RICHARDSON ALEXANDER

Fallen Titan Penguin

"If you've got a problem with New York City being the capital of the world, take it up with the Pope." As the mayor of New York City, Rudolph Giuliani was as controversial as he was determined to revitalize "the greatest city in the world." Never one to pull punches, he did things the way they had to be done, not the way everyone else thought they should be done. But during the chaotic aftermath of the Sept. 11, 2001, terrorist attack on the World Trade Center, Giuliani's courageous actions and bold decisiveness propelled him from his place as the leader of a city under siege to the beloved Mayor of America. On that day and for many days afterward, he stood up and spoke with strength and compassion -- and for that he will be remembered by not only New Yorkers, but all Americans. Now, in his own words, readers can experience the wisdom, inspiration, and genuine "New Yawk" attitude that have brought Rudolph Giuliani from the tough streets of Brooklyn to the carnage of Ground Zero and into the annals of history.

Rudy Giuliani Harper Paperbacks

Rudy Giuliani Unveiled: Behind the Leadership delves into the remarkable life and career of one of America's most iconic political figures. Written with meticulous research and unparalleled access, this biography offers an intimate portrait of Rudy Giuliani, shedding light on the triumphs, controversies, and complexities that have defined his journey. From his rise as a federal prosecutor to his tenure as Mayor of New York City during the tumultuous aftermath of 9/11, Rudy Giuliani's leadership style has been both celebrated and scrutinized. In this revealing

account, readers are taken on a compelling exploration of Giuliani's early years, his prosecutorial crusades against organized crime, and his transformational leadership during one of the nation's darkest hours. Through captivating storytelling and insightful analysis, *Rudy Giuliani Unveiled* examines the strategies, successes, and setbacks that have shaped Giuliani's career trajectory. It explores his groundbreaking initiatives in urban governance, his unyielding commitment to law and order, and his role as a prominent voice in national politics. However, amidst Giuliani's achievements lie controversies and contradictions that have fueled debate and intrigue. From his handling of racial tensions in New York City to his polarizing advocacy for tough-on-crime policies, this biography confronts the complexities of Giuliani's leadership and examines the lasting impact of his decisions on American society. Moreover, "*Rudy Giuliani Unveiled*" delves into Giuliani's later years, including his foray into presidential politics, his legal career, and his role as a key figure in the Trump administration. It offers fresh insights into Giuliani's evolving worldview, his relationships with colleagues and adversaries, and his enduring legacy on the American political landscape. Written with depth, balance, and a keen understanding of the man behind the headlines, "*Rudy Giuliani Unveiled: Behind the Leadership*" is a compelling narrative that offers readers an intimate glimpse into the life and leadership of one of America's most influential figures. Whether you admire his achievements or question his methods, this biography invites readers to reconsider the complexities of Rudy Giuliani's legacy and his enduring impact on the course of history.

A Day in the Life of a Mayor HarperCollins

They call him "America's Mayor." But to blacks that title sugarcoats Rudy Giuliani's real reputation as one of the most racially divisive leaders in the nation. Peter Noel's book puts

Giuliani's often-ignored record of oppressing the "other New York" front and center in the 2008 presidential race. Noel was a witness to "Giuliani time" in New York. As the race beat journalist for *The Village Voice*, he reported exclusively on the police brutality that rained down on blacks, and the denigration of black leadership by Giuliani. In this collection of his exposés, Noel provides stunning insights into the most notorious events of Giuliani's tenure, including the execution-style killing of Amadou Diallo and the sadistic torture of Abner Louima. Both men-like many black victims of Giuliani's stop-and-frisk policing-were innocent of any wrongdoing. This brutality sparked a new black activist movement. Scores, including Jesse Jackson, were arrested-and Peter Noel was there to cover it. No journalist was more insightful about the rise of Al Sharpton, Khallid Muhammad's "Million Youth March," and Giuliani's demonization of David Dinkins, the city's first black mayor. There are interviews with major political players, inside accounts of the shifting alliances and violent conflicts between ethnic groups, and a stinging critique of the white-dominated media. And then there is Peter Noel's interview with Giuliani, which took the form of a street fight in Harlem. In these eloquent, often searing pieces, written in an outraged and authentic voice, Peter Noel spoke truth to the power of an "Afriphobic" mayor. In this revealing book, he still does.

