### Creating the Perfect Backyard and Garden for You and Your Dog

Human Rights Watch  
This is the most terrifying urban tale since the original motion picture, Candyman. Kenny Robbins, Author of Nobodys Hostage The Lomax Brown projects in D-Town are experiencing a preponderance of brutal murders. Human carcasses and the dismembered remains of men of all ages are being found throughout the twin cities largest urban housing development, and in various locations on the citys eastside. Discovered in dumpsters, in alleyways, and within the units of the horde of massive buildings that comprise the infamous projects are the remnants of fathers, sons, grandsons, and husbands, deprived of their heads, genitals, and entrails by a mysterious and unseen evil that would come to be known as the eastside ripper. The killings began a month after the death of Lorenzo Ren Hickem, a long-term and well known resident of the Browns who was savagely murdered while soliciting the services of an A-Town prostitute on A-Towns notorious Nile Ave. After the killings had begun, rumors immediately began to circulate throughout the community about the late Rens vengeful revenant being the culprit, considering that very few if any believed that a normal person could be responsible for these deeds because of the brutal and heinous nature of the killings. And as the body count continues to pile up, the residents of the Browns and inhabitants of the entire eastside community find themselves on the perils of familial and communal collapse because of the mass hysteria that inevitably ensued. Unsurprisingly, the initial questions of who or what could it be? burgeoned into the portentous and foreboding who will be next?

AS FAR AS FITTING THE STEREOTYPES bestowed to infamous chain-link murderers that exist outside African American culture, there was a time when black serial killers were recognized, to some extent, implausible by purported experts who probably cared not to explore the primary nature of the slayers' transgressions. Nevertheless, the obscured story of handyman Morris Solomon Jr. has to be one of the most interesting tales untold as it is one of the most horrific yarns in the annals of American crime. The handyman's misdeeds, when briefly brought to the public's attention, virtually reminded society that killers continuously come in all colors, shapes, and sizes. Solomon was convicted of killing six young women, ages 16 to 29, in the Sacramento, California, neighborhood of Oak Park between 1986 and 1987. The handyman's grisly method of murder left detectives and medical examiners mystified. The identification process of his victims' remains was distinctly a laborious assignment, too. The victims —drug addicts, prostitutes, and devout mothers — were stuffed in closets, hidden under debris, and arguably, one court judge strongly considers, buried alive. In retrospect, the handyman was first accused of murder in the mid-1970s; and authorities suspect him to be linked to four more homicides in Sacramento. Solomon — once declared as a "Mentally Disordered Sex Offender"— is now on death row in Northern California's San Quentin State Prison awaiting execution. The unassuming handyman's 18-year reign of terror includes a record of sexual assaults, attempted kidnappings, and separate despicable sex acts performed strictly for humiliation. In *The Homicidal Handyman of Oak Park: Morris Solomon Jr.*, author and journalist Tony Ray Harvey recounts the black serial killer's dysfunctional upbringing, atrocious crimes, and hardly noticeable court trial. Harvey's book also provides explicit crime scene photos, the history of the death penalty system in the state of California, the city of Sacramento's drug culture in the mid-1980s, and exclusive prison interviews of the mild-mannered handyman.

**A Short Story Collection** Balboa Press

*Beautiful Menace (or Viral Violence)* Half Japanese and half Jamaican, Aoki is young, beautiful, and known throughout her Brooklyn neighborhood as a menace to local authorities. On the eve of a brutal murder that hits close to home, Aoki needs her friends more than ever. Her ride-or-die besties, Tisa and Ri-Ri, are down to help by any means necessary, even if it puts their own freedom at risk. While coming up in the drug game, AZ gets into a situation he can't handle on his own. When he reaches out to Aoki - an unlikely ally - the girls agree to handle his problem for a small fee. When surveillance video of the conquest goes viral, the Brooklyn hood chicks are transformed into Killer Dolls. This overnight fame brings heat to the Killer Dolls, with jealousy, envy, and a dark secret threatening to destroy everything.

\*LAMBDA Literary Award Finalist\* Alternating between past and present, a forbidden love story blooms in the sexually oppressive early-1960's in T. Greenwood's shimmering, haunting novel that explores the nature of memory, aging, feminism, lust, and most importantly, love in a tumultuous era. In this deeply tender novel, acclaimed novelist T. Greenwood moves deftly between the past and present to create a poignant and wonderfully moving story of friendship, the resonance of memories, and the love that keeps us afloat. In 1960, Billie Valentine is a young housewife living in a sleepy Massachusetts suburb, treading water in a dull marriage and caring for two adopted daughters. Summers spent with the girls at their lakeside camp in Vermont are her one escape--from her husband's demands, from days consumed by household drudgery, and from the nagging suspicion that life was supposed to hold something different. Then a new family moves in across the street. Ted and Eva Wilson have three children and a fourth on the way, and their arrival reignites long-buried feelings in Billie. The relationship that deepens between the two women offers a solace Billie has never known, until their secret is revealed and both families are wrenched apart in the tragic aftermath. Fifty years later, Ted and Eva's son, Johnny, contacts an elderly but still spry Billie, entreating her to return east to meet with him. Once there, Billie finally learns the surprising truth about what was lost, and what still remains, of those joyful, momentous summers.

