Basic Vocabulary in Use is a reference and practice book for students of North American English at the basic level. Each unit is on two pages. The left-hand page teaches an important selection of vocabulary that is related by grammar or topic. The right-hand page provides practice exercises. Basic Vocabulary in

Use can be used as a classroom text or for self-study. Additional activities for extra vocabulary and listening practice are available on the companion Web site.

The Advanced Grammar Book
Cambridge University Press

Advanced English in a Nutshell is a short, detail free book that sheds light on the highlights and major grammatical points in a clear and effective manner. Getting lost in the endless variations of grammatical rules can be extremely distracting and most of the time disappointing. For this purpose, the book is not designed to dig deep into the limitless details of grammatical rules rather it is a kind of a review to the most necessary forms and structures that students need to use in academic tests

in order to get high scores. In all tests candidates' performance is assessed according to the type of grammatical structures they are using while they are speaking or writing. The candidate who sticks to present simple and continuous forms, for instance, is not expected to get a high score in terms of structure because of the use of simple grammatical forms. Thus, it does make sense for candidates to use a variety of complex and simple structures to give the impression that they have a good mastery and command of the language.

English Pronunciations Cambridge University Press

CD-ROM provides over 200 extra exercises to help you practice the grammar presented.

The Only Grammar Book You'll Ever

Need Cambridge University Press

A major grammar reference book of modern English, specially written for intermediate learners of English. *English Grammar Today* is an indispensable reference guide to contemporary English grammar and usage. With extensive corpus research at its core, it provides over 500 entries organised into an easy-to-use A-Z structure. Authentic examples of written and spoken English place the grammar in context and the clear explanations make it ideal for intermediate learners of English at CEF levels B1-B2, including those preparing for IELTS or Cambridge English exams such as Preliminary and First. The book comes with a free CD-ROM that provides the book content and nearly 200 additional entries, plus audio recordings

of all the examples and dialogues.

Cambridge University Press

This best-seller presents grammatical structures through sophisticated and up-to-date contexts. The wide range of communicative activities, newly simplified charts, and an expanded writing section lead students from grammar recognition to production.
