiting, hiring, onboarding and training process. Sales managers, senior leaders and business owners: You will learn the true costs associated with a bad hire -- one who can derail your entire team, your business, and potentially your career. You'll know

what to look out for and the questions you need to ask to gain a deeper understanding about the "product" you are about to hire. Human resource professionals: You will gain insight into the procedures that you can implement to mitigate the enormous costs that plague the sales force when a Lucifer Leader walks among you. You will also learn some strategies to help you to assist your

constituents in the recruiting and hiring process. Sales trainers: You will learn to recognize the behaviors, the talk and the attitudes that Lucifer Leaders have up their sleeves. With your keen eye, you can help your sales managers diminish the blow they will feel at the hand of the Lucifer Leader. **Psycho** Penguin FINALIST FOR THE 2021 PULITZER PRIZE IN HISTORY.

INSTANT NEW YORK TIMES BEST SELLER. New York Times Book Review Editors' Choice. Winner of the 2021 Randy Shilts Award for Gay Nonfiction. One of The Washington Post's Top 50 Nonfiction Books of 2020. From a young Harvard- and Cambridge-trained historian, and the Creator and Executive Producer of The Book of Queer (coming June 2022 to Discovery+),

the secret history of the fight for gay rights that began a generation before Stonewall. In 1957, Frank Kameny, a rising astronomer working for the U.S. Defense Department in Hawaii, received a summons to report immediately to Washington, D.C. The Pentagon had reason to believe he was a homosexual, and after a series of humiliating

interviews, Kameny, like countless gay men and women before him, was promptly dismissed from his government job. Unlike many others, though, Kameny fought back. Based on firsthand accounts, recently declassified FBI records, and forty thousand personal documents, Eric Cervini's *The Deviant's War* unfolds over the course of the 1960s, as the Mattachine

Society of Washington, the group Kameny founded, became the first organization to protest the systematic persecution of gay federal employees. It traces the forgotten ties that bound gay rights to the Black Freedom Movement, the New Left, lesbian activism, and trans resistance. Above all, it is a story of America (and Washington) at a cultural and sexual crossroads; of

shocking,
byzantine
public battles
with Congress;
of FBI
informants;
murder;
betrayal; sex;
love; and
ultimately
victory.

public. What
Albert Fish did
to Grace
Budd, and

perhaps fifteen other young children, caused experts to pronounce him the most deranged human being they had ever seen.

At the Dark End of the Street
McClelland & Stewart
Handsome Brute explores the facts of a once-renowned, now little-remembered British murder case, the killings of the charming, but deadly ex-RAF playboy Neville Heath. Since the

1940s, Heath has generally been dismissed as a sadistic sex-killer - the preserve of sensational Murder Anthologies - and little else. But the story behind the tabloid headlines reveals itself to be complex and ambiguous, provoking unsettling questions that echo across the decades to the present day. Handsome Brute is both an examination of the age of austerity, and

a real-life thriller as shocking and provocative as American Psycho or *The Killer Inside Me*, exploring the perspectives of the women in Heath's life - his wife, his mother, his lovers - and his victims. This collage of experiences from the women who knew him intimately probes the schism at the heart of his fascinating, chilling personality. *The Crime of the Century*
Simon and Schuster

William Stout cover limited edition paperback
Deranged [New York] : Macmillan
FROM SOCIAL OUTCAST TO NECROPHILE AND MURDERER -- HIS APPALLING CRIMES STUNNED AN ERA. San Francisco, the 1920s. In an age when nightmares were relegated to the fiction of Edgar Allan Poe and distant tales of the Whitechapel murders, a real-life monster

terrorized America. His acts of butchery have proved him one of history's fiercest madmen. As an infant, Earle Leonard Nelson possessed the power to unsettle his elders. As a child he was unnaturally obsessed with the Bible; before he reached puberty, he had an insatiable, aberrant sex drive. By his teens, even Earle's own family had reason to fear him. But no

one in the bone-chilling winter of 1926 could have predicted that his degeneracy would erupt in a sixteen-month frenzy of savage rape, barbaric murder, and unimaginable defilement -- deeds that would become the hallmarks of one of the most notorious fiends of the twentieth century, whose blood-lust would not be equaled until the likes of Henry Lee Lucas, John Wayne Gacy, and Jeffrey

<p>Dahmer. Drawing on the "gruesome, awesome, compelling reporting" (Ann Rule) that is his trademark, Harold Schechter takes a dark journey into the mind of an unrepentant sadist -- and brilliantly lays bare the myth of innocence that shrouded a bygone era. <u>Invisible Darkness</u> University Press of Kentucky Co-authored by an assistant prosecutor of the case, this</p>	<p>is an incisive look at Jeffrey Lundgren, a self-proclaimed prophet of a deviant death cult, loosely based on the Book of the Mormon, who drove his followers to commit atrocious crimes-- including the "blood sacrifice" murder of an innocent family. Features 14 pages of dramatic photographs. Fine. <i>Deviant</i> Hachette UK Now an HBO Max series starring Ray</p>	<p>Romano and Cristin Milioti From one of our most exciting and provocative young writers, a poignant, riotously funny story of how far some will go for love—and how far some will go to escape it. Hazel has just moved into a trailer park of senior citizens, with her father and Diane—his extremely lifelike sex doll—as her roommates. Life with Hazel’s father is strained at best, but her only alternative</p>
---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

