Responsibility. Courage. Compassion. Honesty. Friendship. Persistence. Faith. Everyone recognizes these traits as essentials of good character. In order for our children to develop such traits, we have to offer them examples of good and bad, right and wrong. And the best places to find them are in great works of literature and exemplary stories from history. William J. Bennett has collected hundreds of stories in *The Book of Virtues*, an instructive and inspiring anthology that will help children understand and develop character -- and help adults teach them. From the Bible to American history, from Greek mythology to English poetry, from fairy tales to modern fiction, these stories are a rich mine of moral literacy, a reliable moral reference point that will help anchor our children and ourselves in our culture, our history, and our traditions -- the sources of the ideals by which we wish to live our lives. Complete with instructive introductions and notes, *The Book of Virtues* is a book the whole family can read and enjoy - and learn from -- together.

A Pace of Grace Penguin

A Kirkus Prize nominee and Stonewall Honor winner with 5 starred reviews! A New York Times bestseller! Named one of the best books of 2017 by NPR and the New York Public Library! "The queer teen historical you didn't know was missing from your life."—Teen Vogue "A stunning powerhouse of a story."—School Library Journal "A gleeful romp through history."—ALA Booklist A young bisexual British lord embarks on an unforgettable Grand Tour of Europe with his best friend/secret crush. An 18th-century romantic adventure for the modern age written by This Monstrous Thing author Mackenzi Lee—Simon vs. the Homo Sapiens Agenda meets the 1700s. Henry “Monty” Montague doesn't care that his roguish passions are far from suitable for the gentleman he was born to be. But as Monty embarks on his grand tour of Europe, his quests for pleasure and vice are in danger of coming to an end. Not only does his father expect him to take over the family's estate upon his return, but Monty is also nursing an impossible crush on his best friend and traveling companion, Percy. So Monty vows to make this yearlong escapade one last hedonistic hurrah and flirt with Percy from Paris to Rome. But when one of Monty's reckless decisions turns their trip abroad into a harrowing manhunt, it calls into question everything he knows, including his relationship with the boy he adores. Witty, dazzling, and intriguing at every turn, *The Gentleman's Guide to Vice and Virtue* is an irresistible romp that explores the undeniably fine lines between friendship and love. Don't miss Felicity's adventures in *The Lady's Guide to Petticoats and Piracy*, the highly anticipated sequel!

The Gentleman's Guide to Vice and Virtue Penguin

What do indoor picnics and funny face contests have to do with loving Jesus? More than you realize! As a mom in the throes of parenting, Courtney DeFeo believes that instilling virtues in children starts with laughter, not lecture. That perspective propelled her to create this idea-packed book, in which she offers motivating reflections, real-life stories, and a sandbox full of inventive ways to help you turn your kids' hearts toward God. Each chapter focuses on one virtue that is key for developing your child's character. Along with insights into how this virtue plays out in the nitty-gritty of life, Courtney includes a memory verse, activity ideas, and discussion questions to reinforce that virtue throughout the month. Here you'll find a full year of ways to draw your children closer to God through delightful antics like Family Olympics, One Fancy Feast, and Light 'Em Up. In *This House, We Will Giggle* shows you how to capture the hearts of your children through fun—so that they experience the goodness of Christ, the joy of following Him, and the difference they can make in the lives of others. (Water balloons not included!)

The Family Virtues Guide Hyperion

A new friend could be sitting right next to you. Save Me a Seat joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content!Joe and Ravi might be from very different places, but they're both stuck in the same place: SCHOOL.Joe's lived in the same town all his life, and was doing just fine until his best friends moved away and left him on his own. Ravi's family just moved to America from India, and he's finding it pretty hard to figure out where he fits in.Joe and Ravi don't think they have anything in common -- but soon enough they have a common enemy (the biggest bully in their class) and a common mission: to take control of their lives over the course of a single crazy week.

