Saur, 1999: Morgenblatt für gebildete Stände, gebildete Leser Minotaur Books
Winner of the Christianity Today 2017 Book Award! Before he became a father of the Christian Church, Augustine of Hippo loved a woman whose name has been lost to history. This is her story. She met Augustine in Carthage when she was seventeen. She was the poor daughter of a mosaic-layer; he was a promising student and heir to a fortune. His brilliance and passion intoxicated her, but his social class would be forever beyond her reach. She became his concubine, and by the time he was forced to leave her, she was thirty years old and the mother of his son. And his Confessions show us that he never forgot her. She was the only woman he ever loved. In a society in which classes rarely mingle on equal terms, and an unwed mother can lose her son to the burgeoning career of her ambitious lover, this anonymous woman was a first-hand witness to Augustine's anguished spiritual journey from secretive religious cultist to the celebrated Bishop of Hippo. Giving voice to one of history's most mysterious women, The Confessions of X tells the story of Augustine of Hippo's nameless lover, their relationship before his famous conversion, and her life after his rise to fame. A tale of womanhood, faith, and class at the end of antiquity, The Confessions of X is more than historical fiction . . . it is a timeless story of love and loss in the shadow of a theological giant.

Reverence for J. S. Bach's music and its towering presence in our cultural memory have long affected how people hear his works. In his own time, however, Bach stood as just another figure among a number of composers, many of them more popular with the music-loving public. Eschewing the great composer style of music history, Andrew Talle takes us on a journey that looks at how ordinary people made music in Bach's Germany. Talle focuses in particular on the culture of keyboard playing as lived in public and private. As he ranges through a wealth of documents, instruments, diaries, account ledgers, and works of art, Talle brings a fascinating cast of characters to life. These individuals--amateur and professional performers, patrons, instrument builders, and listeners--inhabited a lost world, and Talle's deft expertise teases out the diverse roles music played in their lives and in their relationships with one another. At the same time, his nuanced re-creation of keyboard playing's social milieu illuminates the era's reception of Bach's immortal works.

A journey into the mindset of a historic basketball superstar, and the importance of his landmark career. The seven-foot Dirk Nowitzki is one of the greatest players in basketball history. The Dallas Maverick's legend revolutionized the sport, redefining the role of the big man in the modern game. Dirk moved differently: flexible and fast, confident and in control. He thought differently, too. On the court, his shots were masterful—none more venerated than his signature one-legged flamingo fadeaway, a move that lives on in the repertoire of today's most skilled NBA players. How did this

lanky kid from the German suburbs become an all-time top ten scorer and NBA champion? How can a superstar stay so humble? Award-winning novelist and sportswriter Thomas Pletzinger spent over seven years traveling with Nowitzki. He witnessed Dirk's summer workouts, involving fingertip pushups and the study of the physics, and spent days discussing literature and philosophy with Holger Geschwindner, Dirk's enigmatic mentor and coach. Watching Nowitzki in empty gyms and in packed arenas with 30,000 fans, Pletzinger began to understand how Dirk and Holger's philosophical insights on performance, creativity, and freedom enabled his success and longevity. The Great Nowitzki tells Dirk's dramatic story like never before. Pletzinger describes Dirk's youth in small-town Germany, follows the steep learning curve of Dirk's early seasons, the devastating Finals loss to the Miami Heat, and the triumphant championship five years later. Traveling with Dirk in his final seasons, Pletzinger immerses himself in the community of people impacted by Nowitzki's game, interviewing everyone from average fans in Dallas and security guards at the arena to front office executives and Hall of Fame teammates, who reflect on what Dirk's career means to the next generation of ballplayers. And to the game itself. A masterpiece of sports writing that reads like a novel, The Great Nowitzki brims with a fan's passion. Pletzinger shows how strongly basketball influences our imagination and the extraordinary journey an icon like Dirk Nowitzki must take to reach the pinnacle of the game.

I have been standing on the side of life, watching it float by. I want to swim in the river. I want to feel the current. So writes Mamah Borthwick Cheney in her diary as she struggles to justify her clandestine love affair with Frank Lloyd Wright. Four years earlier, in 1903, Mamah and her husband, Edwin, had commissioned the renowned architect to design a new home for them. During the construction of the house, a powerful attraction developed between Mamah and Frank, and in time the lovers, each married with children, embarked on a course that would shock Chicago society and forever change their lives. In this ambitious debut novel, fact and fiction blend together brilliantly. While scholars have largely relegated Mamah to a footnote in the life of America's greatest architect, author Nancy Horan gives full weight to their dramatic love story and illuminates Cheney's profound influence on Wright. Drawing on years of research, Horan weaves little-known facts into a compelling narrative, vividly portraying the conflicts and struggles of a woman forced to choose between the roles of mother, wife, lover, and intellectual. Horan's Mamah is a woman seeking to find her own place, her own creative calling in the world. Mamah's is an unforgettable journey marked by choices that reshape her notions of love and responsibility,

leading inexorably ultimately lead to this novel's stunning conclusion. Elegantly written and remarkably rich in detail, *Loving Frank* is a fitting tribute to a courageous woman, a national icon, and their timeless love story. **BONUS:** This edition includes an excerpt from Nancy Horan's *Under the Wide and Starry Sky*. Advance praise for *Loving Frank*: "Loving Frank is one of those novels that takes over your life. It's mesmerizing and fascinating—filled with complex characters, deep passions, tactile descriptions of astonishing architecture, and the colorful immediacy of daily life a hundred years ago—all gathered into a story that unfolds with riveting urgency." —Lauren Belfer, author of *City of Light* "This graceful, assured first novel tells the remarkable story of the long-lived affair between Frank Lloyd Wright, a passionate and impossible figure, and Mamah Cheney, a married woman whom Wright beguiled and led beyond the restraint of convention. It is engrossing, provocative reading." —Scott Turow "It takes great courage to write a novel about historical people, and in particular to give voice to someone as mythic as Frank Lloyd Wright. This beautifully written novel about Mamah Cheney and Frank Lloyd Wright's love affair is vivid and intelligent, unsentimental and compassionate." —Jane Hamilton "I admire this novel, adore this novel, for so many reasons: The intelligence and lyricism of the prose. The attention to period detail. The epic proportions of this most fascinating love story. Mamah Cheney has been in my head and heart and soul since reading this book; I doubt she'll ever leave." —Elizabeth Berg