seems even bleaker. She's just run out on her marriage to Byron Gogol, CEO and founder of Gogol Industries, a monolithic corporation hell-bent on making its products and technologies indispensable in daily life. For over a decade, Hazel put up with being veritably quarantined by Byron in the family compound, her every movement and vital sign tracked. But when he demands to

wirelessly connect the two of them via brain chips in a first-ever human "mind-meld," Hazel decides what was once merely irritating has become unbearable. The world she escapes into is a far cry from the dry and clinical bubble she's been living in, a world populated with a whole host of deviant oddballs. As Hazel tries to carve out a new life for herself in this uncharted territory,

Byron is using the most sophisticated tools at his disposal to find her and bring her home. His threats become more and more sinister, and Hazel is forced to take drastic measures in order to find a home of her own and free herself from Byron's virtual clutches once and for all. Perceptive and compulsively readable, *Made for Love* is at once an absurd, raunchy comedy and a dazzling,

profound meditation marriage, monogamy, and family. *Depraved Little A* In the dead of winter, the mutilated bodies of three young girls have been found in rural areas around Milwaukee, reminding people of the late "Butcher of Plainfield," Ed Gein. When local lore leads writer Paul Novak to the ramshackle home of a bizarre young man, he realizes he's stumbled

across Gein's best-kept secret *Lucifer Leaders* Simon and Schuster Updated with the latest DNA findings and a new foreword by Gregg Olsen! The definitive book on John Wayne Gacy, written by the prosecutor who spearheaded the investigation, arrest, and conviction of one of America's most horrific killers--now in trade paperback for the first time and with a new foreword

by #1 New York Times bestselling author Gregg Olsen. The Real Story Of John Wayne Gacy-- By The Man Who Helped Catch Him He was a model citizen. A hospital volunteer. And one of the most sadistic serial killers of all time. But few people could see the cruel monster beneath the colorful clown makeup that John Gacy wore to entertain children in his Chicago suburb. Few could imagine what lay

buried beneath his house of horrors--until a teenaged boy disappeared before Christmas in 1978, leading prosecutor Terry Sullivan on the greatest manhunt of his career. Reconstructing the investigation--from records of violence in Gacy's past and DNA evidence confirming the identities of additional victims, to the gruesome discovery of 29 corpses of abused boys

in Gacy's crawlspace and four others found in the nearby river-- Sullivan's shocking eyewitness account takes you where few true crime books ever go: inside the heart of a serial murder investigation and trial. This updated edition features new revelations, a foreword from bestselling author Gregg Olsen, and 16 pages of dramatic photos. Killer Macmillan Ed Gein's

gruesome and horrifying murders were basis of a motion picture, for a town's publicity, and for the death of his female victims The A to Z Encyclopedia of Serial Killers Simon and Schuster "WARNING- This book contains police and court transcripts of audio and descriptions of extremely graphic sexual violence contained in videotapes made by the perpetrators." Paul Bernardo

and Karla Homolka were so perfectly iconic as a newlywed couple that they were dubbed "Ken and Barbie". But their marriage had a dark side involving sex, death, and videotape. The 'perfect couple' first raped and murdered Karla's little sister and then kidnapped teenage schoolgirls whom they enslaved, raped, tortured and killed while gleefully recording

themselves on video doing it. Vronsky will take you on the journey from the Scarborough Rapist (Bernardo) to Bordelais (Homolka's current last name) and her return to Canada in October, 2014 from the island of Gaudeloupe where she lived for several years with her husband and three children. WITH (21) PHOTOS The Ken and Barbie Killers RJ PARKER PUBLISHING, INC.

The shocking story of the real-life killer who inspired Psycho, The Texas Chainsaw Massacre and The Silence of the Lambs. To the people of Plainfield, Wisconsin, Ed Gein was a lonely old bachelor, mild-mannered by nature, perhaps a little dim, but altogether harmless, a man they could rely on to do odd jobs and to look after their kids. Ed could be a little offbeat, sure, but the stories

the local teens
told - about
the shrunken
heads he kept
hanging
beside his
bed, about the
ghoulish
figure seen
dancing in the
moonlight at
the Gein
property -
were
dismissed with
a chuckle and
a healthy
dollop of
skepticism.
Then, on a

frigid day in
1957, a
search for a
missing
woman brings
police officers
to Ed Gein's
ramshackle
farmhouse.
What they find
inside will
send
shockwaves
reverberating
around the
world and
introduce
America to
one of the

most
depraved
killers in its
history. This is
the true, yet
barely
believable,
story of Ed
Gein, a
genuine
American
psycho. Scroll
up to grab a
copy of
Unhinged: The
Shocking True
Story Of Ed
Gein, the
Butcher of
Plainfield
