*Roman Woodworking* Springer

In this pioneering study, Hisham Aidi—an expert on globalization and social movements—takes us into the musical subcultures that have emerged among Muslim youth worldwide over the last decade. He shows how music—primarily hip-hop, but also rock, reggae, Gnawa and Andalusian—has come to express a shared

Muslim consciousness in face of War on Terror policies. This remarkable phenomenon extends from the banlieues of Paris to the favelas of Rio de Janeiro, from the park jams of the South Bronx to the Sufi rock bands of Pakistan. The United States and other Western governments have even tapped into these trends, using hip hop and Sufi music to de-radicalize Muslim youth abroad. Aidi situates these developments in a broader historical context, tracing longstanding connections between Islam and African-American music. Thoroughly researched, beautifully written, *Rebel Music* takes the pulse of a revolutionary soundtrack that spans the globe.

*Mapping Ethnography in Early Modern Germany* Hassell Street Press

(Book). We proudly present the fifth edition of Maurice J. Summerfield's highly acclaimed ultimate reference book on the classical guitar. This brand new book features all the original biographical entries updated with new photographs where applicable, plus 100 new biographical entries in the players, composers and makers section for a total of over 485. This new edition gives the reader a full and clear picture of the classical guitar's development since the beginning of the nineteenth century. Also included are informative sections on composers, scholars, flamenco guitarists and guitar makers. The book's collection of several hundred photographs is the most complete to be published in one volume. There are extensive listings of the most important classical guitar recordings. The final section, Sources of Supply, guides readers to where they can obtain the books, recordings, music and magazines listed in the book. Without a doubt, this new edition will be the essential work of

reference on the subject of classical guitar for years to come! "My sincere congratulations to Maurice Summerfield." Andres Segovia

**The Alhambra** Amsterdam University Press

Put quite simply, the twin impacts of globalization and environmental degradation pose new security dangers and concerns. In this new work on global security thinking, 91 authors from five continents and many disciplines, from science and practice, assess the worldwide reassessment of the meaning of security triggered by the end of the Cold War and globalization, as well as the multifarious impacts of global environmental change in the early 21st century.

*Journeys Through Bookland* Duke University Press

This collection brings together scholars from a wide range of disciplines to offer perspectives on national identity formation in various European contexts between 1600 and 1815. Contributors challenge the dichotomy between modernists and traditionalists in nationalism studies through an emphasis on continuity rather than ruptures in the shaping of European nations in the period, while also offering an overview of current debates in the field and case studies on a number of topics, including literature, historiography, and cartography.

**Mafia Brotherhoods** Dramatists Play Service, Inc.

Relying on previously undisclosed confessions of former mafia members now cooperating with the police, Letizia Paoli provides a clinically accurate portrait of mafia behavior, motivations, and structure in Italy. The mafia, Paoli demonstrates, are essentially multifunctional ritual brotherhoods focused above all on retaining and consolidating their local political power base. A truly interdisciplinary work of history, politics, economics, and

sociology, Mafia Brotherhoods reveals in dramatic detail the true face of one of the world's most mythologized criminal organizations.

Latin American Politics and Development Hal Leonard Corporation  
 Judge Peyton is dead and his plantation Terrebonne is in financial ruins. Peyton's handsome nephew George arrives as heir apparent and quickly falls in love with Zoe, a beautiful octoroon. But the evil overseer M'Closky has other plans—for both Terrebonne and Zoe. In 1859, a famous Irishman wrote this play about slavery in America. Now an American tries to write his own. *Mussolini as Revealed in His Political Speeches (November 1914-August 1923)* Potomac Books, Inc.

