BARRON ZAYDEN

Marcel Sternberger's Revelations in Photography Penguin Classics

This is a book for cinephiles, pure and simple. Author and filmmaker, Jim Piper, shares his vast knowledge of film and analyzes the most striking components of the best movies ever made. From directing to cinematography, from editing and music to symbolism and plot development, *The Film Appreciation Book* covers hundreds of the greatest works in cinema, combining history, technical knowledge, and the art of enjoyment to explain why some movies have become the most treasured and entertaining works ever available to the public, and why these movies continue to amaze viewers after decades of notoriety. Read about such classic cinematic masterpieces as *Citizen Kane*, *Gandhi*, *Midnight Cowboy*, *Easy Rider*, *True Grit*, *Gone With the Wind*, and *The Wizard of Oz*, as well as more recent accomplishments in feature films, such as *Requiem for a Dream*, *Munich*, *The King's Speech*, and *The Hurt Locker*. Piper breaks down his analysis for you and points out aspects of production that movie-lovers (even the devoted ones) would never recognize on their own. This book will endlessly fascinate, and by the time you get to the last chapter, you're ready to start all over again. In-depth analysis and thoughtful and wide-ranging film choices from every period of cinema history will ensure that you never tire of this reading companion to film. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater,

branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

An Open Invitation to Biological Anthropology Simon and Schuster Five poignant tales based in part on the author's experiences as a nurse during the Civil War: "Obtaining Supplies," "A Night," "My Contraband," "Happy Women," and "How I Went Out to Service."

Lucas' "The Art of Public Speaking" is the leading public speaking textbook in the field. Whether a novice or an experienced speaker when beginning the course, every student will learn how to be a better public speaker through Lucas' clear explanations. Creative activities, vivid examples, annotated speech samples, and foundation of classic and contemporary rhetoric provide students a strong understanding of public speaking. When instructors teach from this textbook, they benefit from Lucas' Integrated Teaching Package. The Annotated Instructor's Edition and Instructor's Manual, both written by Steve Lucas, provide teaching tips and give outlines on how to use the various supplements. As a result, instructors are able to see various teaching examples, how to integrate technology, and analyses and discussion questions for video clips in class. The Annotated Instructor's Edition, Instructor's Manual, Test Bank, CDs, videos, and other supplements provide instructors the tools needed to create a dynamic classroom. This edition has a supplement to meet the needs of online classes, *Teaching Public Speaking Online with The*

Art of Public Speaking.

The Forgotten (Animorphs #11) Dark Horse Comics

Wallis Simpson was the woman who stole the king's heart and rocked the monarchy - but she was not Edward VIII's first or only love. This book is about the women he adored before Wallis dominated his life. There was Rosemary Leveson Gower, the girl he wanted to marry and who would have made the perfect match for a future king; the Prince's long-term mistress, Freda Dudley Ward, who exerted a pull almost equal to Wallis over her lover, but abided by the rules of the game and knew she would never marry him. Then there was Thelma Furness, his twice-married American lover, who enjoyed a domestic life with him, but realised it could not last forever and demanded nothing more than to be his mistress. In each love affair, Edward behaved like a cross between a little boy lost and a spoilt child. Each one of the three women in this book could have changed the course of history. In examining their lives and impact on the heir to the throne, we question whether he ever really wanted to be king. *The Creative Awakening of a Great Artist* Simon and Schuster Welcome to Explorations and biological anthropology! An electronic version of this textbook is available free of charge at the Society for Anthropology in Community Colleges' webpage here: www.explorations.americananthro.org

He's Come Undone Perestroika in Paris

The definitive monograph on the pioneering photographer Marcel Sternberger, whose psychological portraits have defined the way we see the icons of recent history. Photographer Marcel Sternberger pioneered the technique of the "psychological portrait," and redefined the boundaries of portrait iconography in the twentieth century. Combining an interest in contemporary art and science with the desire to break free from the constraints of

conventional portraiture, Sternberger's pictures reveal as much about their author and their time as they do about their subjects. He photographed many of the most influential figures in art, science, and politics, ranging from Franklin Roosevelt and Albert Einstein to Frida Kahlo and George Bernard Shaw. Engaging his subjects—encouraging conversation, play, and gesture during photography—he elicited expressions of their characters that transformed his portraits into living works of art, and defined the public perception of his subjects' personas. With an introduction describing Sternberger's remarkable career and hundreds of unseen photographs, sketches, notes, and contact sheets, this is the first book to celebrate the work of one of the twentieth century's most important image-makers.

