THE #1 NEW YORK TIMES BESTSELLING JACK REACHER SERIES THAT INSPIRED TWO MAJOR MOTION PICTURES AND THE UPCOMING STREAMING SERIES REACHER "A thriller that gallops at a breakneck pace."—Chicago Sun-Times Jack Reacher. Hero. Loner. Soldier. Soldier's son. An elite military cop, he was one of the army's brightest stars. But in every cop's life there is one case that changes

everything. For Jack Reacher, this is that case. New Year's Day, 1990. In a North Carolina motel, a two-star general is found dead. His briefcase is missing. Nobody knows what was in it. Within minutes Reacher has his orders: Control the situation. Within hours the general's wife is murdered. Then the dominoes really start to fall. Somewhere inside the vast worldwide fortress that is the U.S. Army, Reacher is being set up as a fall guy with the worst enemies a man can have. But Reacher won't quit. He's fighting a new kind of war—against an enemy he didn't know he had. And against a conspiracy more chilling, ingenious, and treacherous than anyone could have

guessed. The Enemy, like most of the books in the Jack Reacher series, can be read as a standalone thriller. Night School Delacorte Press

A follow-up to the best-selling *Never Go Back* traces the fallout of game-changing events, placing Jack Reacher in a unique environment while pitting him against adversaries whose fates transform in unexpected ways. Reprint.

The Affair Random House

Jack Reacher finds himself in bad company in the second novel in Lee Child's New York Times bestselling series. Jack Reacher is an innocent bystander when he witnesses a woman kidnapped off a Chicago street in broad daylight. In the wrong

place at the wrong time, he's kidnapped with her. Chained together, locked in the back of a stifling van, and racing across America to an unknown destination for an unknown purpose, they're at the mercy of a group of men demanding an impossible ransom. Because this mysterious woman is worth more than Reacher ever suspected. Now he has to save them both—from the inside out—or die trying...

The Midnight Line

The SentinelA Jack Reacher Novel
When a man is killed by being thrown from a helicopter high over the California desert, loner Jack Reacher discovers that someone is targeting his old friends and

teammates and launches a personal campaign to end the conspiracy before it claims any more lives. Reprint.

Jack Reacher's Rules

Anchor

His cover: courthouse janitor. His cause: justice. But when Paul McGrath uncovers a shocking connection to a file of missing evidence, he finds the truth sometimes hits a little too close to home. An intelligence agent-turned-courthouse janitor, Paul McGrath notices everything and everyone—but no one notices him. It's the perfect cover for the justice he seeks for both his father and the people who've been wronged by a corrupt system. Now he's discovered a missing file on Alex Pardew—the man who

defrauded and likely murdered McGrath's father but avoided conviction, thanks in large part to the loss of this very file. And what lies behind its disappearance is even worse than McGrath had feared. Meanwhile, at the courthouse, he stumbles on the case of Len Hendrie, a small businessman who's been accused of torching a venture capitalist's mansion. Though Hendrie admits starting the fire, McGrath learns how the VC has preyed on average Joes to benefit himself—and his extensive wine collection. McGrath can't resist looking deeper into this financial predator and soon finds himself in a gray area between his avenging moral compass and the limits

of the law. Then, just as the Hendrie case is heating up, McGrath receives word of the death of his father's former housekeeper, sending him back to his family home to confront unfinished business from his past. And he's about to find some unwelcome truths about the mother he lost as a child—and the father who hid even more secrets than he realized.

Jack Reacher races to solve the perfect crime in the fourth novel in Lee Child's New York Times bestselling series. Across the country, women are being murdered, victims of a disciplined and clever killer who leaves no trace

evidence, no fatal wounds, no signs of struggle, and no clues to an apparent motive. They are, truly, perfect crimes. In fact, there's only one thing that links the victims. Each one of the women knew Jack Reacher—and it's got him running blind.

BESTSELLER • Never

go back—but Jack

Reacher does, and the

past finally catches up

with him. . . . Never Go

Back is a novel of

action-charged

suspense starring “one

of the best thriller

characters at work

today” (Newsweek).