The Biden Crime Family Wiley (TP)

Rudy Giuliani emerged from the smoke of 9/11 as the unquestioned hero of the day: America's Mayor, the father figure we could all rely on to be tough, to be wise, to do the right thing. In that uncertain time, it was a comfort to know that he was on the scene and in control, making the best of a dire situation. But was he really? *Grand Illusion* is the definitive report on Rudy Giuliani's role in 9/11—the true story of what happened that day and the first clear-eyed evaluation of Giuliani's role before,

during, and after the disaster. While the pictures of a soot-covered Giuliani making his way through the streets became very much a part of his personal mythology, they were also a symbol of one of his greatest failures. The mayor's performance, though marked by personal courage and grace under fire, followed two terms in office pursuing an utterly wrongheaded approach to the city's security against terrorism. Turning the mythology on its head, *Grand Illusion* reveals how Giuliani has revised his own history, casting himself as prescient terror hawk when in fact he ran his administration as if terrorist threats simply did not exist, too distracted by pet projects and turf wars to attend to vital precautions. Authors Wayne Barrett and Dan Collins also provide the first authoritative view of the aftermath of the 9/11 attacks, recounting the triumphs and missteps of the city's efforts to heal itself. With surprising new reporting about the victims, the villains, and the heroes, this is an eye-opening reassessment of one of the pivotal events—and politicians—of our time.

New York Mayor Rudolph Giuliani Potent Quotables
The instant #1 New York Times bestseller | A Washington Post Notable Book | One of NPR's Best Books of 2021 The definitive behind-the-scenes story of Trump's final year in office, by Phil Rucker and Carol Leonnig, the Pulitzer-Prize winning reporters and authors of *A Very Stable Genius*. "Chilling." – Anderson Cooper "Jaw-dropping." – John Berman "Shocking." – John Heilemann "Explosive." – Hallie Jackson "Blockbuster new reporting." – Nicolle Wallace "Bracing new revelations." – Brian Williams "Bombshell reporting." – David Muir The true story of what took place in Donald Trump's White House during a disastrous 2020 has never before been told in full. What was really going on around the president, as the government failed to contain the coronavirus and over half a million Americans perished? Who was influencing Trump after he refused to concede an election he had clearly lost and spread lies about election fraud? To answer these questions, Phil Rucker and Carol Leonnig reveal a dysfunctional and bumbling presidency's inner workings in unprecedented, stunning detail. Focused on Trump and the key players around him—the doctors, generals, senior advisers, and Trump family members— Rucker and Leonnig provide a forensic account of the most devastating year in a presidency like no other. Their sources were in the room as time and time again Trump put his personal gain ahead of the good of the country. These witnesses to history

tell the story of him longing to deploy the military to the streets of American cities to crush the protest movement in the wake of the killing of George Floyd, all to bolster his image of strength ahead of the election. These sources saw firsthand his refusal to take the threat of the coronavirus seriously—even to the point of allowing himself and those around him to be infected. This is a story of a nation sabotaged—economically, medically, and politically—by its own leader, culminating with a groundbreaking, minute-by-minute account of exactly what went on in the Capitol building on January 6, as Trump's supporters so easily breached the most sacred halls of American democracy, and how the president reacted. With unparalleled access, Rucker and Leonnig explain and expose exactly who enabled—and who foiled—Trump as he sought desperately to cling to power. A classic and heart-racing work of investigative reporting, this book is destined to be read and studied by citizens and historians alike for decades to come.

