from international crime-writing sensation Camilla Läckberg tells the story of brutal murders in a small Swedish fishing village, and the shattering, decades-old secrets that precipitated them. In this electrifying tale of suspense from an international crime-writing sensation, a grisly death exposes the dark heart of a Scandinavian seaside village. Erica Falck returns to her tiny,

remote hometown of Fjällbacka, Sweden, after her parents' deaths only to encounter another tragedy: the suicide of her childhood best friend, Alex. It's Erica herself who finds Alex's body—suspended in a bathtub of frozen water, her wrists slashed. Erica is bewildered: Why would a beautiful woman who had it all take her own life? Teaming up with police detective Patrik Hedström,

Erica begins to uncover shocking events from Alex's childhood. As one horrifying fact after another comes to light, Erica and Patrik's curiosity gives way to obsession—and their flirtation grows into uncontrollable attraction. But it's not long before one thing becomes very clear: a deadly secret is at stake, and there's someone out there who will do anything—even commit

murder—to protect it. Fans of Scandinavian greats Stieg Larsson and Henning Mankell will devour Camilla Läckberg's penetrating portrait of human nature at its darkest.

A story of another age, of an early civilization seen only dimly through the veil of time. It's a time when life is more primitive and closer to our animal roots. Life is hard, and wealth, glory and sexual pleasures are taken by conquest. The Thralkild court is rich and opulent, with scantily clad slaves and breathtakingly beautiful courtesans, all of whom who eagerly engage in the most

outrageous acts at the command of their lecherous sovereign. From these mists, emerge two strong personages: The great King Rahn the Conquerer, and his consort, Lohr his proud and beautiful Queen. Both are ambitious, ruthless, cunning, and both revel in sexual pleasure, at a court known far and wide for the depths of its depravity. Though the King's lustful appetite is

legendary, it remains for his newly-chosen Consort, the insatiable "Ice Queen," to plunge that depraved court into new depths. She's a woman consumed by bizarre erotic obsessions driving her in the relentless pursuit of power and sensual pleasure – a pursuit that will lead to her ultimate downfall. Melting the Ice Queen's Heart Pink Flamingo Media With a single kiss, a young maid saves

her beloved from the Snow Queen's icy imprisonment. When splinters from an evil troll's magic mirror get into the heart and eye of Kai, he is tricked into accompanying the Snow Queen to her palace, and only the innocence and kindness of Gerda's heart can save him.  Merry Christmas and Happy Ice Queen! Fourteen-year-old Josey and her ten-year-old, video-game-obsessed brother, Mason, live in Baudette, Minnesota, the Walleye Capital of the World. Their family owns and operates Baxter's Bait Shop, a town landmark. Every year before

Christmas, Baudette hosts an ice-fishing tournament called the Ice Queen that draws thousands of anglers and generates a lot of money for local businesses. First place prize for catching the largest fish is \$10,000, but it's the \$20,000 grand prize that consumes everyone. To win the title of Ice Queen, the walleye must beat the Minnesota record of 18.6 pounds. The current Ice

Queen was caught 61 years ago by resident Augustus Moss. No one has been able to break the state record and claim the grand prize since then. Moss passed away several years ago, but his only granddaughter, recluse Winnie Moss, still lives just outside town. The week of the Ice Queen contest, Josey and Mason learn heartbreaking news. Their family owes a large debt and will lose the

bait shop at the end of the week unless they can repay it. The two seem to have no other option but to catch the new Ice Queen and win the money. But first they have to find the Lost City, a mysterious hidden spot where Augustus caught his record walleye. Gigantic walleyes and a search for the legendary Lost City await the pair. The only person that can help them is a loner who hates

everything about the Ice Queen. Can the two kids catch the Ice Queen and save the family bait shop?
