Shaka Zulu The Biography Of The Founder Of The Zulu Nation

Downloaded from [webdi.sk.wagmt.v.com](#) by guest

TREVINO HERNANDEZ

Emperor Shaka the Great Jonathan Ball Publishers

Describes the life of Shaka Zulu, the leader of the Zulu Kingdom in Africa, as well as what day-to-day life was like for the Zulu people.

The Assassination of King Shaka Edward Elgar Publishing

Informative and portable, this guide offers a brief yet lively introduction to the life and reign of Shaka Zulu, the most influential leader of South Africa's Zulu Kingdom. As it challenges the previous historiography of the early king, this account reassesses the white resources and delves into a large body of previously-neglected Zulu historical records. Revealing a complex, tough leader—who was neither illegitimate nor sexually deviant, neither mass murderer nor seamlessly successful military genius—this handbook sheds light on the existing myths surrounding Shaka and reconsiders his place in South African history.

Myth of Iron Penguin (Non-Classics)

South Africa is known to have many tribes, and each has its own belief system. Shaka Zulu was a leader who united South African tribes. How did he do it? Reading his life story will help you understand the traits of a true leader. Would you like to unite peoples when you grow up? Then be inspired by biography book for kids age 9 to 12.

Shaka Zulu Borgo Press

Shaka struggles to retain power as challenges at home and from across an ocean threaten his new rule.

Shaka Zulu Cambridge University Press

This scholarly account traces the emergence of the Zulu Kingdom in South Africa in the early nineteenth century, under the rule of the ambitious and iconic King Shaka. In contrast to recent literary analyses of myths of Shaka, this book uses the richness of Zulu oral traditions and a comprehensive body of written sources to provide a compelling narrative and analysis of the events and people of the era of Shaka's rule. The oral traditions portray Shaka as rewarding courage and loyalty, and punishing failure; as ordering the targeted killing of his own subjects, both warriors and civilians, to ensure compliance to his rule; and as arrogant and shrewd, but kind to the poor and the mentally disabled. The rich and diverse oral traditions, transmitted from generation to generation, reveal the important roles and fates of men and women, royal and subject, from the perspectives of those who experienced Shaka's rule and the dramatic emergence of the Zulu Kingdom.

Shaka Zulu Heinemann-Raintree Library

Over the decades we have heard a great deal about Shaka, the famous - or infamous - of Zulu leaders. It may come as a surprise, therefore, that we do not know when he was born, nor what he looked like, nor precisely when or why he was assassinated. This book lays out the available evidence - mainly hitherto under-utilised Zulu oral testimonies.

Shaka's Children Heinemann Educational Publishers

A charismatic young warrior prince emerges from exile to usurp the old order and forge a new, mighty Zulu kingdom.

Shaka, King of the Zulus Longman Publishing Group

In this riveting new book, John Laband, pre-eminent historian of the Zulu Kingdom, tackles some of the questions that swirl around the assassination in 1828 of King Shaka, the celebrated founder of the Zulu Kingdom and war leader of legendary brilliance: Why did prominent members of the royal house conspire to kill him? Just how significant a part did the white hunter-traders settled at Port Natal play in their royal patron's downfall? Why were Shaka's relations with the British Cape Colony key to his survival? And why did the powerful army he had created acquiesce so tamely in the usurpation of the throne by Dingane, his half-brother and assassin? In his search for answers Laband turns to the Zulu voice heard through recorded oral testimony and praise-poems, and to the written accounts and reminiscences of the Port Natal trader-hunters and the despatches of Cape officials. In the course of probing and assessing this evidence the author vividly brings the early Zulu kingdom and its inhabitants to life. He throws light on this elusive character of and his own unpredictable intentions, while illuminating the fears and ambitions of those attempting to prosper and survive in his hazardous kingdom: a kingdom that nevertheless endured in all its essential characteristics, particularly militarily, until its destruction fifty one years later in 1879 by the British; and whose fate, legend has it, Shaka predicted with his dying breath.