Landslide Henry Holt and Company

ONCE A MAYOR -- NOW A HERO On September 11, 2001, our nation watched in horror as the United States came under siege. In the aftermath, New York City mayor Rudolph W. Giuliani rose to the forefront as a strong and compassionate leader -- offering candid information, comforting those in pain, and proving himself a man of tremendous dedication to those in his charge. This revealing biography illustrates how his life's work prepared him for this incredible challenge. From his childhood in Brooklyn to his controversial work with the Department of Justice to his eight years as the mayor of one of the most complex cities in the world, Rudolph W. Giuliani -- Time magazine's Person of the Year -- has become one of the most fascinating and exceptional leaders of our time.

The Full Rudy Independently Published

In the pantheon of politicians people love to hate, Rudy Giuliani is number one. But how much Rudy-bashing is mindless, and how much is meaningful? Former New York City mayor Ed Koch answers that question in *Giuliani: Nasty Man*, which chronicles Giuliani's two terms in office from the vantage point of a man qualified to judge a Big Apple mayor's performance. Koch exposes Giuliani's nastiness as an impediment to effective governing. *Without Compromise* Independently Published
Rudolph, the Trump supporter had a very brown nose and if you knew the truth about you would even say he blows All of the other

cabinet members used to laugh and call him names They never let poor Rudy play in any white house games. Then one post election eve Donald came to say: "Rudolph with your stamina so low, I'm afraid sissies have got to go Rudy never got a post in the Trump Administration because he lacked stamina another way of saying he was basically a sissy since thanks to HOMOTHUG, word circulated on the internet that he was a bisexual. Rudy had this book removed from Amazon ages ago but it is back like a recurrent nightmare. Homothug exposed him as a bisexual whose butt buddy was his childhood friend Alan Placa, a disgraced child molesting priest. This book reveals the real Rudy, a cross-dressing freak whose father was busted in a State Park Men's Room frequented by boys for offering to give one of the kids a blow job. Rudy's dad was a piece of work, he claimed he ran a bar when the only bar he ever owned was a tire iron he used when he was a Mafia enforcer. His father was busted for finding this milkman that owed the mob money and taking what he owed from him forcibly. This occurred at 96th St and Lexington Ave in Manhattan. And the man who bailed pops out was an investor in the 2nd Ave Subway long before the current one began construction. This book is not only a history of the pot-hating weasel but a history of the mob in New York City and New Jersey. Shoot, the U.S. Marshalls and the NYPD broke into my crib on the premise there was a gangbanger loose in the building when in reality they were looking for one of my sources who had gone underground. Rudy lied for Trump, covered up Trump groping behavior, campaigned with him and become his spokesperson. Rudy showed his true colors, something that many suspected on him all along. He is basically a fascist.

Leadership National Geographic Books

In "The Suspension of Rudy Giuliani: Navigating Truth, Power, and Consequences in the Aftermath of Election Disputes," delve into the gripping saga of one man's fall from grace and the seismic impact it had on the landscape of American politics. Rudy Giuliani, once hailed as "America's Mayor" for his leadership in the wake of the 9/11 attacks, found himself embroiled in controversy as he became a central figure in efforts to overturn the 2020 presidential election results. With razor-sharp insight and meticulous detail, this book unravels the web of deception, power struggles, and legal battles that unfolded in the wake of Giuliani's suspension from WABC radio and his subsequent defamation

lawsuits. From his relentless promotion of baseless claims of election fraud to the legal and ethical ramifications of his actions, each chapter paints a vivid portrait of a nation grappling with the consequences of misinformation and the erosion of trust in democratic institutions. But amidst the chaos and uncertainty, there are lessons to be learned and paths to be forged. "The Suspension of Rudy Giuliani" challenges readers to confront the uncomfortable truths about the state of our democracy and the role each of us plays in shaping its future. It is a rallying cry for integrity, accountability, and the relentless pursuit of truth in an age of uncertainty. Now more than ever, we must stand up for truth, integrity, and accountability in our public discourse. As citizens, it is our duty to demand transparency from our leaders, to hold them accountable for their actions, and to actively work towards a more inclusive and equitable society. "The Suspension of Rudy Giuliani" is not just a story of one man's downfall—it is a call to action for all of us to strive for a better, more just future. Will you answer the call?

