The Middle Ages. The middle ages through the eighteenth century Oxford University Press, USA

In *The New Oxford Book of Literary Anecdotes*, master anthologist John Gross brings together a delectable smorgasbord of literary tales, offering striking new insight into some of the most important writers in history. Many of the anecdotes here are funny, others are touching, outrageous, sinister, inspiring, or downright weird. They show writers from Chaucer to Bob Dylan acting both unpredictably and deeply in character. The range is wide--this is a book which finds room for Milton and Shakespeare, Mark Twain and Walt Whitman, Kurt Vonnegut and P. G. Wodehouse, Chinua Achebe and Salman Rushdie, James Baldwin and Tom Wolfe. It is also a book in which you can find out which great historian's face was once mistaken for a baby's bottom, which film star experienced a haunting encounter with Virginia Woolf not long before her death, and what Agatha Christie really thought of her popular character Hercule Poirot. It is in short an unrivalled collection of literary gossip offering intimate glimpses into the lives of authors ranging from Shakespeare to Philip Roth--a book not just for lovers of literature, but for anyone with a taste for the curiosities of human nature.

Volume 2 : 1800 to the present Oxford University Press, USA
This is the ultimate anthology of theatrical anecdotes, edited by lifelong theatre-lover Gyles Brandreth in the Oxford tradition, and covering every kind of theatrical story and experience from the age of Shakespeare and Marlowe to the age of Stoppard and Mamet, from Richard Burbage to Richard Briers, from Nell Gwynn to Daniel Day-Lewis, from Sarah Bernhardt to Judi Dench. Players, playwrights, prompters, producers—they all feature. *The Oxford Book of Theatrical Anecdotes* provides a comprehensive, revealing, and hugely entertaining portrait of the world of theatre across four hundred years. Many of the anecdotes are humorous: all have something pertinent and illuminating to say about an aspect of theatrical life—whether it is the art of playwriting, the craft of covering up missed cues, the drama of the First Night, the nightmare of touring, or the secret ingredients of star quality. Edmund Kean, Henry Irving, John Gielgud, Laurence Olivier, Ellen Terry, Edith Evans, Maggie Smith, Helen Mirren—the great 'names' are all here, of course, but there are tales of the unexpected, too—and the unknown. This is a book—presented in five acts, with a suitably anecdotal and personal prologue from Gyles Brandreth—where, once in a while, the understudy takes centre-stage and Gyles Brandreth treats triumph and disaster just the same, including stories from the tattiest touring companies as well as from Broadway, the West End and theatres, large and small, in Australia, India, and across Europe.

developments and social upheavals of the twentieth century. *The Oxford Anthology of English Poetry* Oxford University Press
Medieval English Literature is the first volume of the comprehensive Oxford Anthology of English Literature to be published in a second, expanded, and fully revised edition. It provides an authoritative and representative selection from the vast riches of Anglo-Saxon and Middle English literature of the period between AD 700 and AD 1500. The texts are presented either in full or in ample selections, helpfully and fully glossed and annotated according to the most recent scholarship. They are situated in their cultural context through general and particular introductions and through the carefully chosen illustrations, many of them new. Texts, annotations, introductions, and the bibliography have been thoroughly revised and brought up to date, and there is a full glossary of literary and historical terms. Anglo-Saxon poetry appears in modern verse translation. In addition to the whole of Beowulf (Edwin Morgan's translation), elegies, *The Dream of the Rood*, and *The Battle of Maldon*, there is a sampling of wisdom literature and of biblical epic made with particular reference to the situation of women in Anglo-Saxon society. The generous choice of Chaucer's poetry, in a lightly modernized, glossed text, now includes, as well as the General Prologue and the tales of the Miller, the Nun's Priest, the Wife of Bath (with her Prologue), the Franklin, and the Pardoner, an extract from *The Legend of Good Women*, and others from the Scottish Chaucerians Henryson and Dunbar. For romance, the whole of the third book of Chaucer's *Troilus and Criseyde* and the entire text of *Sir Orfeo*, both glossed, have been added to *Sir Gawain and the Green Knight* (revised translation by Keith Harrison). The selections from Malory's *Morte Darthur* have been augmented, as have the translated extracts from *The Visions of Piers Plowman* (with the account of the Harrowing of Hell). Modernized versions of the Chester Play of Noah and the Seven Deadly Sins episode from *The Castle of Perseverance* join the Second Shepherds' Play and *Everyman* in the Theater section. Ballads and lyric poetry have also been changed and amplified to link with a notable innovation: the section entitled *Women's Writing and Women's Experience*, an introduction to Middle English prose written by and for women.

Though the wonders of ancient Roman culture continue to attract interest across the disciplines, it is difficult to find a lively, accessible collection of the full range of the era's literature in English. *The Oxford Anthology of Roman Literature* provides a general introduction to the literature of the Roman empire at its zenith, between the second century BC and the second century AD. Two features of this extraordinarily fertile period in literary achievement as evidenced by this anthology are immediately and repeatedly clear: how similar the Romans' view of the world was to our own and, perhaps even more obviously, how different it was. Most of the authors included in the anthology wrote in Latin, but as the anthology moves forward in time, relevant Greek texts that reflect the cultural diversity of Roman literary life are also included, something no other such anthology has done in the past. Roman literature was wonderfully creative and diverse, and the texts in this volume were chosen from a broad range of genres: drama, epic, philosophy, satire, lyric poetry, love poetry. By its very nature an anthology can abbreviate and thus obscure

the most attractive features of even a masterpiece, so the two editors have not only selected texts that capture the essence of the respective authors, but also have included accompanying introductions and afterwords that will guide the reader in pursuing further reading. The presentations of the selections are enlivened with illustrations that locate the works within the contexts of the world in which they were written and enjoyed. The student and general reader will come away from this learned yet entertaining anthology with a fuller appreciation of the place occupied by literature in the Roman world.

The thrill and chill of the ghost story is displayed in all its variety and vitality through this marvellous anthology. Ranging from the early 19th century to the 1960s, the collection reveals the development of the genre, and showcases many of its greatest expositors - from Sir Walter Scott, H. G. Wells, M. R. James, T. H. White, Walter de la Mare, and Elizabeth Bowen in the UK to Edith Wharton in America. Though its heyday coincided with the golden age of Empire in the nineteenth century, the ghost story enjoyed a second flowering between the two World Wars and its popularity is as great as ever.