Former military cop

Jack Reacher makes it

all the way from

snowbound South

Dakota to his

destination in

northeastern Virginia,

near Washington, D.C.:

the headquarters of his

old unit, the 110th MP.

The old stone building

is the closest thing to a

home he ever had.

Reacher is there to meet—in person—the

new commanding

officer, Major Susan

Turner, so far just a

warm, intriguing voice

on the phone. But it

isn't Turner behind the

CO's desk. And

Reacher is hit with two

pieces of shocking

news, one with serious

criminal consequences,

and one too personal

to even think about.

When threatened, you

can run or fight.

Reacher fights, aiming

to find Turner and clear

his name, barely a step

ahead of the army, and

the FBI, and the D.C.

Metro police, and four

unidentified thugs.

Combining an intricate

puzzle of a plot and an

exciting chase for truth

and justice, Lee Child

puts Reacher through

his paces—and makes

him question who he

is, what he's done, and the very future of his untethered life on the open road. Don't miss Lee Child's short story "High Heat" in the back of the book. Praise for *Never Go Back* "A breathless cross-country spree . . . some of the best, wiliest writing [Lee] Child has ever done . . . Child's bodacious action hero, Jack Reacher, has already tramped through 17 novels and three e-book singles. But his latest, *Never Go Back*, may be the best desert island reading in the series. It's exceptionally well plotted. And full of wild surprises. And wise about Reacher's peculiar nature. And positively Bunyanesque in its admiring contributions to Reacher

lore."—Janet Maslin, *The New York Times* "Welcome to the relentless world of Jack Reacher and his impressive tendency to be in the wrong place at the right time. . . . Child has created an iconic character that other thriller writers try to emulate but don't come close to matching. He has a talent for taking material that in the hands of other authors would be stale and making it seem fresh. . . . Tight and compelling . . . *Never Go Back* is one of Child's best novels."—Associated Press "An adrenaline-charged, action-packed thriller . . . impossible to put down."—*Lansing State Journal* "The dialogue has never been sharper. . . . The pages turn themselves."—San

Jack Reacher's Rules is the ultimate fan's guide to the World of Reacher! Featuring selections from all seventeen electrifying Jack Reacher novels and an introduction from Lee Child himself, this one-of-a-kind book compiles timeless advice from maverick former army cop Jack Reacher, the hero of Lee Child's blockbuster thrillers and now the star of a major motion picture. My name is Jack Reacher. No middle name, no address. I've got a rule: People mess with me at their own risk. You don't have to break the rules if you make the rules. Case in point: Jack Reacher, the two-

fisted, quick-witted, "current poster-boy of American crime fiction" (Los Angeles Times). The brainchild of #1 New York Times bestselling author Lee Child, Reacher is a freelance troubleshooter with a mysterious past—and a serious passion for justice. Now the hard-won knowledge and hard-hitting strategies of fiction's toughest tough guy are within every thriller reader's reach—in a rapid-fire rundown of the trade secrets, tried-and-true tricks, and time-honored tactics that separate the man in the street from the man to beat. Rule 1. When in doubt, drink coffee. Rule 2. Never volunteer for anything. Rule 3. Don't break the furniture. Rule 4. Only one woman at a time.

Rule 5. Show them what they're messing with. Please note: Jack Reacher's Rules is a compilation of advice, wisdom, and facts from the Jack Reacher series of novels by #1 New York Times bestselling author Lee Child. It features an introduction by Lee Child, but is not a Jack Reacher novel.

Delacorte Press
Jack Reacher takes an undercover assignment to investigate the disappearance of a federal agent from the home of a notorious drug dealer, but Reacher soon discovers that the dealer has ties to a man from his own past.

The Enemy MIRA
JACK REACHER NEVER LOOKS BACK . . . UNTIL NOW. The most hotly anticipated thriller of the year follows our

hero Jack Reacher on a quest into his father's past, and climaxes in the most blood-curdling ticking time bomb of an adventure yet. The present can be tense . . . A young couple trying to get to New York City are stranded at a lonely motel in the middle of nowhere. Before long they're trapped in an ominous game of life and death. But the past can be worse . . .