Giuliani Simon and Schuster

An instant New York Times bestseller. Critics agree: Michael Wolff's *Landslide* is THE book on Trump. "Landslide . . . is the one to leap upon. Smart, vivid and intrepid . . ." —The New York Times "I inhaled *Landslide*, gobbled it up." —Slate "Wow. Just wow . . ." —Evening Standard "Cruel, unforgiving, muckraking, scandalous. I couldn't stop reading it." —The Telegraph We all witnessed some of the most shocking and confounding political events of our lifetime: the careening last stage of Donald J. Trump's reelection campaign, the president's audacious election challenge, the harrowing mayhem of January 6, the buffoonery of the second impeachment trial. But what was really going on in the inner sanctum of the White House during these calamitous events? What did the president and his dwindling cadre of loyalists actually believe? And what were they planning? Michael Wolff pulled back the curtain on the Trump presidency with his #1 bestselling blockbuster *Fire and Fury*. Now, in *Landslide*, he closes the door on the presidency with a final, astonishingly candid account. Wolff embedded himself in the White House in 2017 and gave us a vivid picture of the chaos that had descended on Washington. Almost four years later, Wolff finds the Oval Office even more chaotic and bizarre, a kind of Star Wars bar scene. At all times of the day, Trump, behind the Resolute desk, is

surrounded by schemers and unqualified sycophants who spoon-feed him the "alternative facts" he hungers to hear—about COVID-19, Black Lives Matter protests, and, most of all, his chance of winning reelection. Once again, Wolff has gotten top-level access and takes us front row as Trump's circle of plotters whittles down to the most enabling and the president reaches beyond the bounds of democracy as he entertains the idea of martial law and balks at calling off the insurrectionist mob that threatens the institution of democracy itself. As the Trump presidency's hold over the country spiraled out of control, an untold and human account of desperation, duplicity, and delusion was unfolding within the West Wing. *Landslide* is that story as only Michael Wolff can tell it.

City for Sale Simon and Schuster

Born and raised in New York City, Rudy Giuliani dreamed of becoming the first Italian American president of the United States. With unwavering ambition and drive, he set out to achieve that goal, attending law school and working for the U.S. Justice Department under President Gerald Ford and, later, under President Ronald Reagan. Giuliani found his true calling when he was elected mayor of New York City. With his strict policies and devotion to cleaning up the crime ridden streets of New York, Giuliani played a key part in revitalizing the city, bringing crime rates down and tourism rates up. But as his time in office progressed, his administration was marred by controversy, and it seemed as though he might quietly retire from politics. All that changed, though, on September 11, 2001. Mayor Giuliani responded quickly and decisively to the terrorist attacks, working at Ground Zero to help people get rescued and hospitalized, and ensuring the safety of all New Yorkers. In the days and weeks following the attacks, Giuliani became the voice of hope and revitalization in the damaged city. With his heroic actions revitalizing his flagging political career and redrawing the national spotlight, Giuliani's future in politics seems assured. It is a future that might just find this native New Yorker in Washington, maybe even in the White House. Book jacket.

Why Blacks Fear 'America's Mayor' Harper Collins

Discover the Fascinating Tale of Rudy Giuliani in 'Rudy' by Maxwell Sterling Embark on an enthralling journey through the life of Rudy Giuliani in Maxwell Sterling's latest book, "Rudy." This compelling narrative delves into the highs and lows of Giuliani's

