[The Complete Guide to Lincoln Cents](#) HarperCollins

In the authors' own words, this new edition of *Strike It Rich with Pocket Change*, dispels the myths of error coins and assists you in discovering, marketing, and researching rare coins that you can find in your pocket change. More than 350 close-up illustrations, key identifying details and current market values help you decipher the difference between proper and error issues and varying types of coins. In addition, this unique must-have how-to also includes: • Coverage of Lincoln Memorial Cents, Roosevelt Dimes, Washington Quarters, John F. Kennedy Half Dollars, State Quarters • Expert insight and advice about tools of the trade, preserving coins, buying and selling error-variety coins • Terms and definitions associated with error coins Whether it's a Jefferson Presidential dollar missing edge lettering, that's worth \$2,000 - \$10,000 plus or a Lincoln cent with trail marks that make it an error worth \$1 - \$3 there are hidden treasures to be found in your pocket change, if you know what to look for.

Beginning readers will learn to cultivate calmness and focus with the Cat in the Hat in this simple rhymed introduction to mindfulness meditation! Life is a juggling act that can often make us feel dizzy and dazed--kids included! Between school, homework, chores, after school activities, play dates, Zoom calls--you name it--keeping all those balls in the air can be taxing! But the Cat in the Hat has a solution to the madness. It's called mindfulness meditation, and in this simple, rhymed Cat in the Hat's Learning Library Book, he shows kids how to slow down and still their bodies and minds through simple breathing exercises and focused concentration. This is a perfect choice for fostering mindfulness in young readers, and a practical tool for helping them learn to deal with stress. Fans of the hit PBS show *The Cat in the Hat Knows a Lot About That!* will be happily surprised to learn that

the Cat knows as much about fostering good mental and physical health as he does about science! The Cat in the Hat's Learning Library is a nonfiction, unjacketed hardcover series that introduces beginning readers ages 5-8 to important basic concepts. Featuring beloved characters from Dr. Seuss's *The Cat in the Hat*, the Learning Library titles explore a range of topics about the world we live in and include an index, glossary, and suggestions for further reading.

One Proud Penny Grosset & Dunlap

The Cat in the Hat joins forces with the Partnership for a Healthier America! In this newly revised edition—with 16 pages of bonus materials—the Cat in the Hat takes young readers to a Seussian Spa where they learn the basics of healthy living. Updated with the assistance of the Partnership for a Healthier America, the Cat explains the importance of eating right (based on the latest USDA MyPlate recommendations); staying active; getting enough sleep; handwashing; brushing and flossing; wearing protective gear when playing sports—even the best way to sneeze when you don't have a tissue handy! The 16 pages of newly added backmatter include simple, fun suggestions for children to increase their activity throughout the day, plus 8 kid-friendly, healthy recipes for parents to prepare for their hungry broods. An ideal choice for supporting Common Core Standards and fans of the hit PBS Kids television show *The Cat in the Hat Knows a Lot About That!*—this is a book that supports healthy bodies AND healthy minds!

Mendel's Daughter Random House Books for Young Readers

Make the Most of Your Time with Your Children On the day of their baby dedication, Eryn and her husband were given a jar of 936 pennies. The jar contained a penny for every week they would raise their child until graduation, and they were instructed to remove one penny each Sunday as a reminder, placing it into another jar as an investment. At some point every parent realizes time is moving swiftly, and they ask themselves, How am I investing in my child? Through personal stories and biblical examples, *936 Pennies* will help you discover how to capture time and use it to its fullest potential, replacing guilt and regrets with freedom. Meanwhile, your kids will see how simple choices, like putting the cell phone down and going on a family hike, will make all the difference. Together you will stretch time and make it richer. Craft a family legacy in tune with God's heartbeat as you capture a new vision for your children and learn the best ways to spend your pennies.

One Cent, Two Cents, Old Cent, New Cent Simon and Schuster

Depicts the struggles and sweetness of the author's childhood in Brooklyn as the son of Holocaust survivors, growing up in the back of his family's candy store in Brownsville during the neighborhood's deep decline.

U Got to Have U Some Fun Page Street Kids

"Money may seem hopelessly mundane and culturally meaningless, but it has dominated--and documented--world history since the time of the ancient Greeks. This heavily illustrated book provides a spirited account of the first coinages and their living descendants in our pockets and purses. It explains how people from Jesus to The Beatles have used numismatics to explore the social, political, economic, and religious history of the world"--

When Money Talks Random House Books for Young Readers

Join Thing One and Thing Two from Dr. Seuss's *The Cat in the Hat* as they try to catch a leprechaun in this sweet, sturdy board book perfect for St. Patrick's Day! Written in super-simple rhyme, this bright, funny board book features Thing One and Thing Two as they chase a tricky leprechaun through a St. Patrick's Day parade, where they encounter bag pipe and harp players, Irish stepdancers, four-leaf clovers, a rainbow, and even a pot of gold! A perfect gift for babies and toddlers, this is an ideal way to celebrate St. Patrick's Day and introduce the very youngest children to the magical world of Dr. Seuss!

A Dollar Outta Fifteen Cent Random House Books for Young Readers

If she hustled hard enough, she could stay ahead of the game—that was her life story, always trying to make a dollar outta fifteen cent... Street-smart Portia Lane traded in her church roots and college degree for sex-fueled stardom as Brooklyn's hottest stripper. The hood respects her, men in suits open their wallets, her girlfriends—Laila, Simone, and Fatima—have got her back, and the money rolls in. Then Portia breaks her own rules and falls dangerously in love with one of her regulars, and everything about the way she lives her life comes into question. Jay is an ambitious music executive who's a little bit thug, and all sexy—and Portia must genuinely change to win his trust and prove her love for him is not inspired by his wealth. But one way or another, Portia will pay the price for her tumultuous past.

Three Cups Whitman Publishing

Teaching children how to save, spend, and be charitable can be as simple as 1, 2, 3. All parents want to teach their children good money habits from an early age. Many start by giving them an allowance. But it's equally important to teach children a positive, generous attitude as they learn to use money responsibly. Filled with warm, memorable illustrations by award-winning painter, April Willy, *Three Cups* is the story of one family's unique and effective method of teaching personal financial management—and how one boy reaped first the small, then the immeasurably great rewards of the lessons he learned. Families will be delighted with the heart-warming tale and want to integrate the three-cup system in their own children's lives.

Two Cents Plain National Geographic Books

From mint, to pocket, to vending machine--tag along with George, a brand new quarter, and see how far a coin goes. With her signature bright, cartoony illustrations, Loreen Leedy explores American currency from the coins' point of view. George starts his day at the U.S. Mint, but he's soon swept away to a bank and dispensed, with a roll of his fellows, to make change at a grocery store. Again and again the quarter changes hands--dropping into a vending machine, bouncing in a purse, slipping through a hole in someone's pocket. At each transaction, the arithmetic is laid out to show how we add, subtract, and multiply money every day. Keen-eyed readers will notice the page numbers are represented in bills and coins, and the amounts pictured in each scene add up to the listed totals, aiding identification of different denominations of money. This funny introduction to cold hard cash also includes an author's note about different kinds of currency through the ages, how to spot a counterfeit bill, an introduction to the 50 States Quarters™ program, and a list of money-related vocabulary. Pocket change has never been so entertaining!

Oh, The Things You Can Do That Are Good for You HarperCollins

Edna and Leo, a perpetually warring, tyrannical pair in their 80s, begin wintering in Mexico, where

they abandon their usual prudence to embrace adventure and a bevy of sketchy new friends. Soon, Edna adopts a pair of shyster builders whom she trusts over her own architect-daughter Elizabeth, and a farcical house results. Blithely indifferent to the calamities that result, the pair refuse all help from their too-compliant only child. Later, following her mother's sudden death, Elizabeth's wise, principled father attempts to fill his late wife's shoes with a string of loopy, live-in housekeepers—with privileges, he hopes. Before it is over the Mexican escapade will bring down the kind of disasters commonly found in pulp fiction. Why can't Elizabeth stop any of this from happening? No matter the madness, she cannot confront her parents any more than she ever could. In the end, the surprising way in which they come undone reveals just what they spent their lives trying to hide, thereby setting her free. Though unique in its loony details, *Don't Say A Word!* will resonate with beleaguered adult-children everywhere who will recognize the special misery of watching, helpless, as stubborn, diminished parents careen precariously toward the end of life.

The Coin Counting Book Pratham Books

A Children's Book about Friendship That Celebrates Quality over Quantity Sawyer is a ten-year-old girl who has a penny for every one of her friends. Her penny jar is full—but how many friends does

she really have? One Cent, Two Cent, Old Cent, New Cent Macmillan

Generations of coin collectors have grown up with the Lincoln cent. Now, as the coin nears its 100th anniversary (and the bicentennial of Abraham Lincoln's birth), Q. David Bowers provides a detailed study of this great American classic. "Lincoln cents are among the most fascinating coins in the entire American series," writes Bowers. "Believe it or not, they also offer some of the greatest challenges." In this single volume you'll absorb the history of the coin's two classic reverse designs, take an inside look at the minting process, and learn how to grade your collection, including Proofs. Bowers shares tips on becoming a smarter buyer. He even gives a sneak preview of what the U.S. Mint has in store with a 2009 redesign. The book includes a thorough market analysis for each date and mintmark, and a special appendix on error coins. Read and enjoy, as you gain a better appreciation of America's most popular cent. Book jacket.
