FINANCIAL MANAGEMENT - STUDY TEXT. Amvplus Advisory For the first time ever, the Toltec wisdom from the Ruiz family is bound together in a book of Daily Meditations. Readers are invited on a six-month journey of daily lessons with don Miguel Ruiz Jr. that are designed to inspire, nourish, and enlighten adherents as they travel along the Toltec path. Drawing on years of apprenticeship under his father and grandmother, don Miguel Ruiz Jr. shares Toltec lessons on Love, Faith, Agreements, and most importantly: Awareness. The purpose of each meditation is to guide readers into a deeper understanding of his or her self, as well as the world in which we live. In the introduction to the book, don Miguel Ruiz Jr. reminds readers that progress on the Toltec path is not measured by the acquisition of things, status, or even ideas, but rather the complete and total realization that everything in the world is perfect, exactly the way it is at this moment. "Love is accepting ourselves just the way we are, with all of our flaws and our ever-changing belief system. You are nothing else but who you are. You are not the person you were a year ago. You are not the person you will be in a year. You aren't even the person you think you are. You simply are, and that must be enough." —don Miguel Ruiz Jr. This book will have special appeal to those already familiar with his father's books *The Four Agreements*, *The Mastery of Love*, and *The Fifth Agreement*, as well as don Miguel Ruiz Jr.'s own book, *The Five Levels of Attachment*. It also makes a wonderful gift. *Enhancing Your Leadership Effectiveness in a Changing World* Springer
