A vivid behind-the-scenes look into the creation of the FBI's Behavioral Science Unit and the evolution of criminal profiling, written by the pioneering forensic nurse who transformed the way the FBI studies, profiles, and catches serial killers. Lurking beneath the progressive activism and sex positivity in the 1970-80s, a dark undercurrent of violence rippled across the American landscape. With reported cases of sexual assault and homicide on the rise, the FBI created a specialized team—the “Mindhunters” better known as the Behavioral Science Unit—to track down the country's most dangerous criminals. And yet narrowing down a seemingly infinite list of potential suspects seemed daunting at best and impossible at worst—until Dr. Ann Wolbert Burgess stepped on the scene. In *A Killer By Design*, Burgess reveals how her pioneering research on sexual assault and trauma caught the attention of the FBI, and steered her right into the middle of a chilling serial murder investigation in Nebraska. Over the course of the next two decades, she helped the budding unit identify, interview, and track down dozens of notoriously violent offenders, including Ed Kemper (“The Co-Ed Killer”), Dennis Rader (“BTK”), Henry Wallace (“The Taco Bell Strangler”), Jon Barry Simonis (“The Ski-Mask Rapist”), and many others. As one of the first women trailblazers within the FBI’s hallowed halls, Burgess knew many were expecting her to crack under pressure and recoil in horror—but she was determined to protect future victims at any cost. This book pulls us directly into the investigations as she experienced them, interweaving never-before-seen interview transcripts and crime scene drawings alongside her own vivid recollections to provide unprecedented insight into the minds of deranged criminals and the victims they left behind. Along the way, Burgess also paints a revealing portrait of a formidable institution on the brink of a seismic scientific and cultural reckoning—and the men forced to reconsider everything they thought they knew about crime. Haunting, heartfelt, and deeply human, *A Killer By Design* forces us to confront the age-old question that has long plagued our criminal justice system: “What drives someone to kill, and how can we stop them?”

*A True Story of Murder and a Deadly 16-Year-Old Secret that Tore a Family Apart* Ice Cube Books

An army brat-turned-marine, he saw combat in Vietnam, and returned a decorated soldier. An avid reader, his dreams of being an acclaimed novelist came true. His desire to find love was fulfilled when he married brilliant executive Kathleen Atwater, the first female student accepted at Duke University's School of Engineering. The Petersons seemed the ideal academic couple- well-respected, prosperous, and happy. All that came crashing down in December of 2001, when Kathleen apparently fell to her death in their secluded home in an exclusive area of Durham, North Carolina. But blood spattered evidence and a missing fireplace poker suggested calculated, cold-blooded murder. Her trusted husband stood accused. Prosecutors introduced evidence at trial that sixteen years earlier, Peterson was one of the last people to see his neighbor alive before she was found dead at the bottom of a staircase in her home in Germany. A dramatic trial followed in the explosive final chapter of a life that no novelist could ever have conceived... *Written in Blood* is a 2006 Edgar Award Nominee for Best Fact Crime.

*Moguls, Monsters, and Madmen* Henry Holt and Company

An exploration of the world of parricide presents the stories of eight children accused of killing their parents, discussing the facts in their cases and the outcome of their trials. Reprint. AB.

Discover the definitive book on the Menendez case—and the primary source material for NBC's *Law and Order True Crime: The Menendez Murders*. A successful entertainment executive making \$2 million a year. His former beauty queen wife. Their two sons on the fast track to success. But it was all a façade. The Menendez saga has captivated the American public since 1989. The killing of José and Kitty Menendez on a quiet Sunday evening in Beverly Hills didn't make the cover of *People* magazine until the arrest of their sons seven months later, and the case developed an intense cult following. When the first Menendez trial began in July 1993, the public was convinced that Lyle and Erik were a pair of greedy rich kids who had killed loving, devoted parents. But the real story remained buried beneath years of dark secrets. Until now. Journalist Robert Rand, who originally reported on the case for the *Miami Herald* and *Playboy*, has followed the Menendez murders from the beginning and has continued investigating and interviewing key sources for 28 years. Rand is the only reporter who covered the original investigation as well as both trials. With unparalleled access to the Menendez family and their history, including interviews with both brothers before and after their arrest, Rand has uncovered extraordinary details that certainly would have changed the fate of the brothers' first-degree murder conviction and sentencing to life without parole. In *The Menendez Murders: The Shocking Untold Story of the Menendez Family and the Killings That Stunned the Nation*, Rand shares these intimate, never-before-revealed findings, including a deeply disturbing history of child abuse and sexual molestation in the Menendez family going back generations, and the shocking admission O.J. Simpson made to one of the Menendez brothers when they were inmates at the L.A. County Men's Central Jail.