**Blood Lust** National Geographic

Describes the physical characteristics, behavior, voices, and habitats of a variety of common birds, arranged by their color. Includes the Peterson System of identifying birds by their unique markings.

*Ren'S Playhouse* Simon and Schuster

When someone deposits two bodies in a retired detective's backyard in the middle of the night, he has to go to work again to find out who is responsible and why his backyard was chosen. A lot of hilarious events happen in this whodunit before the detective can return to being retired again.

**The Diary of Audrey Malone Frayer** Marshall Cavendish International Asia Pte Ltd

*The Tenth Man—Gold Bar Trials* (1981).The true story of the murder of a gold merchant and his two employees reads like a fast-paced thriller.From the sinister excitement of the plotting and the merciless, savage execution of the victims, to the hiding and waiting for eventual retribution, this will prove one gripping read. *The Murder of a Beauty Queen* (1984).This is the story of a man found guilty on circumstantial evidence, of the murder of his beautiful, sensuous, rich and widowed sister-in-law. Not until the condemned man appealed did a witness admit he had committed perjury—given false evidence. Confessing, this was the first time in Malaysia's legal history that a witness in a murder trial had been convicted and sentenced to long-term imprisonment for perjury.The accused was finally acquitted. Had he been hung and the perjurer exposed later, this perjurer would most likely have been hung in accordance to the law that demands a life for a life in these circumstances. With carnal and carnage in flux, this is a trial not to be missed.

Serial killers and murder are what make Laura Drake's novels bestsellers. Twelve years ago, she came to Castlebay to write *Murder*, the first book of her Black Shadow series. But a terrifying experience with Regina Tate made her too frightened to return to write the sequel. Now, Laura is finally back in Castlebay. Mayhem begins where *Murder* ended in fictional Shadylake with serial killer Alice Crain. Alice has just murdered Eve Collins and stolen her manuscript. Willing to do anything to become a famous mystery writer, she decides to write what she knows best--murder. Alice's plan--one murder equals a new chapter. When Laura Drake completes *Mayhem*, a last-minute decision leads her to visit an old woman in Bear Ridge. With each strange signpost, she's pulled into her own mystery of black shadows. Serial killer Alice Crain is a character in Laura's books. But who is Laura Drake, the writer who created Alice? What makes Laura so adept at writing about murder and mayhem?

[When's My Birthday?](#) Devine Destinies

Ten men were involved in the robbery and the gruesome murder of a gold merchant and his two employees. Stolen from them were 120 bars of pure gold. Nine of the men were subsequently found guilty. Seven were hung. Two narrowly escaped the gallows because of their youth. The tenth man, however, escaped death. A fast-paced account that captures the sinister excitement and drama of the plotting, and merciless and savage execution of the victims, by a twisted bunch of felons. Just who betrayed whom? **Bone Crusher** Simon and Schuster

This is the continuing story of two men, alike in many ways, who

travel far from their native land but are both drawn back to Durham, the spectacular mediaeval city that dominates the northeastern counties of England. But there is a difference. Six hundred years separates the lives of the two men. Oswald, who has seen action in France and England, is loyal to his King, Edward III, who is also called Plantagenet. When Oswald sees that the lives of Edward and his son, John of Lancaster (called John of Gaunt by many modern historians), are in jeopardy, he calls to his descendent, James Simpson, for help. James Simpson is a scientist of world renown who turns his talents to writing historical fiction. After returning to his native Durham, he settles into a quiet village hoping to continue his writing. But when Oswald contacts him, he realizes that they are closer in relationship and behavior than he had believed. Simpson is surprised to find that Oswald is reaching out to him from the past. He is also surprised that Oswald has a mission for him that requires being transported back into the fourteenth century. Simpson cannot resist being personally drawn into the mystery. With the exception of the main fictional characters in the story, the book is a historically accurate account of life in the fourteenth century and the politics that surrounded the throne of England.