Meanwhile, Jack Reacher sets out on an epic road trip across America. He doesn't get far. Deep in the New England woods, he sees a sign to a place he has never been - the town where his father was born. But when he arrives he is told no one named Reacher ever lived there. Now he wonders: who's lying?

As the tension ratchets up and these two stories begin to entwine, the stakes have never been higher for Reacher. That's for damn sure. *A Jack Reacher Novel* Dell

Second Son: A Jack Reacher Story Bantam

The gripping new Jack Reacher thriller from the No.1 bestselling authors Lee Child and Andrew Child.

Gerrardsville, Colorado. One tragic event. Two witnesses. Two conflicting accounts. One witness sees a woman throw herself in front of a bus - clearly suicide. The other witness is Jack Reacher. And he sees what really happened - a man in grey hoodie and jeans, swift and silent as a shadow,

pushed the victim to her death, before grabbing her bag and sauntering away. Reacher follows the killer on foot, not knowing that this was no random act of violence. It is part of something much bigger...a sinister, secret conspiracy, with powerful people on the take, enmeshed in an elaborate plot that leaves no room for error. If any step is compromised, the threat will have to be quickly and permanently removed. But when the threat is Reacher, there is No Plan B.... PRE-ORDER YOUR COPY NOW

Persuader Dell

It had never been attempted before, and might never be done again. One man watching another man write a novel from

beginning to end. On September 1, 2014, in an 11th floor apartment in New York, Lee Child embarked on the twentieth book in his globally successful Jack Reacher series. Andy Martin was there to see him do it, sitting a couple of yards behind him, peering over his shoulder as the writer took another drag of a Camel cigarette and tapped out the first sentence: "Moving a guy as big as Keever wasn't easy." Miraculously, Child and Martin stuck with it, in tandem, for the next 8 months, right through to the bitter-sweet end and the last word, "needle". Reacher Said Nothing is a one-of-a-kind meta-book, an uncompromising account in real time of the genesis, evolution

and completion of a single work, Make Me. While unveiling the art of writing a thriller Martin also gives us a unique insight into the everyday life of an exemplary writer. From beginning to end, Martin captures all the sublime confidence, stumbling uncertainty, omniscience, cluelessness, ecstasy, despair, and heart-thumping suspense that go into writing a number-one bestseller. *Running Blind* Kensington Books "Everything starts somewhere. . . .For elite military cop Jack Reacher, that somewhere was Carter Crossing, Mississippi, way back in 1997. A lonely railroad track. A crime scene. A coverup. A young woman is dead, and solid evidence points to

a soldier at a nearby military base. But that soldier has powerful friends in Washington. Reacher is ordered undercover--to find out everything he can, to control the local police, and then to vanish. Reacher is a good soldier. But when he gets to Carter Crossing, he finds layers no one saw coming, and the investigation spins out of control. Local sheriff Elizabeth Deveraux has a thirst for justice--and an appetite for secrets. Uncertain they can trust one another, Reacher and Deveraux reluctantly join forces. Reacher works to uncover the truth, while others try to bury it forever. The conspiracy threatens to shatter his faith in his mission, and turn him into a man to be

feared."--Provided by publisher.

A Jack Reacher Novel Delacorte Press
Reacher is on a Greyhound bus, minding his own business, with no particular place to go, and all the time in the world to get there. Then he steps off the bus to help an old man who is obviously just a victim waiting to happen. But you know what they say about good deeds. Now Reacher wants to make it right. An elderly couple have made a few well-meaning mistakes, and now they owe big money to some very bad people. One brazen move leads to another, and suddenly Reacher finds himself a wanted man in the middle of a brutal turf war between rival Ukrainian and

Albanian gangs. Reacher has to stay one step ahead of the loan sharks, the thugs, and the assassins. He teams up with a fed-up waitress who knows a little more than she's letting on, and sets out to take down the

powerful and make the greedy pay. It's a long shot. The odds are against him. But Reacher believes in a certain kind of justice...the kind that comes along once in a blue moon.