The Creation of the Zulu Kingdom, 1815-1828 Doubleday Books

The Zulu kings established the most powerful black dynasty Africa has ever known. The mighty Shaka, who founded the dynasty in the early nineteenth century, welded the Zulu nation into a formidable military unit. Known as the 'Black Napoleon', this first Zulu King was a ruthless, yet inspired, leader. Triumphant and merciless in battle, he led his people to greatness and ruled them with iron-handed discipline. His assassination by

his treacherous half-brother, Dingane, did nothing to lessen the rule of terror. But the self-indulgent Dingane, although cruel and despotic, was no warrior and his reign ended in disaster. Defeated by the Boers at the battle of Blood River, Dingane was eventually forced to flee Zululand and died in exile. After Dingane's death the neighbouring territory of Natal became a white settlement and the course of Zulu history changed. A third brother, Mpande, was proclaimed King by the Boers and reigned more or less peacefully. Mpande was followed by his son Cetshwayo whose attempt to revive Zulu power brought him into conflict with the British and resulted in the downfall of his nation in the Zulu War of 1879. Cetshwayo's son, Dinuzulu, inherited little more than his father's misfortunes. Brian Roberts tells the story of the rise and fall of the Zulu dynasty in colourful detail. But it is the first two Kings--the resolute Shaka and the fickle Dingane--who dominate the book. Ruling when Zululand was independent and all-powerful, their tyrannical regimes transformed the tribal pattern in southern Africa. Shaka's wars devastated the surrounding territories and were responsible for the deaths of some two million Africans. Dingane fought fewer wars but, by aping Shaka's methods, was every bit as fearsome. The Kings are seen largely through the eyes of the extraordinary collection of white men who visited their kraals. How far the intrigues of these white adventurers influenced the fate of the Zulu Kings has never before been revealed. Until now their activities have been regarded as relatively innocent. By drawing on significant, unpublished material, Brian Roberts shows this to be far from the truth. Zulu history is thus presented in a completely new light. This is a saga of the Zulu empire at its height--its bizarre customs, its bloodthirsty battles, its colourful rituals and, above all, its larger-than-life personalities.

The Assassination of King Shaka Harvard University Press

1818, south east Africa: on the summit of a low hill, encircled by a foe six times their number, fifteen hundred men armed with cowhide shields and short stabbing spears sit and wait as the midday sun blazes overhead. Calm in the face of the horde gathering below, they know it's a good day for dying... but a better one for killing. At the centre of their formation a tall, broad-shouldered man surveys his troops. Only at his command will they rise and engage the enemy. He is Shaka, his men are Zulu - the best trained foot soldiers in Africa - and the blood spilled in the coming battle will write the opening chapter of their legend. Following in Shaka's footsteps, AmaZulu sweeps across the burned hills of south east Africa's interior, charting the dawn of the Zulu nation through the eyes of the Induna, a battle-scarred captain, and his eleven-year-old apprentice. Aflame with conflict and intrigue, nobility and treachery, it tells the story of an unquenchable thirst for revenge and a genius for warfare that forged an empire as powerful and revered as Napoleon's France or Caesar's Rome.

Shaka Zulu Random House

In Eight Zulu Kings, well-respected and widely published historian John Laband examines the reigns of the eight Zulu kings from 1816 to the present. Starting with King Shaka, the renowned founder of the Zulu kingdom, he charts the lives of the kings Dingane, Mpande, Cetshwayo, Dinuzulu, Solomon and Cyprian, to today's King Goodwill Zwelithini whose role is little more than ceremonial. In the course of this investigation Laband places the Zulu monarchy in the context of African kingship and tracks and analyses the trajectory of the Zulu kings from independent and powerful pre-colonial African rulers to largely powerless traditionalist figures in post-apartheid South Africa.