career, from the pinnacle of his tenure as "America's Mayor" during the unforgettable 9/11 crisis to his later years marked by legal controversies and financial difficulties. Sterling paints a vivid portrait of Giuliani, a figure who became synonymous with resilience and leadership in the face of one of the nation's greatest tragedies. The book explores how Giuliani's leadership during 9/11 earned him global acclaim and solidified his status as a national hero. However, Sterling also navigates the complex terrain of Giuliani's subsequent years, marked by personal and professional challenges that saw him embroiled in lawsuits and facing bankruptcy. "Rudy" is a nuanced exploration of a man at the center of some of America's most critical moments. It's a story that intertwines public triumph with personal trials, offering readers an intimate glimpse into the life of a man who has both been celebrated and scrutinized. Through meticulous research and captivating storytelling, Sterling invites readers to look beyond the headlines and understand the man behind the public persona. "Rudy" is more than a biography; it's a humanizing account of a figure who has indelibly left his mark on American history. Whether you remember Giuliani as the iconic mayor of New York City or as a controversial figure in later years, "Rudy" promises to engage and enlighten. This book is an essential read for those interested in the dynamics of leadership, the burdens of public life, and the complex tapestry of American politics. Grab your copy of "Rudy" and immerse yourself in the intriguing and multifaceted story of Rudy Giuliani, as told by Maxwell Sterling.

Grand Illusion Bold Type Books

This is not your standard political biography. The core of this book is—incontrovertibly and inescapably—Rudy Giuliani in his own words, being himself.

The Prince of Providence Citadel Press

A New Yorker Best Book of the Year What happened to Rudy Giuliani? Andrew Kirtzman, who has been following Giuliani since the 1990s, answers that question in this "masterful and engrossing" (The Guardian) biography that "cuts through the myth and caricature that has too often defined Giuliani" (Los Angeles Times). Rudy Giuliani was hailed after 9/11 as "America's Mayor," a national hero who, at the time, was more widely admired than the pope. He was brilliant, accomplished—and complicated. He conflated politics with morality, made reckless personal choices, and engaged in self-destructive behavior. A

series of disastrous decisions and cynical compromises, coupled with his need for power, money, and attention gradually ruined his reputation, cost him political support, and ultimately damaged the country. Kirtzman, who was with Giuliani at the World Trade Center on 9/11, conducted hundreds of interviews to give us an insightful portrait of this polarizing figure from the beginning of his rise to his high-profile role as Donald Trump's personal lawyer. Giuliani was a celebrated prosecutor, a transformative New York City mayor, and a contender for the presidency. But by the end of the Trump presidency, he was reviled and ridiculed after a series of embarrassing errors and misjudgments. He was a significant figure in both of Trump's impeachments and ended up widely ostracized, facing both legal jeopardy and financial ruin. This is the "lively new biography" (The New Yorker) of how it all began and how it came crashing down.

Homothug Atlantic Monthly Press

In the wake of September 11th Rudolph Guiliani became "America's mayor." He is remembered for cutting crime, taking charge when the twin towers fell, and displaying leadership when others were overwhelmed. Named Time magazine's "Person of the Year" and knighted by Her Majesty the Queen, he now charges 100,000 a speech and is the frontrunner for the GOP ticket in 2008. But while Rudy wants to be President, this classic account by the late New York journalist Jack Newfield — who knew him for more than twenty years and had many private conversations with him — is a classic muckraking foray into Rudy's dark places. Newfield shows he is "a C-plus mayor...who has become an A-plus myth." Newfield talks to those who know Rudy best, revealing a portrait of an intolerant, authoritarian leader whose strengths are canceled out by "immense weaknesses of temperament, opportunism, and intolerance." This new edition of the award-winning book has a preface by best-selling author Joe Conason.

America's Mayor Basic Books (AZ)

The Biden Crime Family is a short, engaging description of the evidence that supports the case that President Joe Biden and his family are deeply corrupt. They are so corrupt that when former New York mayor and US attorney Rudy Giuliani first stumbled across evidence of what they were doing in Ukraine, it reminded him of his experience prosecuting the five mafia families that used to run New York. Joe Biden began to seek enormous bribes

and payouts when he became vice president. In every situation where he was the point man for the Obama administration's policy toward a country, he ended up making millions of dollars, and failing to obtain whatever the US policy goal was. In these endeavors, Joe's drug addicted younger son, Hunter, worked with him. Hunter was the "bagman." You can question whether it was loving or even decent for a politician to use his dysfunctional son in this matter. But it happened. Joe's brother James also served as a bagman, sometimes working with Hunter. Other family members participated as needed. When Joe was made the point man for Ukraine—with the special mission of cleaning up Ukrainian corruption so deep that it had left the country almost bankrupt—he did nothing to help. Instead, he had Hunter placed on the board of Burisma, an energy and gas company at the center of some of Ukraine's most corrupt government dealings. Hunter took home a million a year to do nothing. The rule was "ten percent for the big guy." Hunter has complained about how half his income went to dad. The same and worse happened with Joe in China and Iraq. The Biden Crime Family displays the evidence clearly—and makes the kind of case that should get a conviction on Biden family corruption.