Tragedy of Titus Andronicus Speak

As a young girl, Willow watched her mother leave their home in Washington State in a literal blaze of glory: she set the mattress of her cheating husband on fire in her driveway, roasting marshmallow peeps and hot dogs before the fire department arrived. And with that, she and Willow set off to New Mexico, to a new life, to a world of arroyos and canyons bordering an Apache reservation. Willow was devastated. Her eccentric mother believed in this new life and set about starting a winery and goat ranch. But for Willow, it meant initially being bullied and feeling like an outsider. Today, as a grown woman, Willow much prefers Los Angeles and her job as a studio musician. But things tend to happen in threes: her mother dies, her boyfriend dumps her, and Willow discovers she is pregnant. The DeVine Winery and Goat Ranch is all she has left, even if it is in financial straits and unmanageable back taxes. There is something, though, about the call of "home." She's surprised to find that her Apache best friend Darrel along with the rest of the community seems to think she belongs far more than she ever thought she did. Can Willow redefine what home means for her, and can she make a go of the legacy her mother left behind? Told with Kaya McLaren's humor and heart, *The Road to Enchantment* is a story about discovering that the last thing you want is sometimes the one thing you need. "This is a potent coming of true age novel. One that gently leads us to leave behind all we imagined as lost, encourages us to embrace what adventure of the simple day lies ahead. *The Road to Enchantment* carries us into that place beyond the dark hour where the power of story reigns, truth will not be denied, and all

the magic of this life will be remembered." -River Jordan

Scenes for Teens Macmillan

Some secrets destroy you. Rob and Anna have only just met Owen and Kim. Now they've boarded their handsome old boat to travel to a far off island in the Caribbean. With only the four of them on board, it should be paradise: lazy afternoons spent snorkelling; long nights enjoying the silence and solitude of the sea. But ten days is a long time to spend with strangers. Especially when one of them carries a secret.

A Novel Argentum Press

The riveting story of how three years spent in the United States transformed Frida Kahlo into the artist we know today "[An] insightful debut....Featuring meticulous research and elegant turns of phrase, Stahr's engrossing account provides scholarly though accessible analysis for both feminists and art lovers." —Publisher's Weekly Mexican artist Frida Kahlo adored adventure. In November, 1930, she was thrilled to realize her dream of traveling to the United States to live in San Francisco, Detroit, and New York. Still, leaving her family and her country for the first time was monumental. Only twenty-three and newly married to the already world-famous forty-three-year-old Diego Rivera, she was at a crossroads in her life and this new place, one filled with magnificent beauty, horrific poverty, racial tension, anti-Semitism, ethnic diversity, bland Midwestern food, and a thriving music scene, pushed Frida in unexpected directions. Shifts in her style of painting began to appear, cracks in her marriage widened, and tragedy struck, twice while she was living in Detroit. Frida in America is the first in-depth biography of these formative years spent in Gringolandia, a place Frida couldn't always understand. But it's precisely her feelings of being a stranger in a strange land that fueled her creative passions and an even stronger sense of Mexican identity. With vivid detail, *Frida in America* recreates the pivotal journey that made Senora Rivera the world famous Frida Kahlo.

A Pussy Riot Guide to Activism Simon and Schuster

"Stylish, striking, and elegantly packaged...as indispensable to confronting, say, your domineering mother-in-law or your local city council as it is to helping foment an ongoing and ever-escalating insurrection against, say, a sexist, racist, nepotistic power-mad oligarchy threatening to destroy democracy as we know it...My advice: Buy one"--VOGUE From artist, activist, and

Pussy Riot founder Nadya Tolokonnikova, a guerilla guide to radical protest and joyful political resistance The face of modern protest is wearing a brightly colored ski mask. Nadya Tolokonnikova, founding member of the Russian activist group Pussy Riot, is a creative activist, professional protestor, brazen feminist, shocking visual artist, and force to be reckoned with. Her spontaneous, explosive approach to political action has involved jumping over barbed wire, kissing police officers, giving guerilla performances in crowded subway cars, and going on a hunger strike to protest the abuse of prisoners. She's been horse-whipped by police in Sochi, temporarily blinded when officers threw green paint in her eyes, and monitored by the Russian government. But what made Nadya an activist icon overnight happened on February 21, 2012, when she was arrested for performing an anti-Putin protest song in a Moscow church. She was sent to a Russian prison for 18 months and emerged as an international symbol of radical resistance, as calls to "Free Pussy Riot" resounded around the world. With her emblematic ski mask, black lipstick, and unwavering bravery, Nadya has become an emissary of hope and optimism despite overwhelming and ugly political corruption. *Read & Riot* is structured around Nadya's ten rules for revolution (Be a pirate! Make your government shit its pants! Take back the joy!) and illustrated throughout with stunning examples from her extraordinary life and the philosophies of other revolutionary rebels throughout history. Rooted in action and going beyond the typical "call your senator" guidelines, *Read & Riot* gives us a refreshing model for civil disobedience, and encourages our right to question every status quo and make political action exciting—even joyful.