Family Virtues TarcherPerigee

Candlewick relaunches a modern classic for this generation with a beautifully illustrated edition. Heather's favorite number is two. She has two arms, two legs, and two pets. And she also has two mommies. When Heather goes to school for the first time, someone asks her about her daddy, but Heather doesn't have a daddy. Then something interesting happens. When Heather and her classmates all draw pictures of their families, not one drawing is the same. It doesn't matter who makes up a family, the teacher says, because "the most important thing about a family is that all the people in it love one another." This delightful edition for a new generation of young readers features fresh illustrations by Laura Cornell and an updated story by Lesléa Newman.

In This House, We Will Giggle The Church of Jesus Christ of Latter-day Saints

Now in 15 languages. Understand the different types of upsets and traumas your child may experience—and learn how to teach them how to be resilient, confident, and even joyful. The number of anxious, depressed, hyperactive and withdrawn children is staggering—and still growing! Millions

have experienced bullying, violence (real or in the media), abuse or sexual molestation. Many other kids have been traumatized from more “ordinary” ordeals such as terrifying medical procedures, accidents, loss and divorce. *Trauma-Proofing Your Kids* sends a lifeline to parents who wonder how they can help their worried and troubled children now. It offers simple but powerful tools to keep children safe from danger and to help them “bounce back” after feeling scared and overwhelmed. No longer will kids have to be passive prey to predators or the innocent victims of life's circumstances. In addition to arming parents with priceless protective strategies, best-selling authors Dr. Peter A. Levine and Maggie Kline offer an antidote to trauma and a recipe for creating resilient kids no matter what misfortune has besieged them. *Trauma-Proofing Your Kids* is a treasure trove of simple-to-follow “stress-busting,” boundary-setting, sensory/motor-awareness activities that counteract trauma's effect on a child's body, mind and spirit. Including a chapter on how to navigate the inevitable difficulties that arise during the various ages and stages of development, this ground-breaking book simplifies an often mystifying and complex subject, empowering parents to raise truly confident and joyful kids despite stressful and turbulent times.

#1 NEW YORK TIMES BESTSELLER • Brené Brown has taught us what it means to dare greatly, rise strong, and brave the wilderness. Now, based on new research conducted with leaders, change makers, and culture shifters, she's showing us how to put those ideas into practice so we can step up and lead. Don't miss the five-part HBO Max docuseries Brené Brown: Atlas of the Heart! NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BLOOMBERG Leadership is not about titles, status, and wielding power. A leader is anyone who takes responsibility for recognizing the potential in people and ideas, and has the courage to develop that potential. When we dare to lead, we don't pretend to have the right answers; we stay curious and ask the right questions. We don't see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don't avoid difficult conversations and situations; we lean into vulnerability when it's necessary to do good work. But daring leadership in a culture defined by scarcity, fear, and uncertainty requires skill-building around traits that are deeply and uniquely human. The irony is that we're choosing not to invest in developing the hearts and minds of leaders at the exact same time as we're scrambling to figure out what we have to offer that machines and AI can't do better and faster. What can we do better? Empathy, connection, and courage, to start. Four-time #1 New York Times bestselling author Brené Brown has spent the past two decades studying the emotions and experiences that give meaning to our lives, and the past seven years working with transformative leaders and teams spanning the globe. She found that leaders in organizations ranging from small entrepreneurial startups and family-owned businesses to nonprofits, civic organizations, and Fortune 50 companies all ask the same question: How do you cultivate braver, more daring leaders, and how do you embed the value of courage in your culture? In this new book, Brown uses research, stories, and examples to answer these questions in the no-BS style that millions of readers have come to expect and love. Brown writes, “One of the most important findings of my career is that daring leadership is a collection of four skill sets that are 100 percent teachable, observable, and measurable. It's learning and unlearning that requires brave work, tough conversations, and showing up with your whole heart. Easy? No. Because choosing courage over comfort is not always our default. Worth it? Always. We want to be brave with our lives and our work. It's why we're here.” Whether you've read *Daring Greatly* and *Rising Strong* or you're new to Brené Brown's work, this book is for anyone who wants to step up and into brave leadership.