Shaka Zulu Quercus

LIMITED AUTOGRAPHED EDITION This is the original unedited manuscript of the 1985 bestselling novel by Joshua Sinclair which was adapted by him into the legendary television series by the same name. This true story chronicles with mythic detail the life of Shaka Zulu, the greatest African leader in history. Framed around Queen Victoria's decision on England's political stance towards the Zulu Nation, the novel starts with Shaka's illegitimate birth, taking us through his difficult childhood, his obsessive attachment to his mother Nandi, to his overthrow of the leadership of the Zulu nation. Building on his innovative methods of warfare, King Shaka established the most disciplined standing army in the history of Mankind (over one million strong at any given time) expanding the Zulu domain from a small tribe of less than 2,000 to an empire greater than that of Napoleon encompassing much of what is now south-east Africa. Mixing prophecy with oral tradition, the author, Joshua Sinclair, spans four decades of Africa's History dramatically punctuating the rise and fall of the one of most formidable empire this world has ever known.

Chaka Story Press Africa

Thomas Mofolo's final novel and masterpiece, Chaka captures the phenomenal rise and fall of the great Zulu king. One of the earliest modern literary classics from Southern Africa, Chaka, is the tragic tale of a warrior-king and his insatiable hunger for power. Told in a mythic style, Chaka follows the torments of the Zulu king's early life, his rapid ascension to the throne, and the prophesied events that lead to his downfall. 'Chaka is a beautifully dark and twisted take on the true life story of the Zulu King ... built around one of the most enigmatic and memorable literary figures you'd ever encounter.' Ainehi Edoro

Shaka, King Of Zulus Story Press Africa

The violent struggle in South Africa between supporters of Inkatha and the ANC, focusing on the distribution of power and resources in the "new South Africa," is accompanied by another, lesser-known battle over symbols, representations of the past, and the reconstruction of history. This book looks at an image at the center of many of these struggles: that of King Shaka, the renowned nineteenth-century Zulu emperor, an image used by Inkatha to assert its authentic right to shape South Africa's future.

Shaka's Children Oxford University Press, USA

A biography of the outcast who, through his military abilities, eventually became a controversial Zulu chief known as both a genius and madman, hero

and devil incarnate.

[Lessons on Leadership by Terror](#) HarperCollins Publishers

A biography of the nineteenth-century military genius and Zulu chief.

Shaka's Children HarperCollins

In 1879, armed only with their spears, their rawhide shields, and their incredible courage, the Zulus challenged the might of Victorian England and, initially, inflicted on the British the worst defeat a modern army has ever suffered at the hands of men without guns. This is the definitive account of the rise of the Zulu nation under the great ruler Shaka and its fall under Cetshwayo. The story is studded with tales of drama and heroism: the Battle of Isandhlwana, where the Zulu army wiped out the major British column; and Rorke's Drift, where a handful of British troops beat off thousands of Zulu warriors and won eleven Victoria Crosses. Acclaimed for its scholarship, its monumental range, and its spellbinding readability, *The Washing of the Spears* is a gripping portrait of not just the Zulu War of 1879, but also of Britain's colonial policy at this moment.

The Washing Of The Spears Cambridge University Press

What does it mean to be Zulu today? Does being Zulu today differ from what it meant in the past? "Zulu Identities" wrestles with these and many other related questions to show how the characteristic traditions of a pre-industrial people have evolved into different cultural expressions of "Zulu-ness" in modern South Africa. This authoritative and specially commissioned volume, which contains more collected expertise on the Zulus than is available from any other source, examines the legacies of Shaka, the intrigues of Zulu royalty, gender and generational struggles, cultural and symbolic projections, and spirituality. It highlights the debates in contemporary South Africa over the manipulation of Zulu heritage, whether deployed for party political purposes or exploited to promote eco- and battlefield-tourism. And finally the book contemplates the future of Zulu identity in a unitary South Africa seeking to embrace the forces of globalization.

Shaka Zulu Createspace Independent Pub

In a picture-book biography acclaimed for both its accuracy and beauty, Diane Stanley and Peter Vennema describe how Shaka, a brilliant military strategist, rose from humble beginnings to lead a mighty people nearly two centuries ago. It is an unforgettable story. "Stanley presents the life story of Shaka, a Zulu military genius who became king of his people in the eighteenth century....The illustrations are full-color paintings that convey a quiet intensity in their portrayal of Shaka and his people."--Booklist
