Can these biblical frenemies help this nun with a gun defeat an army of pissed off mythological gods? Only one thing's for sure - it's gonna be a wild ride Collecting the controversially-contagious Holy F*ck #1-4. *Boy's Club* Yearling

A fascinating tale of drugs, rock and roll, and adolescence from a legendary cartoonist Love and Rockets author Gilbert Hernandez returns with *Bumperhead*, a companion book to *Marble Season*. Whereas *Marble Season* explored the exuberant and occasionally troubled existence of the wide-eyed preteen Huey, *Bumperhead* zeroes in on disaffected teenhood with its protagonist Bobby, a young slacker who narrates his life as it happens but offers very little reflection on the events that transpire. Bobby lives in the moment exclusively and is incapable of seeing the world outside of his experiences. He comes of age in the 1970s, making a rapid progression through that era's different subcultures and in a short period of time segues from a stoner glam rocker to a drunk rocker to a speed-freak punk. He drifts in and out of relationships with friends, both male and female. Life zooms past him. Hernandez's approach captures the numbness and raw undirected anger and passion of a young man who waits for life to happen to him, not noticing all the while that it is happening. Subtle and thought-provoking, *Bumperhead* is a fascinating read.