The Adventures of Mali and Keela Scholastic Inc.

In today's anxiety-ridden, stress-infused world, even a moment of quiet reflection has become a time-consuming luxury most of us just can't afford. How did we reach this point? How did we lose our direction and sense of control? And, most important, how can we reclaim our lives? Linda Kavelin Popov asked herself these same questions, after the pressures of her own workaholic lifestyle nearly destroyed her. Now, as cofounder of the International Virtues Project she helps others achieve a pace of grace—a pace for our lives that can balance and sustain us physically and spiritually. Through a four-part program that teaches you how to purify your life, pace yourself, practice the presence, and plan a sustainable life, *A Pace of Grace* offers simple ways to rediscover the essential elements of a life well lived. Complete with Linda's ten rules for health, this comprehensive guide is the first step in recapturing the joy and vibrancy inherent in each of us.

The bestselling author of *The End of History* explains the social principles of economic life and tells readers what they need to know to win the coming struggle for global economic dominance.

Reader's Companion Harvard Education Press

Men are a strategic force for change in the world, but they have an enemy, and it's not what you think. It's apathy. It is the appeal of inaction that lies within every man's heart. When we build better men, we build better homes, marriages, workplaces, and churches. When one man gets better, everyone gets better. So let's build better men. Each of the thirty easy-to-use lesson guides includes the B.U.I.L.D. process and is perfect for men of all ages to use in private reflection or mentoring conversations with other men. □ Begin with the goal. □ Unpack your thoughts. □ Inform through the Bible. □ Land on action steps. □ Do one action for one week. This book is a plan—a method and a process that results in spiritual payoff.

Character Strengths and Virtues Oxford University Press

How can you be sure that you're teaching your children the lessons of virtue that were passed on to you? Today's parents often feel that they have too little time in their busy schedules to handle such an important task. They're not even sure where to begin. In *20 Teachable Virtues* authors Barbara C. Unell and Jerry L. Wyckoff, Ph.D. demonstrate the simple ways that you can teach your children to care about others and about themselves. By using everyday time together, however brief, you can pass on the lessons of virtue that are most important to your family today and for generations to come. At a time when values seem to be on the decline and children are looking to their parents for guidance, this new book argues that the building of a more moral society begins in the home. Through numerous anecdotes and examples, Unell and Wyckoff show parents how a select group of 20 virtues can be instilled, and warn how easily kids can be sent the wrong message. "To learn to live in society," write the authors, "all children must learn to balance their personal wants against the needs of the social group (family, neighborhood, school, society). Today we see far too few examples of this kind of balance as people put their own wants and needs above all others all of the time." Through the use of numerous anecdotes which illustrate each virtue, *20 Teachable Virtues* shows how common occurrences can become "teachable moments".

Character Building Baker Books

"Character" has become a front-and-center topic in contemporary discourse, but this term does not have a fixed meaning. Character may be simply defined by what someone does not do, but a more active and thorough definition is necessary, one that addresses certain vital questions. Is character a singular characteristic of an individual, or is it composed of different aspects? Does character--however we define it--exist in degrees, or is it simply something one happens to have? How can character be developed? Can it be learned? Relatedly, can it be taught, and who might be the most effective teacher? What roles are played by family, schools, the media, religion, and the larger culture? This groundbreaking handbook of character strengths and virtues is the first progress report from a prestigious group of researchers who have undertaken the systematic classification and measurement of widely valued positive traits. They approach good character in terms of separate strengths--authenticity, persistence, kindness, gratitude, hope, humor, and so on--each of which exists in degrees. *Character Strengths and Virtues* classifies twenty-four specific strengths under six broad virtues that consistently emerge across history and culture: wisdom, courage, humanity, justice, temperance, and transcendence. Each strength is thoroughly examined in its own chapter, with special attention to its meaning, explanation, measurement, causes, correlates, consequences, and development across the life span, as well as to strategies for its deliberate cultivation. This book demands the attention of anyone interested in psychology and what it can teach about the good life.

The Firefighter Family Academy Oxford University Press

Highly controversial when it was first published in 1981, Alasdair MacIntyre's *After Virtue* has since established itself as a landmark work in contemporary moral philosophy. In this book, MacIntyre sought to address a crisis in moral language that he traced back to a European Enlightenment that had made the formulation of moral principles increasingly difficult. In the search for a way out of this impasse, MacIntyre returns to an earlier strand of ethical thinking, that of Aristotle, who emphasized the importance of 'virtue' to the ethical life. More than thirty years after its original publication, *After Virtue* remains a work that is impossible to ignore for anyone interested in our understanding of ethics and morality today.

Trauma-Proofing Your Kids John Wiley & Sons

In this collection of her finest and best-known short essays, Natalia Ginzburg explores both the mundane details and inescapable catastrophes of personal life with the grace and wit that have assured her rightful place in the pantheon of classic mid-century authors. Whether she writes of the loss of a friend, Cesare Pavese; or what is inexpugnable of World War II; or the Abruzzi, where she and her first husband lived in forced residence under Fascist rule; or the importance of silence in our society; or her vocation as a writer; or even a pair of worn-out shoes, Ginzburg brings to her reflections the wisdom of a survivor and the spare, wry, and poetically resonant style her readers have come to recognize. "A glowing light of modern Italian literature . . . Ginzburg's magic is the utter simplicity of her prose, suddenly illuminated by one word that makes a lightning streak of a plain phrase. . . . As direct and clean as if it were carved in stone, it yet speaks thoughts of the heart." — *The New York Times Book Review*

Technology and the Virtues Candlewick

Politicians, historians, movie stars, religious figures, and authors offer suggestions for the finest books in a wide range of fields and reveal those titles that have most affected their lives, in an easy-to-use, entertaining reference. Reprint.

Weeds of North America Hatherleigh Press

Now a new series on Peacock with Rainn Wilson, *THE GEOGRAPHY OF BLISS* is part travel memoir, part humor, and part twisted self-help guide that takes the viewer across the globe to investigate not what happiness is, but WHERE it is. Are people in Switzerland happier because it is the most democratic country in the world? Do citizens of Qatar, awash in petrodollars, find joy in all that cash? Is the King of Bhutan a visionary for his initiative to calculate Gross National Happiness? Why is Asheville, North Carolina so damn happy? In a unique mix of travel, psychology, science and humor, Eric Weiner answers those questions and many others, offering travelers of all moods some interesting new ideas for sunnier destinations and dispositions.

Magnify Outreach, Incorporated (DBA Equip Press)

Traces the author's experiences as an illegal child immigrant, describing her father's violent alcoholism, her efforts to obtain a higher education, and the inspiration of Latina authors.

After Virtue Random House

In this national bestseller, the president of The Church of Jesus Christ of Latter-day Saints, Gordon B. Hinckley, has created a classic look at the values that can change our world--and how to stand up for them. Drawing on anecdotes from his much-admired life of faith and service, as well as examples from American culture today, he examines ten virtues that have always illuminated the path to a better world: love, honesty, morality, civility, learning, forgiveness and mercy, thrift and industry, gratitude, optimism, and faith. He then shows how the two guardians of virtue--marriage and the family--can keep us on that path, even in difficult times. *Standing for Something* is an inspiring blueprint for what we all can do--as individuals, as a nation, and as a world community--to rediscover the values and virtues that have historically made us strong and that will lead us to a brighter future.

Dare to Lead A&C Black

A concise, easy-to-read source of essential tips and skills for writing research papers and career management In order to be truly successful in the biomedical professions, one must have excellent communication skills and networking abilities. Of equal importance is the possession of sufficient clinical knowledge, as well as a proficiency in conducting research and writing scientific papers.
