bowl formats are played by lower school, middle school, high school, and university students throughout the United States, Germany, Switzerland, Canada, Asia, and the United Kingdom. The game is typically played with a lockout buzzer system between at least two teams, usually consisting of four or five players each. A moderator reads questions to the players who try to score points Quiz bowl - Wikipedia Most quiz bowl questions focus on factual recall, not application (or else we'd be writing essays). Identifying the "tricks" in most math problems is the difficult part of those questions, but this is not the same skill as one would use on a "normal" quiz bowl question. NAQT High School Math Questions - Quiz bowl Quiz bowl is a game in which two teams compete head-to-head to answer questions from all areas of knowledge, including history, literature, science, fine arts, current events, popular culture, sports, and more. There are also tournaments for individual players rather than teams. The defining feature of quiz bowl is the use of a "buzzer system" that lets players interrupt the reading of a question when they know the answer.
