(Piano). Did you use to play the piano? Would you like to play again? This is the first of two books of Play It Again: Piano . It will reunite you with the keyboard using real pieces from the piano repertoire to teach specific techniques and tips, to get you

playing fluently once again. The level of pieces in this first book progresses from around UK grades 1 to 4 (elementary to intermediate). There are more comprehensive Piano Technique and Theory sections at the front and back of each book, so you can also delve deeper to regain a fuller understanding of music and technique. Each book is arranged in 4 progressive sections, with Book 1 moving from Elementary to Intermediate and Book 2 taking you from Late Intermediate to Late Advanced. Dip in and out wherever your level of playing suits: this two-book course starts with simple and elegant miniatures and concludes with the famously showy Prelude in C-sharp minor by Rachmaninoff!