#1 NEW YORK TIMES BESTSELLER • NOW A NETFLIX ORIGINAL

SERIES With a career, a boyfriend, and a loving family, Piper Kerman barely resembles the reckless young woman who delivered a suitcase of drug money ten years before. But that past has caught up with her. Convicted and sentenced to fifteen months at the infamous federal correctional facility in Danbury,

Connecticut, the well-heeled Smith College alumna is now inmate #11187-424—one of the millions of people who disappear “down the rabbit hole” of the American penal system. From her first strip search to her final release, Kerman learns to navigate this strange world with its strictly enforced codes of behavior and arbitrary rules. She meets women from all walks of life, who surprise her with small tokens of generosity, hard words of wisdom, and simple acts of acceptance. Heartbreaking, hilarious, and at times enraging, Kerman’s story offers a rare look into the lives of women in prison—why it is we lock so many away and what happens to them when they’re there. Praise for *Orange Is the New Black* “Fascinating . . . The true subject of this unforgettable book is female bonding and the ties that even bars can’t unbind.”—People (four stars) “I loved this book. It’s a story rich with humor, pathos, and redemption. What I did not expect from this memoir was the affection, compassion, and even reverence that Piper Kerman demonstrates for all the women she encountered while she was locked away in jail. I will never forget it.”—Elizabeth Gilbert, author of *Eat, Pray, Love* “This book is impossible to put down because [Kerman] could be you. Or your best friend. Or your daughter.”—Los Angeles Times “Moving . . . transcends the memoir genre’s usual self-centeredness to explore how human beings can always surprise you.”—USA Today “It’s a compelling awakening, and a harrowing one—both for the reader and for Kerman.”—Newsweek

The Serpent King Read Books Ltd

This volume highlights contemporary literature from throughout the Pacific hemisphere, featuring prose by writers from the Philippines, Malaysia, the People's Republic of China, Korea, and the US, including Native Americans and Pacific islanders.

Amadeus Rizzoli Publications

The articles collected in this volume from the two companion Arts Special Issues, “The Machine as Art (in the 20th Century)” and “The Machine as Artist (in the 21st Century)”, represent a unique scholarly resource: analyses by artists, scientists, and engineers, as well as art historians, covering not only the current (and

astounding) rapprochement between art and technology but also the vital post-World War II period that has led up to it; this collection is also distinguished by several of the contributors being prominent individuals within their own fields, or as artists who have actually participated in the still unfolding events with which it is concerned

The Film Course You Always Wanted to Take HarperCollins

A story of first love and family loss follows the estrangement between daredevil Jude and her loner twin brother, Noah, as a result of a mysterious event that is brought to light by a beautiful, broken boy and a new mentor. Simultaneous eBook.

A New York Times Bestseller! Featured in Oprah Magazine's Holiday Gift Guide Recommended by Rachael Ray as the perfect holiday gift Featured in InStyle's Holiday Gift Guide Juno Valentine’s favorite shoes don’t light up. They don’t have wheels. They are, to be perfectly honest, the tiniest bit boring. But they’re still her favorite muddy-puddle-jumping, everyday-is-an-adventure shoes. One day, when they go missing, Juno discovers something amazing: a magical room filled with every kind of shoe she could possibly imagine! Juno embarks on an epic journey through time and space, stepping into the shoes of female icons from Frida Kahlo and Cleopatra to Lady Gaga and Serena Williams. Each pair of shoes Juno tries brings a brand new adventure—and a step towards understanding that her very own shoes might be the best shoes of all. Parents and children alike will adore Instagram superstar Eva Chen's precocious debut picture book *Juno Valentine and the Magical Shoes*—a story that’s equal parts fashion fairy-tale and guide to girl power—and fall in love with the brilliantly spirited Juno Valentine. Praise for *Juno Valentine and the Magical Shoes*: “[A] fresh take on a fairy tale.” —Forbes.com “Those who are 3, 13, or 30 can all enjoy the book.” —Vogue.com “Not only does this book pay homage to some of history's greatest women, it also gives them snaps for their fashion sense.” —Romper

[Orange Is the New Black](#) Ember

An expert on women's reproductive mental health examines the emotional and hormonal changes that take place in pregnant women at every stage of the cycle, from pre-conception, through each trimester of a pregnancy, to the postpartum period, covering such areas as medications and pregnancy, eating disorders, bonding with one's baby, depression, and more.

My Year in a Women's Prison Playscripts Incorporated

Running late for work one morning in September 1994, Tom Hargrove, communications director for an international agricultural aid organization in Cali, Colombia, was mildly annoyed when he spotted a roadblock, or reten, manned by soldiers in fatigues. He chafed at the delay, but told himself that guerrillas and kidnappers didn't operate on a main highway in broad daylight. But Hargrove had been dreadfully mistaken. Despite his assertions that he worked for a non-profit agricultural agency, he was forced at gunpoint into a vehicle and driven into the mountains by communist narco-terrorists who believed he was a valuable hostage. For almost a year, Hargrove was held by the guerillas and moved from one remote location to another. To maintain his grip on sanity, he recorded his daily experiences in makeshift journals: in a checkbook; on children's notebooks; and on scraps of paper scrounged during his ordeal. Hargrove's story, originally published in 1995, was the basis for the major motion picture *Proof of Life*, starring Russell Crowe and Meg Ryan. Now available again in paperback, *Long March to Freedom* chronicles one man's spirited determination to hang onto life and faith amid nearly impossible circumstances.

Actor's Choice McGraw-Hill College

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt
