ESCOBAR BRYNN

The Lord's Sermon on the Mount Precept Ministries International Carefully crafted sermon ideas from an accomplished speaker for a wide range of preaching occasions. 100 Old Testament Sermon Outlines Herder & Herder Preeminent biblical scholar and preacher Walter Brueggemann says the book of Jeremiah is not a sermon, but it does sound the cadences of the tradition of Deuteronomy that serve as sermons--that is, as expositions based on remembered and treasured tradition. In this volume, Brueggemann

conducts an experiment in homiletics. He wants us to wrestle with the question, What if we allow the canonical shape of the book of Jeremiah to instruct us concerning the shape and trajectory of the sermon? More specifically, he wonders: What if the book of Jeremiah is treated as a long sermonic reflection about the traumatic events that led to exile and displacement for the people of Judah? Why did it happen? Is God faithful? Does God punish? Is there any future? This theme and these questions can also be related to the crucifixion of Jesus and the displacement experienced by his followers. Brueggemann extends his wonderment further

to the displacement experienced in modern American culture, as events jolt our notions of exceptionalism and chosenness. All of those same propensities were at work in ancient Israel in the wake of the displacement of Jerusalem, a wake given voice in the book of Jeremiah.

Brueggemann analyzes the various parts of the sermon through the organization of the book of Jeremiah, looking at Introduction, Body, and Conclusion, comparing them to Good Friday, Holy Saturday, and Resurrection Sunday. The task of the preacher mirrors the task of the prophet who seeks to pluck and tear down, as well as to plant and to build. The preacher cannot,

as he says, participate in a cover-up. The preaching task requires honesty about what God requires and a clear proclamation of what God has done and will yet do.

Sermons on Several Occasions Lifeway

Church Resources (Introduction by Warren W. Wiersbe) A source of instruction and encouragement for all ministers of the gospel. Highly recommended by Warren W. Wiersbe.

Preaching and Preachers WaterBrook Each volume provides 104 sermon outlines on a variety of Bible passages-that's two outlines for every Sunday of the year. A comprehensive and complete resource to help pastors preach the Word for an entire year. Complete with

Scripture index.

Core 52 The Good Book Company

"In this work, traditionally translated as *On Christian Doctrine*, Augustine combines the pedagogical methods he learned from Greek and Roman writings with the content of the Christian faith to help preachers present biblical teachings in an effective manner. This new translation is lively and accessible."

Library Journal

Weight of Glory Beacon Press

Pastor, preacher, and New York Times

bestselling author of

The Prodigal Prophet

Timothy Keller shares his wisdom on

communicating the Christian faith from the pulpit as well as from the coffee shop. Most Christians—including

pastors—struggle to talk about their faith in a way that applies the power of the Christian gospel to change people's lives. Timothy Keller is known for his insightful, down-to-earth sermons and talks that help people understand themselves, encounter Jesus, and apply the Bible to their lives. In this accessible guide for pastors and laypeople alike, Keller helps readers learn to present the Christian message of grace in a more engaging, passionate, and compassionate way.

Preach for a Year

Curiosmith

The Sermon on the Mount contains Jesus' description of what he wanted his followers to be and do. In this BST volume, John Stott guides readers through

Matthew 5 through 7, identifying key themes, confronting the challenges this text raises for today's Christians, and drawing out practical applications.

The Joy of Preaching

Fortress Press

Sermon on the Mount (Precepts for Life Study Guide: black and white version) Early in His ministry Jesus passed through the region of Galilee teaching in synagogues, preaching "the Gospel of the kingdom," and healing every kind of sickness. As news of these miracles spread rapidly to several other regions, people brought their desperately sick relatives and friends to Him. When He healed all of them, a huge crowd began to follow Him. At a strategic

point, He headed up a mountain overlooking the Sea of Galilee to teach them what has become known as the "Sermon on the Mount." Now what exactly did He say that was so important to such a vast audience and to us today? You'll discover what He said in these ten programs: 1. Who the religious authorities in His day were 2. Why you should choose Jesus to be your authority 3. How "sons of God" live in our age of darkness-what they value, how they think, and what they do. 4. What God has planned for His sons both in this life and in the next Throughout this Sermon Jesus presses the point that His Father is creating a kingdom of sons of light to invade, lighten,

and conquer darkness for all eternity. Join us in this exciting study to learn all it means to be a son of God, to be all in for God "so that you may be sons of your Father in heaven."

The Message of the Sermon on the Mount

Abingdon Press

The classic collection of Dr. King's sermons that fuse his Christian teachings with his radical ideas of love and nonviolence as a means to combat hate and oppression. As Martin Luther King, Jr., prepared for the Birmingham campaign in early 1963, he drafted the final sermons for *Strength to Love*, a volume of his most well known homilies. King had begun working on the sermons during a fortnight in jail in July 1962. While behind

bars, he spent uninterrupted time preparing the drafts for works such as "Loving Your Enemies" and "Shattered Dreams," and he continued to edit the volume after his release. *Strength to Love* includes these classic sermons selected by Dr. King. Collectively they present King's fusion of Christian teachings and social consciousness and promote his prescient vision of love as a social and political force for change.

The Gospel Preacher

BRILL

The inspirational sermons of the old Negro preachers are set down as poetry in this collection -- a classic for more than forty years, frequently dramatized, recorded, and anthologized. Mr. Johnson tells in his

preface of hearing these same themes treated by famous preachers in his youth; some of the sermons are still current, and like the spirituals they have taken a significant place in black folk art. In transmuting their essence into original and moving poetry, the author has also ensured the survival of a great oral tradition. Book jacket.

Preaching to a Divided Nation Kregel Publications

Viewed as antiquated and remote, the Old Testament is frequently neglected in the preaching and teaching ministry of the church. But contrary to the prevailing attitude, might the Old Testament contain relevant and

meaningful application for today? Renowned author and scholar Walter Kaiser shows why the Old Testament deserves equal attention with the New Testament and offers a helpful guide on how preachers and teachers can give it the full attention it deserves. Growing out of his teaching material from the last decade, *Preaching and Teaching from the Old Testament* demonstrates Kaiser's celebrated straightforward exposition. Offering an apologetic for the Christian use of the Old Testament, the opening chapters deal with the value, problem, and task of preaching from it. Following a discussion of the role of expository preaching,

Kaiser provides a practical focus by examining preaching and teaching from the texts of various genres. A final chapter explores the relevance of the Old Testament in speaking to a contemporary audience. Bible teachers, pastors, seminary students, and professors will appreciate Kaiser's practical focus and relevant applications. Additional helps include a glossary and suggested outlines and worksheets for expository preaching.

God's Trombones

Baker Academic
Study guide designed to accompany a Bible study course on the Sermon on the mount.
A Treatise on the Preparation and Delivery of Sermons
Fortress Press

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary

relevance.

Preaching Jeremiah

Baker Books

Abraham Kuruvilla's *A Vision for Preaching* offered an integrated biblical and theological vision for preaching. *A Manual for Preaching* addresses the practical (and perennial) issue of how to move from the biblical text to an effective sermon. The author, a well-respected teacher of preachers, shows how to discern the text's theological meaning and let that meaning shape the development of the sermon. Clearly written and illustrated with Old Testament and New Testament examples, the book helps preachers negotiate larger swaths of Scripture and includes two annotated sermon manuscripts from

Kuruvilla.

The Sunday Sermons of St. Bonaventure

Kregel Academic

"Meister Eckhart's complete mystical teachings together in one volume, for the first time! With a foreword by leading Eckhart scholar Bernard McGinn, and the elegant translation of Maurice O'C Walshe, this comprehensive and authoritative work is a treasure for every serious spiritual seeker, and the finest volume on Eckhart ever to appear in English."--Publisher's website.

The Works of Saint Augustine Abingdon Press

In *Preaching and Preachers*, the author states unapologetically his attitudes about his role in the church and explains his

methodology, all the while addressing various problems and questions that have been put to him.

A Manual for Preaching Kregel

Academic

In *A Lay Preacher's Guide: How to Craft a Faithful Sermon*, Karoline M. Lewis provides lay preachers with an essential and accessible guide to the basics of Sunday morning preaching.

Laypeople are increasingly called to serve congregations and are preaching regularly. But often they do not have immediate, reliable, or trusted access to homiletical instruction or support for their preaching. As a result, these church leaders--feeling called to ministry and to preach, and affirmed by

denominational leaders to do so--are left on their own to figure out how to preach. In *A Lay Preacher's Guide*, Lewis gives this unique subset of preachers the foundations of biblical preaching, so they can preach faithfully in their unique contexts.

