These are just some of the questions you will find answered in this delightful collection of stories recounting real-life incidents from the life of Sudha Murty-teacher, social worker and bestselling writer. There is the engaging story about one of her students who frequently played truant from school. The account of how her mother's advice to save money came in handy when she wanted to help her husband start a software company, and the heart-warming tale of the promise she made-and fulfilled to her grandfather, to ensure that her little village library would always be well supplied with books. Funny, spirited and inspiring, each of these stories teaches a valuable lesson about the importance of doing what you believe is right and having the courage to realize your dreams.

Ernesto Macaro brings together a wealth of research on the rapidly expanding phenomenon of English Medium Instruction. Against a backdrop of theory, policy documents, and examples of practice, he weaves together research in both secondary and tertiary education, with a particular focus on the key stakeholders involved in EMI: the teachers and the students. Whilst acknowledging that the momentum of EMI is unlikely to be diminished, and identifying its potential benefits, the author raises questions about the ways it has been introduced and developed, and explores how we can arrive at a true cost-benefit

analysis of its future impact. "This state-of-the-art monograph presents a wide-ranging, multi-perspectival yet coherent overview of research, policy, and practice of English Medium Instruction around the globe. It gives a thorough, in-depth, and thought-provoking treatment of an educational phenomenon that is spreading on an unprecedented scale." Guangwei Hu, National Institute of Education, Singapore
Additional online resources are available at www.oup.com/elt/teacher/emi
Ernesto Macaro is Professor of Applied Linguistics at the University of Oxford and is the founding Director of the Centre for Research and Development on English Medium Instruction at the university.

Physical Education Book

CBSE New Pattern Mathematics Class 9 for 2021-22 Exam (MCQs based book for Term 1) S. Chand Publishing

The only book Michael Jackson ever wrote about his life It chronicles his humble beginnings in the Midwest, his early days with the Jackson 5, and his unprecedented solo success. Giving unrivalled insight into the King of Pop's life, it details his songwriting process for hits like Beat It, Rock With You, Billie Jean, and We Are the World; describes how he developed his signature dance style, including the Moon Walk; and opens the door to his very private personal relationships with his family, including sister Janet, and stars like Diana Ross, Berry Gordy, Marlon Brando, Quincy Jones, Paul McCartney, and Brooke Shields. At the time of its original publication in 1988, MOONWALK broke the fiercely guarded barrier of silence that surrounded Michael Jackson. Candidly and courageously, Jackson talks openly about his wholly exceptional career and the crushing isolation of his fame. MOONWALK is illustrated with rare photographs from Jackson family albums and Michael's personal photographic archives, as well as a drawing done by Michael exclusively for the book. It reveals and celebrates, as no other book can, the life of this exceptional and beloved musician.