New York Times Bestseller A New York Times Notable Book  
 Named one of the Best Books of the Year by the Wall Street Journal, the Economist, Foreign Affairs, and Kirkus Reviews  
 Finalist for the National Book Critics Circle Award (Nonfiction)  
 Shortlisted for the Cundill Prize in Historical Literature Finalist for the Los Angeles Times Book Prize (History) A San Francisco Chronicle Holiday Gift Guide Selection A New York Times Book Review Editors' Choice Selection A sweeping, "magisterial" history of the Roman Empire from one of our foremost classicists shows why Rome remains "relevant to people many centuries later" (Atlantic). In SPQR, an instant classic, Mary Beard narrates the history of Rome "with passion and without technical jargon" and demonstrates how "a slightly shabby Iron Age village" rose to become the "undisputed hegemon of the Mediterranean" (Wall Street Journal). Hailed by critics as animating "the grand sweep and the intimate details that bring the distant past vividly to life" (Economist) in a way that makes "your hair stand on end"

(Christian Science Monitor) and spanning nearly a thousand years of history, this "highly informative, highly readable" (Dallas Morning News) work examines not just how we think of ancient Rome but challenges the comfortable historical perspectives that have existed for centuries. With its nuanced attention to class, democratic struggles, and the lives of entire groups of people omitted from the historical narrative for centuries, SPQR will to shape our view of Roman history for decades to come.

Winner of the Gustave O. Arlt Award in the Humanities, awarded by the Council of Graduate Schools Honorable Mention for the 2019 Sonya Rudikoff Prize, awarded by the Northeast Victorian Studies Association *Civilizing War* traces the historical transformation of civil war from a civil affair into an uncivil crisis. Civil war is today synonymous with the global refugee crisis, often serving as grounds for liberal-humanitarian intervention and nationalist protectionism. In *Civilizing War*, Nasser Mufti situates this contemporary conjuncture in the long history of British imperialism, demonstrating how civil war has been and continues to be integral to the politics of empire. Through comparative readings of literature, criticism, historiography, and social analysis, *Civilizing War* shows how writers and intellectuals of Britain's Anglophone empire articulated a "poetics of national rupture" that defined the metropolitan nation and its colonial others. Mufti's tour de force marshals a wealth of examples as diverse as Thomas Carlyle, Benjamin Disraeli, Friedrich Engels, Arthur Conan Doyle, Rudyard Kipling, Joseph Conrad, V. S. Naipaul, Nadine Gordimer, and Michael Ondaatje to examine the variety of forms this poetics takes—metaphors, figures, tropes,

puns, and plot—all of which have played a central role in Britain’s civilizing mission and its afterlife. In doing so, *Civilizing War* shifts the terms of Edward Said’s influential *Orientalism* to suggest that imperialism was not only organized around the norms of civility but also around narratives of civil war.

**Adulterous Nations** Oxford University Press

Reproduction of the original: *The Alhambra* by Washington Irving  
*The Dictator's Seduction* U of Nebraska Press

In this book Ulbe Bosma explores the experience of immigrants in the Netherlands over sixty years and three generations. Looking at migrants from all countries, Bosma teases out how their ethnic identities are informed by Dutch culture, and how these immigrant identities evolve over time. “Fascinating, comprehensive, and historically grounded, this essential volume reveals how the colonial past continues to shape multicultural Dutch society. . . . It is an important counterpart to work on France, Britain, and Portugal.”—Andrea Smith, Lafayette College

**Fascist Ideology** Yale University Press

Though U.S. leaders try to convince the world of their success in fighting al Qaeda, one anonymous member of the U.S. intelligence community would like to inform the public that we are, in fact, losing the war on terror. Further, until U.S. leaders recognize the errant path they have irresponsibly chosen, he says, our enemies will only grow stronger. According to the author, the greatest danger for Americans confronting the Islamist threat is to believe—at the urging of U.S. leaders—that Muslims attack us for what we are and what we think rather than for what we do. Blustering political rhetor.

**Rebel Music** Duke University Press

This collection of literature attempts to compile many of the classic works that have stood the test of time and offer them at a reduced, affordable price, in an attractive volume so that everyone can enjoy them.

**Martin Hewitt: the Complete Collection (25 Cases)** Createspace Independent Publishing Platform

A collection of essays by the art historian Aby Warburg, these essays look beyond iconography to more psychological aspects of artistic creation: the conditions under which art was practised; its social and cultural contexts; and its conceivable historical meaning.

**Critical Discourse Analysis** W. W. Norton & Company

The papacy of Pius XII (1939-1958) has been a source of near-constant criticism and debate since his death, particularly because of his alleged silence during the Holocaust. Paul O’Shea examines his little-studied pre-papal life to demonstrate that Pius was neither an anti-Semitic villain nor a ‘lamb without stain.’