*And Every Word Is True* ECW Press

An account of how a police detective lead the task force that exposed the facts behind the deaths of rappers Biggie Smalls and Tupac Shakur.

*Bad Blood* Graymalkin Media

A memoir of hope, healing, and survival, sure to resonate with fans of Jaycee Dugard's *A Stolen Life* and Elizabeth Smart's *My Story*. On August 28, 1997, just as she was starting her junior year at the University of Kentucky, Holly Dunn and her boyfriend, Chris Maier, were walking along railroad tracks on their way home from a party when they were attacked by notorious serial killer Angel Maturino Reséndiz, aka The Railroad Killer. After her boyfriend is beaten to death in front of her, Holly is stabbed, raped, and left for dead. In this memoir of survival and healing from a horrific true

crime, Holly recounts how she lived through the vicious assault, helped bring her assailant to justice, and ultimately found meaning and purpose through service to victims of sexual assault and other violent crimes. She has worked as a motivational speaker and activist and founded Holly's House, a safe and nurturing space in her hometown of Evansville, Indiana.

*Sole Survivor* Gale Cengage

Includes material on "the Trailside Killer in San Francisco, the Atlanta child murderer, the Tylenol poisoner, the man who hunted prostitutes for sport in the woods of Alaska, and Seattle's Green River killer ..."

*The Untold Story of the Biggie Smalls and Tupac Shakur Murder Investigations* Soho Press

Describes how seventeen-year-old Tyler Hadley bludgeoned his parents to death in their home and then invited his friends over for a party.

*An Adult Coloring Book Full of Famous Serial Killers* Dell

#1 New York Times Bestseller. For more than a year, Christopher Darden argued tirelessly for the prosecution, giving voice to the victims in the O.J. Simpson murder trial. In *Contempt* is an unflinching look at what the television cameras could not show: behind-the-scenes meetings, the deteriorating relationships between the defense and prosecution teams, the taunting, baiting, and pushing matches between Darden and Simpson, the intimate relationship between Darden and Marcia Clark, and the candid factors behind Darden's controversial decision for Simpson to try on the infamous glove, and much more. Out of the sensational frenzy of "the trial of the century" comes this haunting memoir of duty, justice, and the powerful undertow of American racism. A stunning masterpiece told with brutal honesty and courage.

*A Perfect Husband* Simon and Schuster

CrimeComputer Viruses to Twin TowersUniversal-Publishers

*The Amityville Horror* SIU Press

From a New York Times–bestselling author: A searing account of cold-blooded murder as told by “one of the chief practitioners of the true crime genre” (*The Baltimore Sun*). Michael Peterson was a decorated war veteran and bestselling novelist. His wife, Kathleen, was a high-powered executive and devoted mother. To everyone who knew them, they seemed to be the perfect couple living a life most people would kill for. Then came the tragic night Michael found Kathleen at the bottom of the stairs in a pool of blood. He claimed her death was an accident. The prosecution thought different and put him on trial—and behind bars. Then, in a stunning reversal, a judge gave Michael another chance to stand trial as his children steadfastly proclaimed his innocence. But what happened next would stun observers as new evidence and bizarre theories were introduced in a legal battle that would drag on until it became one of the longest trials in state history. Aphrodite Jones draws on exclusive interviews and revelatory facts to deliver “a richly detailed and deeply researched tale of a greedy, sociopathic killer” (*Caitlin Rother*, *New York Times*–bestselling author).

