Crime and Criminals

Fantagraphics Books

"The Diary of Lt. Melvin J. Lasky' offers not only a panoramic view of a country poised between devastation and an uncertain future but a gripping self-portrait of a man poised between unresolved youthful bewilderment and a mature clarity of conviction." • Wall Street Journal In 1945 Melvin J. Lasky, serving in one of the first American divisions that entered

Germany after the country's surrender, began documenting the everyday life of a defeated nation. Travelling widely across both Germany and post-war Europe, Lasky's diary provides a captivating eye-witness account colored by ongoing socio-political debates and his personal background studying Trotskyism. The Diary of Lt. Melvin J. Lasky reproduces the diary's vivid language as Lasky describes the ideological tensions between the East and West, as well as

including critical essays on subjects ranging from Lasky's life as a transatlantic intellectual, the role of war historians, and the diary as a literary genre.

Crime Does Not Pay Archives Volume 10
Lulu.com

Uncut and uncensored, the infamous precode Crime Does Not Pay comics are finally collected into a series of archival collections! With brutal, realistic tales focusing on vile criminals, Crime Does Not Pay was one of the most popular

comics of the 1940s. The series was a favorite target of Dr. Fredric Wertham and other censors and is partially responsible for the creation of the stifling Comics Code Authority. Now revered and mythic, this collection of the first four hardtofind Crime Does Not Pay comics features a fine roster of Golden Age creators and a new introduction by Matt Fraction (Iron Man, Casanova)! Books

Serving as an introduction to one of the "hottest" topics in financial crime, the Value Added Tax (VAT) fraud, this new and original book aims to analyze and decrypt the fraud and explore multi-disciplinary avenues, thereby exposing nuances and shades that remain concealed by traditional taxation oriented researches. Quantifying the impact of the fraud on the real economy underlines the structural damages propagated by

this crime in the European Union. The 'fraudsters' benefit when policy changes are inflicted in an economic space without a fully fledged legal framework. Geopolitical events like the creation of the Eurasian Union and 'Brexit' are analyzed from the perspective of the VAT fraud, thereby underlining the foreseeable risks of such historical turnarounds. In addition, this book also provides a unique collection of case studies that depict the main characteristics of VAT fraud. Introduction to

VAT Fraud will be of interest to students at an advanced level, academics and reflective practitioners. It addresses the topics with regards to banking and finance law, international law, criminal law, taxation, accounting, and financial crime. It will be of value to researchers, academics, professionals, and students in the fields of law, financial crime, technology, accounting and taxation.

Tax Guide for Small Business Rowman & Littlefield

Master story teller Marc Mappen applies a generational perspective to the gangsters of the Prohibition era—men born in the quarter century span from 1880 to 1905—who came to power with the Eighteenth Amendment. On January 16, 1920, the Eighteenth Amendment to the Constitution went into effect in the United States, “outlawing the manufacture, sale, or transportation of intoxicating liquors.” A group of young criminals from immigrant

backgrounds in cities around the nation stepped forward to disobey the law of the land in order to provide alcohol to thirsty Americans. Today the names of these young men—Al Capone, Lucky Luciano, Dutch Schultz, Legs Diamond, Nucky Johnson—are more familiar than ever, thanks in part to such cable programs as *Boardwalk Empire*. Here, Mappen strips away the many myths and legends from television and movies to describe the lives these gangsters lived and the

battles they fought. Placing their criminal activities within the context of the issues facing the nation, from the Great Depression, government crackdowns, and politics to sexual morality, immigration, and ethnicity, he also recounts what befell this villainous group as the decades unwound. Making use of FBI and other government files, trial transcripts, and the latest scholarship, the book provides a lively narrative of shootouts, car chases, courtroom clashes, wire

tapping, and rub-outs in the roaring 1920s, the Depression of the 1930s, and beyond. Mappen asserts that Prohibition changed organized crime in America. Although their activities were mercenary and violent, and they often sought to kill one another, the Prohibition generation built partnerships, assigned territories, and negotiated treaties, however short lived. They were able to transform the loosely associated gangs of the pre-Prohibition era into sophisticated, complex

syndicates. In doing so, they inspired an enduring icon—the gangster—in American popular culture and demonstrated the nation’s ideals of innovation and initiative. View a three minute video of Marc Mappen speaking about Prohibition Gangsters.

"Akashvani" (English) is a programme journal of ALL INDIA RADIO, it was formerly known as The Indian Listener. It used to serve the listener as a bradshaw of broadcasting ,and give listener the useful information in an interesting manner about programmes, who writes them, take part in them and produce them along with photographs of performing artists. It also contains the information of major changes in the policy and service of the organisation. The Indian Listener (fortnightly

programme journal of AIR in English) published by The Indian State Broadcasting Service, Bombay, started on 22 December, 1935 and was the successor to the Indian Radio Times in English, which was published beginning in July 16 of 1927. From 22 August, 1937 onwards, it used to be published by All India Radio, New Delhi. From 1950, it was turned into a weekly journal. Later, The Indian listener became "Akashvani" (English) w.e.f. January 5, 1958. It was made

fortnightly journal again w.e.f. July 1, 1983. NAME OF THE JOURNAL: AKASHVANI LANGUAGE OF THE JOURNAL: English DATE, MONTH & YEAR OF PUBLICATION: 15 DECEMBER, 1974 PERIODICITY OF THE JOURNAL: Weekly NUMBER OF PAGES: 48 VOLUME NUMBER: Vol. XXXIX. Remittances from Singapore 5. Health Hazards of Smuggling AUTHOR: 1. K. Kumara Sekhar 2. M. R. Amtey 3. Dr. Usha Mehta 4. Harish Chandola 5. Dr. N.P. Gupta Prasar Bharati Archives has the copyright in all matters published in this "AKASHVANI" and other AIR journals. For reproduction previous permission is essential. *The Law Times Reports* J. Somers In Volume Two of Ernest Fortin: Collected Essays, Fortin deals with the

relationship between religion and civil society in a Christian context: that of an essentially nonpolitical but by no means entirely otherworldly religion, many of whose teachings were thought to be fundamentally at odds with the duties of citizenship. Sections focus upon Augustine and Aquinas, on Christianity and politics; natural law, natural rights, and social justice; and Leo Strauss and the revival of classical political philosophy. Fortin's treatment of

these and related themes betrays a keen awareness of one of the significant intellectual events of our time: the recovery of political philosophy as a legitimate academic discipline.

John Wiley & Sons
The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for

sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

Black Light Routledge
L.B. Cole created some of the most bizarre, proto-psychedelic, eye-popping comic book covers of all time, yet remarkably this is the first retrospective of his career, featuring the largest collection of Cole covers ever assembled, in an oversize format that

showcases his attention to detail and his versatility in all the popular comic book genres of the day. Cole burst into comics during the glory years of the Golden Age of comics. He was famous for his bold covers, usually featuring

“poster colors” — brilliant primaries often over black backgrounds — and an over-the-top sense of the bizarre mixed with whimsy. There’s never been a comic book cover designer like L.B. Cole and there’s never been a book

like this one.