*Life Through the Lens of a News Photographer* Lulu.com

A Library Journal Best Book of 2013! A Booklist Best Crime Novel of 2013! There is very little peace for a man with a body buried in his backyard. But it could always be worse... More than a year ago, mild-mannered Jason Getty killed a man he wished he'd never met. Then he planted the problem a little too close to home. But just as he's learning to live with the undeniable reality of what he's done, police unearth two bodies on his property—neither of which is the one Jason buried. Jason races to stay ahead of the consequences of his crime, and while chaos reigns on his lawn, his sanity unravels, snagged on the agendas of a colorful cast of strangers. A jilted woman searches for her lost fiancé, a fringe dweller runs from a past that's quickly gaining on him, and a couple of earnest local detectives piece clues together with the help of a volunteer police dog—all in the shadow of a dead man who had it coming. As the action unfolds, each character discovers that knowing more than one side of the story doesn't necessarily rule out a deadly margin of error. Jamie Mason's irrepressible debut is a macabre, darkly humorous tale with the thoughtful beauty of a literary novel, the tense pacing of a thriller, and a clever twist of suspense.

*Killer Dolls - Part 2* Pinnacle Books

Have you ever been excited about meeting your dream lover? Aren't you just as glad when you run into your old pal? **Lyons Press Classics** St. Martin's Press

Extreme gardening often involves gnomes and planted bodies... It's just an ordinary day for octogenarian sleuth Myrtle Clover--until her yardman discovers a dead body planted in her backyard. This death isn't cut and dried--the victim was bashed in the head with one of Myrtle's garden gnomes. Myrtle's friend Miles recognizes the body and identifies him as Charles Clayborne... reluctantly admitting he's a cousin. Charles wasn't the sort of relative you bragged about--he was a garden variety sleaze, which is very likely why he ended up murdered. As Myrtle starts digging up dirt to nip the killings in the bud, someone's focused on scaring her off the case. Myrtle vows to find the murderer...before she's pushing up daisies, herself.

Describes how to create an asthetically-pleasing natural setting that will not only attract birds, but will also provide them with food and shelter

*Assessing Writing* Marshall Cavendish International Asia Pte Ltd

Lure Them Home When the urge took hold, serial killer Larry Bright brought women back to his home. After raping and murdering his victims, he brutally disposed of their bodies. Sometimes he built a white-hot fire and burned them in his backyard. Other times he dumped them along nearby roads and fields. Rape And Murder Them For years, Bright had trolled the roads and back streets of Illinois for the most helpless, desperate women he could find. Then one woman escaped, and suddenly police were looking for bodies everywhere--trying to find out how many women Bright had really killed and what he had done with

their remains. *Burn Their Bodies In The Backyard* Step by step, an all-out investigation would shock hardened detectives. From interviews with women who survived their encounters with him to the forensic search for bone fragments and pieces of burned, buried flesh, the case against Larry Bright finally closed like a vise--on the man who turned his victims into ashes. With 16 pages of shocking photos!

*A Body in the Backyard* Rowman & Littlefield

Fox Hollow Farm, a lush million-dollar suburban Indianapolis estate, had 18 acres of lawns, a fabulous swimming pool...and thousands of human bones buried in the yard. The piles of dismembered skeletons belonged to young men who has disappeared from the gay bars and cruising sites of this Midwest city. Their killer was Herb Baumeister, a beloved father and successful businessman who led a deadly double life. And until the day his son dug up a buried skull, Herb's pretty wife Julie never dreamed he was Indian's worst serial killer. She didn't know about the bizarre sexual encounters Herb held at the house when

she went away with their kids...or about the brutal cravings that led him to kill. In this riveting account, two veteran journalists tell the uncensored story of Herb Baumeister--taking you into a psychopath's dark obsession to meet his victims, to witness the rituals of sex and death he forced his victims to perform, and to find out how this gruesome killing spree finally--shockingly--came to an end...

*The Tenth Man: The Gold Bar Murders* Kings Road Publishing

From the New York Times bestselling author of *The Christmas Box*, an inspiring and uplifting series about one man's search for faith as he walks across America. What would you do if you lost everything—your job, your home, and the love of your life—all at the same time? When it happens to Seattle ad executive Alan Christofferson, he's tempted by his darkest thoughts. A bottle of pills in his hand and nothing left to live for, he plans to end his misery. Instead, he decides to take a walk. But not any ordinary walk. Taking with him only the barest of essentials, Alan leaves behind all that he's known and heads for the farthest point on his map: Key West, Florida. The people he encounters along the way,

and the lessons they share with him, will save his life—and inspire yours. The Walk series is a life-changing journey, and an unforgettable story about one man's search for hope. This ebook boxed set contains all five books in the Walk series.

**The Sexual Crimes & Serial Murders of Morris Solomon Jr.** Simon and Schuster
