## **JUSTICE RODGERS**

---

*A Guessing-game Story*  
John Wiley & Sons  
From a New York Times  
bestselling author and  
Caldecott-honor  
winning artist comes  
an exuberant  
illustrated story about  
playing dress up,  
having fun, and feeling  
free. The boy loves to

be naked. He romps  
around his house  
naked and wild and  
free. Until he romps  
into his parents' closet  
and is inspired to get  
dressed. First he tries  
on his dad's clothes,  
but they don't fit well.  
Then he tries on his  
mom's clothes, and  
wow! The boy looks  
great. He looks through  
his mom's jewelry and  
makeup and tries that

on, too. When he's discovered by his mother and father, the whole family (including the dog!) get in on the fun, and they all get dressed together. This charming and humorous story was inspired by bestselling and award-winning author Peter Brown's own childhood, and highlights nontraditional gender roles and self-expression.

Worn JLML Press

The ultimate guide for parents who dream of having a little less chaos and a lot more time for the good things in life. Written by mother of five, Nicole Avery, this book shows harried parents how, with just a bit of planning, family life can become easier to manage, less stressful, and decidedly more

fun. "Dream on," you say? "I might as well try to herd cats as to get my kids to follow a lot of arbitrary rules!" And Nicole would agree, which is why *Planning with Kids* isn't like any other parenting guide out there. It was inspired by Nicole's blog of the same name, which, over the past three years, has garnered a huge audience of likeminded parents who have achieved nothing short of miraculous results following her advice. While other prescriptive guides offer mums and dads cook-cutter solutions to the challenges of raising kids, this handbook focuses on one simple, straightforward idea: by implementing a few simple strategies for

how you do things, you'll make more time for you to be you and your kids to be kids. You'll find strategies for streamlining and enhancing everything from the routines of daily life, to family relationships, to budgeting and finances, playtime and much more! Contains a full section on menus and cooking, including recipes, supported online by a planning-with-family meal planner Divided into sections so that readers can dip-in and dip-out for information as they need it as their family expands and grows up!

### **I Get Dressed**

Pantheon

\*A Financial Times Book of the Year\* 'The first time I opened What Artists Wear, I gasped with pleasure. Imagine it as a kind of punk cousin to John Berger's Ways of Seeing, liberally illustrated with the most astonishing images of artists, decked out in finery or rags ... It transported me to somewhere glamorous, exciting, even revolutionary' Olivia Laing, Guardian  
Most of us live our lives in our clothes without realizing their power. But in the hands of artists, garments reveal themselves. They are pure tools of

expression, storytelling, resistance and creativity: canvases on which to show who we really are. In What Artists Wear, style luminary Charlie Porter takes us on an invigorating, eye-opening journey through the iconic outfits worn by artists, in the studio, on stage, at work, at home and at play. From Yves Klein's spotless tailoring to the kaleidoscopic costumes of Yayoi Kusama and Cindy Sherman; from Andy Warhol's signature denim to Charlotte Prodger's casualwear, Porter's roving eye picks out the magical, revealing details in the clothes he encounters, weaving together a new way of understanding artists, and of dressing

ourselves. Part love letter, part guide to chic, and featuring generous photographic spreads, *What Artists Wear* is both a manual and a manifesto, a radical, gleeful, inspiration to see the world anew-and find greater pleasure and possibility in the clothes we all wear.

get dressed! Maggie will help. Michael knows where each piece of colorful clothing should go. Yellow socks on feet, brown hat on head. But who will end up wearing the blue pants?

*We Can Get Dressed*

Campbell Books

A feminist musician icon, Viv Albertine reveals the rocking, uncompromising story of her life on the front lines at the birth of the British punk movement and beyond in this exciting, humorous, and inspiring memoir.

Selected by the New York Times as one of the 50 Best Memoirs of the Past 50 Years Viv Albertine is a pioneer. As lead guitarist and songwriter for the seminal band The Slits, she influenced a future generation of artists

including Kurt Cobain and Carrie Brownstein. She formed a band with Sid Vicious and was there the night he met Nancy Spungeon. She tempted Johnny Thunders...toured America with the Clash...dated Mick Jones...and inspired the classic Clash anthem "Train in Vain." But Albertine was no mere muse. In *Clothes, Clothes, Clothes. Music, Music, Music. Boys, Boys, Boys.*, Albertine delivers a unique and unfiltered look at a traditionally male-dominated scene. Her story is so much more than a music memoir. Albertine's narrative is nothing less than a fierce correspondence from a life on the fringes of culture. The author recalls rebelling from conformity and

patriarchal society ever since her days as an adolescent girl in the same London suburb of Muswell Hill where the Kinks formed. With brash honesty—and an unforgiving memory—Albertine writes of immersing herself into punk culture among the likes of the Sex Pistols and the Buzzcocks. Of her devastation when the Slits broke up and her reinvention as a director and screenwriter. Or abortion, marriage, motherhood, and surviving cancer. Navigating infidelity and negotiating divorce. And launching her comeback as a solo artist with her debut album, *The Vermilion Border. Clothes, Clothes, Clothes. Music, Music, Music. Boys, Boys, Boys.* is a

raw chronicle of music, fashion, love, sex, feminism, and more that connects the early days of punk to the Riot Grrl movement and beyond. But even more profoundly, Viv Albertine's remarkable memoir is the story of an empowered woman staying true to herself and making it on her own in the modern world.

[How to Use Fashion Psychology to Take Your Look -- and Your Life -- to the Next Level](#)

Room to Read

The reader is asked to guess, by looking at pictures of clothes, what Bear will wear when he goes outside in different types of weather. Foldout pages reveal the proper attire.

*Scientists Get Dressed*

Usborne Pub Limited

A duo of men's fashion

and contemporary culture experts present a witty, entertaining account of the modern gentleman through vivid illustrations. Two confirmed men's style specialists have crafted a humorous guide for navigating the perilous waters of modern life. This style bible offers wry and witty advice for every situation imaginable and keys to understanding masculine style à la française. Men today are faced with myriad choices that reflect on their personal style, and it can be baffling to know what to do. What role should you take on at a barbecue? Would Marcello Mastroianni have puffed on an electronic cigarette? What can you steal from Kurt Cobain's style? Why does wearing a

turtleneck exude such masculinity? Should you hit the sidewalk on a hoverboard? What should you wear to cast your vote on election day? How to Be Suave in Every Situation is the ultimate guide to a tasteful and sophisticated life. Laying down the law on style and proper decorum for men of the twenty-first century, this volume enlightens the male population with the

secrets to becoming a cultured, contemporary gentleman. The ultimate sartorial and etiquette guide, illustrated by Jean-Philippe Delhomme, this book is required reading for men of all ages.
