Dragon's Gold Lindsay Buroker

An elite forces officer with a dreadful reputation. A bookish paleontologist with a love for mysteries. An ancient stronghold full of secrets that will take both of them to unearth. Professor Lilah Zirkander (yes, she's related to the famous pilot, and no, she can't get him to autograph your undergarments) is looking forward to a summer in the paleontology lab, researching and cataloging new fossils. But that summer takes an unexpected turn when the king sends her into the Ice Blades to a secret mine where ancient dragon bones have been discovered. Rumor has it that they're cursed and dangerous, but Lilah is more concerned about dealing with the outpost commander, a fierce officer with the temperament of a crabby badger. As punishment for irking the king, Colonel Vann Therrik is overseeing the hardened criminals working in the remote Magroth Crystal Mines. He would like a chance to redeem himself—and escape the loathsome duty station—but nothing is going his way. Cursed fossils have delayed production, miners are trying to escape, and now a scientist has shown up, making demands on his time. Worse, she's the cousin of his nemesis General Zirkander. As if one Zirkander in his world wasn't bad enough. Investigating the fossils leads Lilah and Vann into the depths of Magroth Mountain where centuries-old secrets lurk, and a long-forgotten threat stalks the passages. To have any chance at survival, they'll have to work together and perhaps

learn that neither is what the other expected. *Shattered Past* is a stand-alone novel set in the author's Dragon Blood world.

The Princess Who Flew with Dragons Lindsay Buroker

General Ridgewalker Zirkander is getting married. Sardelle—the woman who's battled dragons, shamans, and countless enemy soldiers at his side—has accepted his proposal, and it's the perfect time for a wedding. It's been two months since any dragons or sorceresses attacked the city, the Cofah haven't come after their kidnapped emperor, and King Angulus has stopped yelling at Ridge for his inadvertent role in destroying the castle. Yes, it's the perfect time for a wedding. Never mind that the resident dragon who thinks he's a god is pressuring Ridge to build a temple for him, or that the pirate-turned-scientist Tolemek has disappeared. Or that Ridge's mother is on the verge of discovering that magic exists and her future daughter-in-law is a sorceress. These are small hiccups, and the wedding will go smoothly. Ridge is sure of it. Really.

Are you still human if your father was a dragon? Even though Captain Trip always knew he was a little odd, he's still shocked by the revelation that the elder gold dragon, Agarrenon Shivar, sired him. It's time, however, to accept reality and learn to use his power, even if it alienates him from his magic-fearing friends and the woman he's come to care about. With enemy dragons threatening to kill or enslave everyone in his homeland, he has no choice. But even if he becomes a great sorcerer, it won't be enough to fight off all the dragons threatening Iskandia, so Trip suggests a mission to General Zirkander. He wants to lead a team, with the scholarly Lieutenant Ravenwood's help, to locate

his sire. Agarrenon Shivar, once respected and feared by his own kind, may be the perfect ally for Iskandia-if Trip can talk him into siding with humanity. Just one problem: the ancient dragon hasn't been seen for thousands of years, and Trip has no idea how his long-dead mother found him.

Origins Candlewick Press

Now that Trip's siblings are safely back in the capital, he would like it if life got back to normal. As normal as possible for a half-dragon army officer learning to use his magical powers when he isn't busy piloting with Wolf Squadron. But trouble keeps popping up, and the capital isn't the safe haven Trip had hoped. More and more dragons are working together, with attacks growing frequent as they scheme to claim the country for themselves. Equally daunting, Rysha wants to introduce Trip to her parents, parents who want a proper nobleman for their daughter, not some odd commoner sired by a dragon. If Trip is to have any chance of bringing peace to the country--and impressing Rysha's parents--he'll have to finally and fully embrace what he is and what he can do. Before time runs out.

Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son.

Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children’s

lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.