The Prince of the City Miramax Books

A collection of groundbreaking investigations by Wayne Barrett, the intrepid, muckraking Village Voice journalist who exposed corruption in New York City and beyond. With piercing moral clarity and exacting rigor, Wayne Barrett tracked political corruption in the pages of the Village Voice fact by fact, document by document for 40 years. The first to report on the scams and crooked deals that fueled the rise of Donald Trump in 1979, Barrett went on to expose the shady dealings of small-time slum lords and powerful New York City politicians alike, from Ed Koch to Rudy Giuliani to Michael Bloomberg. Without Compromise is the first anthology of Barrett's investigative work, accompanied by essays from colleagues and those he trained. In an age of lies, fog, and propaganda, when the profession of journalism is degraded by the White House and the industry is under financial threat, Barrett reminds us that facts, when clearly accumulated, are our best defense of democracy. Featuring essays by: Joe Conason Kim Phillips-Fein Errol Louis Gerson Borrero Tom Robbins Tracie McMillan Peter Noel Adam Fifield Jarrett Murphy Andrea Bernstein Jennifer Gonnerman Mac Barrett

Giuliani Independently Published

Rudolph Giuliani demonstrates how the leadership skills he practices can be employed successfully by anyone who has to run anything. Opens with a gripping account of Giuliani's immediate reaction to the September 11 attacks, including a narrow escape from the original crisis command headquarters, and closes with the efforts to address the aftermath during his remaining tenure.

Leadership Through the Ages Miramax Books

Through much of his tenure as mayor of New York City, Rudy Giuliani was a controversial figure whose personal weaknesses often overshadowed his political strengths. After September 11, however, the world focused on Giuliani's ability to lead with courage and controlled emotion. This program demonstrates through vivid, practical examples how he used an aggressive, hands-on management style to deal with everything from petty crime to terrorism.

The Quotable Giuliani Simon and Schuster

On October 28, 1986, just one day after winning one of the most thrilling World Series in history, the New York Mets were feted by more than two million fans with a parade through the city. In news accounts of the event, there was a small aside, as this one in the New York Times: "Notable in his absence was the pitcher Dwight Gooden, who Mets officials later said had overslept." No, the Mets' twenty-one-year-old phenom had not slept too late. He had not slept at all, in fact. For Gooden, his postgame champagne celebration kicked off a cocaine binge that took him to a club in Long Island and wound up with him, wired, watching his teammates roll through the streets as he sat with strangers in a public housing project. Such were the 1980s in New York City, a gilded era buttressed by fast money from a real estate boom and the explosion of Wall Street wealth. The Mets and Giants, bolstered by lightning-rod personalities like Gooden and Lawrence Taylor, brought the city sporting glory while its celebrity wealthy added a tabloid-friendly touch of intrigue and national envy. Iconoclastic real estate developer Donald Trump gained national celebrity for his deal-making skill and the flaunting of his outsize ego. Even mayor Ed Koch had gained coast-to-coast fame and mention as a potential future president. Beneath the opulence was a tenuous foundation, one that collapsed spectacularly over the last half of the decade. Away from the cameras focused on the city's nouvelle riches, New York was beset by crisis after

crisis--homelessness, AIDS, crack cocaine, organized crime. The swell of outrage over the unwillingness of the city elite to address

those problems took years to finally reach a tipping point. Through interviews and detailed research, Greed and Glory gives the narrative of New York during these times, tracing the arc of its

sports heroes and celebrities of that era, from their memorable highs to their ultimate lows.
