Modo: Ember's End

Dust

This series has to be one

of the best reads available to steampunk fans and adventure seekers alike.—Canadian Children’s Book News The final adventure in the Hunchback Assignments

series finds the shape-shifting, masked spy Modo on his most personal quest yet: for the truth about who he really is. A coded letter from the bewitching French spy

Colette Brunet sends our hero in search of the biological parents who abandoned him as a baby. When the Clockwork Guild gets to them first, Modo and his loyal friend Octavia Milkweed give chase across Europe and North America to the Island of Doom. An epic showdown with his magnificently evil and terrifying enemies in their Pacific island stronghold brings Modo's story to a thrilling conclusion.

The Fire Eaters

HarperCollins

At the age of nine, John

Diefenbaker announced, "I'm going to be prime minister when I grow up." He never lost sight of his goal. Diefenbaker was prime minister of Canada from 1957-1963. He believed in social justice, opening up the North, and making things better for western farmers.

Canadians responded to his campaign call to "Follow John." This compelling book recreates the tensions of the Diefenbaker era - the time of the Cold War, spy scandals, and the Cuban Missile Crisis - when the

world seemed on the brink of nuclear war.

Gordon Whillickers

suspects that the candy bars being supplied to the people of Nanaimo are affecting their intelligence and with his friend Sophia and Cheryl, a Sasquatch, he begins a search for the alien who is responsible.

Dear Canada: Orphan at My Door Scholastic Canada

Edward is sixteen and too young to enlist for World War I, but he is old enough to feel a

dangerous combination of emotions: revenge—against the Germans who killed his older brother; and romanticism—about the glory and heroism that Edward feels are the ideals of war. To his disappointment, Edward is assigned horse-training duty in England, far from the front lines, where he is consoled only by his horse and the friendship of a young nurse. Things change when he is sent to fight in Palestine, where he finds that the horrors of war and the real

meaning of courage are nothing like what he imagined. Intelligent, provocative and as powerful as any cavalry charge, Megiddo's Shadow deserves every accolade.

Flickers She Writes Press

The first time Melanie Ross meets April Hall, she's not sure they have anything in common. But she soon discovers that they both love anything to do with ancient Egypt. When they stumble upon a deserted storage yard, Melanie and April decide it's the perfect spot for

the Egypt Game. Before long there are six Egyptians, and they all meet to wear costumes, hold ceremonies, and work on their secret code. Everyone thinks it's just a game until strange things start happening. Has the Egypt Game gone too far?

Peccadillo at the

Palace Coteau Books

In this clever riff on Aesop, Poppy feels guilty when he accidentally drives over Snake, and he decides to risk being bitten in order to free the sassy reptile. But snake wants more. This is a sly

tale about who gets the last laugh. We, the creators of Who's Got Game? were inspired by the wonder of Aesop's Fables -- their vitality, their endless demand for more interpretations. In our versions the original stories are opened up and their moralistic endings reimagined; the victim might not lose; the timid gets a chance to become strong; the fool can gain insight; the powerful may lose their grip. ANYTHING CAN HAPPEN. More than a play on these beloved fables, Who's Got Game?

Crimson Arthur Slade

The thrilling sequel to award-winning author Arthur Slade's fantasy adventure! Carmen has defeated her twin brother, Corwin, thanks to the pact she made with Brax the dragon. Now it's time for her to fulfill her end of the bargain. Brax takes Carmen to Drachia, the

land of beasts, where Carmen soon learns that Brax had been banished from his father's kingdom for accidentally killing his sister, Brenna. But soon after their arrival in the dragon capital, the two of them are quickly embroiled in plots and schemes to take the crown away from Brax's father, King Xerx. When Carmen becomes separated from Brax, she finds herself alone as an outsider in a strange land where she is seen as either a slave or food. She must use her assassin

training, and the magical bond she shares with Brax, to survive and set out to save him. Arthur Slade delivers with another exciting, fast-paced read full of action, magic and a healthy dash of humour.

In the Dust of This Planet
Delacorte Books for Young Readers

The poignant story of a Japanese-American woman's journey through one of the most shameful chapters in American history. Kimi's Obaachan, her grandmother, had always been a silent

presence throughout her youth. Sipping tea by the fire, preparing sushi for the family, or indulgently listening to Ojichan's (grandfather's) stories for the thousandth time, Obaachan was a missing link to Kimi's Japanese heritage, something she had had a mixed relationship with all her life. Growing up in rural Pennsylvania, all Kimi ever wanted to do was fit in, spurning traditional Japanese culture and her grandfather's attempts to teach her the language. But there was one part of

Obaachan's life that fascinated and haunted Kimi—her gentle yet proud Obaachan was once a prisoner, along with 112,000 Japanese Americans, for more than five years of her life. Obaachan never spoke of those years, and Kimi's own mother only spoke of it in whispers. It was a source of haji, or shame. But what really happened to Obaachan, then a young woman, and the thousands of other men, women, and children like her? From the turmoil, racism, and paranoia that

sprang up after the bombing of Pearl Harbor, to the terrifying train ride to Heart Mountain, Silver Like Dust captures a vital chapter the Japanese-American experience through the journey of one remarkable woman and the enduring bonds of family.

A famous father. A brilliant mind. Can he survive grad week? Percy's father, a famous

anthropologist, died in Africa four years ago; and Percy has taken on his father's eyes to see the world as a brilliant Observer. He and his friend Elissa are fascinated by the ritualistic world called Grade Twelve: the Jock tribe; the Teacher tribe; the Born Again tribe; the Cool and Detached tribe; the Lipstick/Hairspray tribe, not to mention Mr. Verplaz, the Shaman. For Percy it's crucial to withdraw, analyze, and remain above it all. But wait--he's studying real

people, who complicate things. Like Elissa, the only person who can come close to him, maybe too close. The only person who knows how painful it was last year when their best friend Willard died. As graduation approaches, the looming ritual ratchets up Percy's deepest, hidden feelings and reveals the truth about his father's disappearance.

A Novel of Suspense
Harper Collins
There he was, below the bridge, half-naked, eyes blazing. He had a pair of burning torches. He ran them back and forth across his skin. He sipped from a bottle, breathed across a torch, and fire and fumes leapt from his

lips. The air was filled with the scent of paraffin. He breathed again, a great high spreading flag of fire. He glared. He roared like an animal. That summer, life had seemed perfect for Bobby Burns. But now it's autumn and the winds of change are blowing hard. Bobby's dad is mysteriously ill. His new school is a cold and cruel place. And worse: nuclear war may be about to start. But Bobby has a wonder-working friend called Ailsa Spink. And he's found the fire-eater, a devil called McNulty.

What can they do together on Bobby's beach? Is it possible to work miracles? Will they be able to transform the world? A stunning novel from the author of the modern children's classic Skellig - winner of the Carnegie Medal and the Whitbread Children's Book Award. David Almond is also winner of the 2010 Hans Christian Andersen award.
