The Chase Chasing Romance, Inc.
 "Vivid and charming."—CHARLAINE HARRIS, #1 New York Times bestselling author of the Sookie Stackhouse series Injured in the line of duty, His orders are simple: Stay alive. But when a frightened woman bursts into his life, Hugh and his K9 companion have no choice but to risk everything to keep her safe. The sole witness to a horrific crime, Kaylee Ramay flees to the Colorado Rockies to start a new life. There she becomes Grace, a dog kennel employee desperately trying to avoid attention-especially from dangerously

attractive K9 Officer Hugh Murdoch. Because Hugh is tall, dark...and nothing but trouble. Hugh is anxious to get back in the field after an act of heroism left him warming the bench. Until then, he and his K9 partner Lexi spend their hours teasing the town's mysterious newcomer. But when their simmering attraction is nearly cut short by a sniper's bullet, Hugh's mystery woman must come clean about the secrets she keeps... Or both of them will pay the price. "Gripping suspense, unique heroines, sexy heroes." —CHRISTINE FEEHAN, #1 New York Times Bestselling Author Rocky Mountain K-9 Unit Series: Run to Ground (Book 1) On the Chase (Book 2) Survive the Night (Book 3) Through the Fire (Book 4) What People Are

Saying: "I love Ruggle's characters. They're sharply drawn, and vividly alive. I'm happy when they find each other. These are wonderful escapist books."—CHARLAINE HARRIS, #1 New York Times Bestselling author of the Sookie Stackhouse series "Sexy and suspenseful, I couldn't turn the pages fast enough."—JULIE ANN WALKER, New York Times and USA Today Bestselling Author for Hold Your Breath "Chills and thrills and a sexy slow-burning romance from a terrific new voice."—D.D. The Chase (US Marshals Book #2) Puffin Canada
 Finalist of the 2019 International Digital

Awards *** Samantha Callahan fights hard to succeed in a man's world. At the top of her game with a promotion nearly in her grasp, nothing can stand in her way, not even greedy competitors or a crashed laptop. So, an overdue and well-deserved vacation to the beach with the girls shouldn't put her on edge. But perhaps Sam's head has been down in the trenches for so long, she's forgotten how to enjoy life. Chase Bradshaw is the classic hottie next door—a nice man who happens to surf as well as he sizzles in the bedroom. He ditched corporate America for the stress-free salt life, and to follow his dreams. When Sam walks onto his beach, he can practically see the uptight personality oozing from her pores. The woman looks like she could use something other than work to keep her up at night. Lucky for her, Chase is just the man to coax the conservative right out of her.

What Makes a Difference for Children? Scholastic Inc.

US Marshals Madison James and Jonas Quinn are thrust into a high-profile case when they are called on to transport two prisoners across the

country on a private plane. But when the plane experiences engine trouble en route from the Pacific Northwest to Colorado, the pilots crash-land the aircraft deep in the heart of the sprawling Salmon-Challis National Forest. When Madison and Jonas regain consciousness, they find both pilots and one prisoner dead—and one fugitive on the run. They'll have to negotiate the rugged and remote backcountry through Idaho, Wyoming, and Colorado while tracking a murderer who is desperate to disappear—and will do anything to stop them. This high-octane game of cat-and-mouse from bestselling and award-winning author Lisa Harris will have your heart pumping as you try to catch a fugitive with nothing to lose.

Get ready to run . . . an edge-of-your-seat thriller with bite from international bestselling author Linwood Barclay, in his first novel for 9-12 year olds. Chipper is a very special dog. As part of a top-secret, multi-million dollar experiment to create the ultimate canine spy technology, Chipper's whole life has

been spent within the walls of a secret organization known only as The Institute. Chipper is supposed to be more machine than mutt, but something's wrong and The Institute knows it. He's about to be terminated. Across the state, twelve-year-old orphan Jeff Conway is working all hours at his aunt Flo's lakeside cabin business. He misses his parents, his old life, and the dog he had to leave behind. When Chipper escapes and his and Jeff's paths collide, dog and boy find themselves tangled up in the most dangerous game of chase imaginable... Winner of the Arthur Ellis award for Best Kid's Crime Novel *Danger*, secrets and thrilling suspense in Linwood Barclay's action-packed first novel for children.