She lays out in a concise and clear format the steps to preaching a faithful sermon, a process that can be immediately applied to weekly sermon preparation. This book is a go-to resource for lay preachers, providing a basic course for faithful preaching.

Sermon on the Mount (Precepts for Life Program Study Guide)
Penguin

In this complete guide to expository preaching, Bryan Chapell teaches the

basics of preparation, organization, and delivery--the trademarks of great preaching. This new edition of a bestselling resource, now updated and revised throughout, shows how Chapell's case for expository preaching reaches twenty-first-century readers.

A Lay Preacher's Guide New City Press Jonathan Edwards was voted out of his congregation in Northampton, Massachusetts, on June 22, 1750, because of his belief that the Lord's Super was not for the unconverted. A Farewell Sermon was preached on July 1, 1750 and addressed of how a pastor cares for his congregation, and how he will meet with them again in heaven at the Judgment when

all truth will be known. Jonathan Edwards gives advice and warning to the congregation. He eventually moved to work among the Housatonic Indians at Stockbridge, Massachusetts. Strength to Love Kregel Academic Learn to use four characteristics of "preaching with moral imagination" to proclaim freedom for all. The author describes the four characteristics using examples like Robert F. Kennedy, Dr. Martin Luther King, Jr., Prathia Hall, and the Moral Monday Movement, along with musicians and other artists of today. Moral imagination helps the hearer to see what they cannot see, to hear what they cannot

hear--to inhabit the lives of others, so that they can embody Christ and true freedom for those others. This book equips and empowers preachers to transcend their basic skills and techniques, so that their proclamation of the Word causes actual turnaround in the hearts and lives of their hearers, and in their communities. "Frank Thomas has written a passionate summons: amid the current destructive chaos of our society there is an urgent need for moral imagination. Such imagination is the antithesis of "diabolic" and "idolatrous" imagination that is all to the fore in our public discourse and practice. Thomas fleshes out "moral imagination" with close reflection on

the practice of Robert F. Kennedy and Martin Luther King. Before he finishes Thomas shows how the urgency of "moral imagination" belongs peculiarly to the work of the preacher. This book is a welcome call for gospel-grounded courage and truth about the neighbor issued in a way that refuses the self-serving fakery that dominates our public life." -- Walter Brueggemann, Columbia Theological Seminary "Timely and prophetic, How to Preach a Dangerous Sermon presents a homiletic essential for our churches today. Thomas insists that it is up to the preacher to recapture and reclaim the moral imagination of our nation so that the Gospel's message of freedom is true for

all people. With attention to specific figures whose witness models the qualities and characteristics of moral imagination, Thomas inspires the preacher toward powerful proclamation that both challenges and critiques any speech that subjugates or subordinates. How to Preach a Dangerous Sermon is must read for preachers to recover and reimagine the leadership role of the church for the sake of justice for all." -- Karoline M. Lewis, Associate Professor of Biblical Preaching and the Marbury E. Anderson Chair of Biblical Preaching, Luther Seminary; author of She: Five Keys to Unlock the Power of Women in Ministry. "In this lucid and compelling book,

Frank Thomas plumbs the depths of American moral rhetoric for insights that will help preachers. How to Preach a Dangerous Sermon provides new and dramatic ways in which the moral imagination in a democratic society can be nurtured by visionary, empathic, wise, and artistic preachers."--John S. McClure, Charles G. Finney Professor of Preaching and Worship, Vanderbilt Divinity School "Warning: Preachers, if you are comfortable with the status quo of white privilege, patriarchy, hetero-normativity, and classism, do not read this book. If you are comfortable with sermon series that reduce the gospel to self-help acronyms, don't read this book.

But if you have the courage to look honestly at our landscape and bring the moral imagination of the Christian tradition to bear on it, open these pages and your sermons may never be the same again. But then again

neither will the church--or the world--be the same anymore, if enough of us follow Thomas's advice." --O. Wesley Allen, Jr., Lois Craddock Perkins Professor of Homiletics, Perkins School of Theology, Southern Methodist University
