Originally published in French in 1996, the text has been translated into English by Patrick Mensah. Amazon.com: Customer reviews: Monolingualism of the Other ... Monoglossism or, more commonly, monolingualism or unilingualism, is the condition of being able to speak only a single language, as opposed to multilingualism. In a different context, "unilingualism" may refer to a language policy which enforces an official or national language over others. Being monolingual or unilingual is also said of a text, dictionary, or conversation written or conducted in only one language, and of an entity in which a single language is either used or officially recognized. Monolingualism - Wikipedia— Jacques Derrida, Monolingualism of the Other: or, The Prosthesis of Origin "One can, of course, speak several languages. There are speakers who are competent in more than one language. Some even write several languages at a time (prostheses, grafts, translation, transposition). Monolingualism of the Other Quotes by Jacques Derrida 11 See Jacques Derrida, Monolingualism of the Other; or, the Prosthesis of Origin (Stanford: Stanford University Press, 1998); and Yasemin Yildiz, Beyond the Mother Tongue: The Postmonolingual Condition (New York: Fordham University Press,

2012).