*Written in Blood* Pinnacle Books

They were golden boys who killed with sudden savagery. The trial revealed a dark drama too evil to believe. Handsome, rich, bronzed champion athletes, Erik and Lyle Menendez were the stunning symbols of the California dream. The sons of a high-powered Hollywood executive and his beautiful wife, they lived in a pampered world of Beverly Hills mansions, swimming pools, and private tennis coaches. But the dream became a nightmare when police found the butchered bodies of the boys' parents, Jose and Kitty, in the family room of their five-million dollar mansion. Only days after the couple was laid to rest, the brothers began an appalling spending spree, buying Rolex watches, designer clothes and a new Porsche. Seven months later, all of Hollywood was stunned when the 18- and 21-year-old brothers were arrested for the horrendous killings. In wrenching testimony, Lyle & Erik accused their father of sexually brutalizing them since they were children—claiming his sadistic acts of perversion and cruel violence drove them to their unspeakable crime. Bestselling author Don Davis takes you inside one of the most riveting cases in California's history, laying to bare the shattering secrets of a tormented family.

*Couple Found Slain* New Galen Pub

The wife of convicted killer Erik Menendez discusses her husband's painful life, his trial for the murder of his parents, the brutality of his life in a maximum security prison, and their struggle to preserve their marriage.

*In Contempt* Macmillan

When the bodies of three teenagers were found on the shores of Lake Waco, Texas in July, 1982, even seasoned lawmen were taken aback by the savage mutilation and degradation they had been subjected to. Yet only 52 days after the gruesome triple-murder was discovered, frustrated authorities suspended the case indefinitely. Patrol Sergeant Truman Simons, who had been called to the scene that night, saw the carnage first-hand -- and vowed to find the ferocious killer or killers. He soon became a man with a mission, risking his career and his family's safety in search of evidence. Plunging himself into a netherworld of violence and evil, Simons finally got close enough to a murderous ringleader to hear his careless whispers--and ultimately, put him and his three accomplices behind bars for the brutal slayings. Now, in his Edgar Award-winning account of the Lake Waco killings, acclaimed true crime writer Carlton Stowers lays bare the facts behind the tragic crimes, the twisted predators, and the heroic man who broke the investigation--with important updated information based on new developments in the case.

*Crime Classification Manual* Macmillan

This gripping debut novel reimagines Truman Capote's *In Cold Blood* and the brutal murders of the Clutter family in Holcomb, Kansas, in 1959 that inspired his work. 5 1/2 x 8 5/16.

*The Award-Winning True Account of the Horrific Lake Waco Murders* Forge Books

Discusses the murders of a rich L.A. businessman and his wife by their two sons, who used a defense of child abuse to obtain a mistrial

*The Menendez Murders* Universal-Publishers

This book is an overview of the United States legal system, with a brief introduction to Islamic and International law. The book is divided into six parts. Part I (The Legal System and Crime) introduces the U.S. legal system and the classification of crime. Part II (White Collar Crime) covers cybercrime, crime the old fashioned way, and healthcare fraud. Part III (Homicide) deals with simple murder, serial murder, mass and spree murder; and assassination. Part IV (Special Groups) covers the mafia; the family; the medical, legal, and teaching professions; the religion profession; celebrities; and stupid criminals. Part V (On the Edge) deals with topics I consider to be a bit strange; that is,

quackery, innovative defenses, and dangerous cults. And finally, Part VI (Residue) discusses what is left ... capital punishment and crimes against humanity, including terrorism. Throughout the book, to illustrate points, I have used over 300 cases of actual crimes. The names of the people and the facts of the cases used in the discussions of these crimes are taken directly from referenced news reports. The subtitle, *Computer Viruses to Twin Towers*, reflects the scope of the book; that is, from computer viruses, which cause only aggravation or loss of money, to the deadly terrorist attacks on the Twin Towers of the World Trade Center and the Pentagon on September 11, 2001 that snuffed out almost 3000 lives.

*Sociopaths, Serial Killers, and Other Deviants* Routledge

This book presents an examination of the television series *Nurse Jackie*, making connections

between the representational processes and the audience consumption of the series. A key point of reference is the political and performative potential of *Nurse Jackie* with regards to its progressive representation of prescription drug addiction and its relationship to the concept of quality television. It deconstructs *Nurse Jackie*'s discursive potential, involving intersections with contemporary notions of genre, celebrity, self-reflexivity, therapy and feminism

**The Hunt for Andrew Cunanan, the Man Who Killed Gianni Versace** Simon and Schuster  
Presents summaries of some of the most significant and celebrated trials in American history, each with the names of key players, the charges, location, a narrative of circumstances leading up to the trial, the trial itself, the verdict and sentence, and a discussion of the impact of the trial. Arranged chronologically from 1950 through 2001.