Lionboy: The Chase
Cambridge University Press

"One of the finest and most delightful writers in romance." –Mary Jo Putney
A charming, traditional Regency romance from New York Times bestselling author, Loretta Chase! "What's gotten into you, dashing about to make a man's poor, tired head spin?...

Oh, all right. I'll chase you if you like." He started to get up, changed his mind, and slumped back against the pillow. "Only it's such a bother." Catherine Pelliston has just escaped a forced marriage to an obnoxious friend of her unreliable father; and now she's truly in the soup; kidnapped and helpless in a London brothel! And though she's been rescued by the very inebriated Max

Demowery, Viscount Rand, she may be in even greater danger of falling in love with the shockingly outrageous, scandalously improper Viscount Vagabond!

Escape Revell
NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack

stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love.

Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

Where the Crowds Sing HarperCollins

PRAISE FOR ENEMY IN BLUE "The plot is as gripping as it is chilling. The story flows smoothly, and each chapter ends with the perfect amount of suspense to keep you wanting more. A fantastic and exciting read, as I could not put the book down." -B.Burton "A great first thriller for this young

author. I would compare this story to John Grisham's book of "The Innocent Man." It is that captivating and more." - M. Bautista "You know a book is good when you are not an avid reader but you discover you don't want to put a book down."

-E. Streible BOOK DESCRIPTION The streets aren't safe when your enemy wears a blue uniform and a gold badge. What if the good guys weren't good? What if a cop went rogue and killed an innocent man? What if it was all caught on video and the cop would do anything to cover it up?

MORE PRAISE FOR ENEMY IN BLUE "Much like the script of an action-packed movie, Enemy in Blue will buffet you from one hair-raising scene to another -- and will always leave you pondering, who's the real enemy?" -L.Capritta "This novel took me out of my comfort zone and placed me in the shoes of many people in America who live in fear. Overall, it was excellent and I highly recommend it." -Dolores M. "I can honestly say that I could not put this book down " -L. Rivera "I can not believe all the places you go and the points of view you have as you consume these pages. If you are looking for a great

read, look no further " - S.Seitz "Enemy in Blue grabbed me from page one and didn't let go until the last page was turned. I had to keep reminding myself that this was a debut novel.... because it read like many of the seasoned legal thriller authors that I love to read and get lost in." -K.Velte For anyone that craves an action-packed thriller and can't get their fill of John Grisham, Dean Koontz or James Patterson...ENEMY IN BLUE is your next escape "For action, body-count and digging into the underworld of police politics - this is really a great read. However, I think the best asset of the novel is the incredible drawing of the antagonist - the evil Sergeant Shaver really shines."

SOON TO BE A MAJOR MOTION PICTURE—The #1 New York Times bestselling worldwide sensation with more than 12 million copies sold, "a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature"(The New York Times Book Review), now in paperback for the first time. For years, rumors of the "Marsh Girl" have

haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life--until the unthinkable happens.

Where the Crawdads Sing is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

"Chipper is a very special dog. He's part of a multi-million-dollar experiment at a secret organization known only as The Institute. The Institute has been experimenting with dogs, melding them with state-of-the-art computer technology. But there's a problem with Chipper. His natural dog instincts often overrule his computer side. No matter what he's doing, if he sees a squirrel or a mouse, he'll drop everything to chase it. So The Institute has decided it's time to pull the plug on Chipper. Chipper manages a daring escape with a destination in mind, but a team from The Institute, led by the cold-hearted Daggert, is hot on his heels. Twelve-year-old Jeff Conroy lives with his

aunt and helps run her lakeside cabin-rental business. Jeff desperately misses his parents, who were killed in a plane crash a year earlier. But at least he's made one friend: Emily, a computer whiz, has the coolest fort ever: a trackless, abandoned train station in the middle of the forest. After eluding his would-be captors, Chipper boards a bus to the country that ends up taking him to Jeff and Emily, discover a computer port in Chipper's collar. Chipper's arrival is not random, it turns out. He has been looking for Jeff - and now so is Daggert ..."--