**Behind the Sheet** Legare Street Press

This book reveals how the Church has in the past and still does speak up decisively to halt the infamous trade in human flesh.

**Interpreting Scripture** Dramatists Play Service, Inc.

The Spanish Craze is the compelling story of the centuries-long U.S. fascination with the history, literature, art, culture, and architecture of Spain. Richard L. Kagan offers a stunningly revisionist understanding of the origins of hispanidad in America, tracing its origins from the early republic to the New Deal. As Spanish power and influence waned in the Atlantic World by the eighteenth century, her rivals created the “Black Legend,” which promoted an image of Spain as a dead and lost civilization rife

with innate cruelty and cultural and religious backwardness. The Black Legend and its ambivalences influenced Americans throughout the nineteenth century, reaching a high pitch in the Spanish-American War of 1898. However, the Black Legend retreated soon thereafter, and Spanish culture and heritage became attractive to Americans for its perceived authenticity and antimodernism. Although the Spanish craze infected regions where the Spanish New World presence was most felt—California, the American Southwest, Texas, and Florida—there were also early, quite serious flare-ups of the craze in Chicago, New York, and New England. Kagan revisits early interest in Hispanism among elites such as the Boston book dealer Obadiah Rich, a specialist in the early history of the Americas, and the writers Washington Irving and Henry Wadsworth Longfellow. He also considers later enthusiasts such as Angeleno Charles Lummis and the many writers, artists, and architects of the modern Spanish Colonial Revival in the United States in the late nineteenth and early twentieth centuries. Spain's political and cultural elites understood that the promotion of Spanish culture in the United States and the Western Hemisphere in general would help overcome imperial defeats while uniting Spaniards and those of Spanish descent into a singular raza whose shared characteristics and interests transcended national boundaries. With elegant prose and verve, *The Spanish Craze* spans centuries and provides a captivating glimpse into distinct facets of Hispanism in monuments, buildings, and private homes; the visual, performing, and cinematic arts; and the literature, travel journals, and letters of its enthusiasts in the United States.

Random Reminiscences Springer

*A World of Many Worlds* is a search into the possibilities that may emerge from conversations between indigenous collectives and the study of science's philosophical production. The contributors explore how divergent knowledges and practices make worlds. They work with difference and sameness, recursion, divergence, political ontology, cosmopolitics, and relations, using them as concepts, methods, and analytics to open up possibilities for a pluriverse: a cosmos composed through divergent political practices that do not need to become the same. Contributors. Mario Blaser, Alberto Corsín Jiménez, Déborah Danowski, Marisol de la Cadena, John Law, Marianne Lien, Isabelle Stengers, Marilyn Strathern, Helen Verran, Eduardo Viveiros de Castro

The Renewal of Pagan Antiquity Saint Pauls/Alba House

The dictatorship of Rafael Trujillo, who ruled the Dominican Republic from 1930 until his assassination in 1961, was one of the longest and bloodiest in Latin American history. The *Dictator's Seduction* is a cultural history of the Trujillo regime as it was experienced in the capital city of Santo Domingo. Focusing on everyday forms of state domination, Lauren Derby describes how the regime infiltrated civil society by fashioning a "vernacular politics" based on popular idioms of masculinity and fantasies of race and class mobility. Derby argues that the most pernicious aspect of the dictatorship was how it appropriated quotidian practices such as gossip and gift exchange, leaving almost no place for Dominicans to hide or resist. Drawing on previously untapped documents in the Trujillo National Archives and interviews with Dominicans who recall life under the dictator, Derby emphasizes the role that public ritual played in Trujillo's exercise of power. His regime included the people in affairs of

state on a massive scale as never before. Derby pays particular attention to how events and projects were received by the public as she analyzes parades and rallies, the rebuilding of Santo Domingo following a major hurricane, and the staging of a year-long celebration marking the twenty-fifth year of Trujillo's regime. She looks at representations of Trujillo, exploring how claims that

he embodied the popular barrio antihero the tiguere (tiger) stoked a fantasy of upward mobility and how a rumor that he had a personal guardian angel suggested he was uniquely protected from his enemies. *The Dictator's Seduction* sheds new light on the cultural contrivances of autocratic power.
