In 1 SAM 13:1, we see that Saul had fallen from grace in just two years! Saul's fall was probably the biggest disappointment Samuel faced in his ministry. Therefore, a defining moment in Samuel's ministry was when, at his zero hour, as he lay prostrate on the floor mourning for Saul, a voice rang from heaven: "Fill your horn with oil and go!" This book essentially illustrates the interplay between two symbols: 'horn' (that symbolizes, you, the carrier of God's anointing) and 'oil' (that symbolizes the anointing). Throughout this book you will see different pictures being painted by the metaphorical

use of these two symbols: 'horn' and 'oil'. The theme, "Fill your horn with oil and go" is used to symbolically represent how a christian should deal with the different scenarios the christian faces in his/her christian walk. Dr. Gregory Uvieghara is the president and founder of All Nations for Christ Ministries, Inc. Born in 1960, he recognized the call of God on his life at the age of 9 in his native country, Nigeria. "A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999  
 Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully

human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

A profound exploration of how to hold on to hope when our unchanging faith collides with a changing culture, from two respected Christian storytellers and thought leaders. "Offers neither spin control nor image maintenance for the evangelical tribe, but genuine

hope."—Russell Moore, president of ERLC As the pressures of health warnings, economic turmoil, and partisan politics continue to rise, the influence of gospel-focused Christians seems to be waning. In the public square and popular opinion, we are losing our voice right when it's needed most for Christ's glory and the common good. But there's another story unfolding too—if you know where to look. In *Gospelbound*, Collin Hansen and Sarah Eekhoff Zylstra counter these growing fears with a robust message of resolute hope for anyone hungry for good news. Join them in exploring profound stories of Christians who are quietly changing the world in the name of

Jesus—from the wild world of digital media to the stories of ancient saints and unsung contemporary activists on the frontiers of justice and mercy. Discover how, in these dark times, the light of Jesus shines even brighter. You haven't heard the whole story. And that's good news.

 Why do even the sincerest students of God's Word sometimes find it dry or confusing? Too often, Robertson McQuilkin suggest, it's because they don't know how to read it. In his classic introduction to Bible study, McQuilkin shows everyday believers how to navigate the Bible's genres and plumb its thought structures with accuracy, experiencing afresh living encounters with the inspired Word. Newly revised and updated, *Understanding and Applying the Bible* also examines the most common errors in Bible reading. In the end,

McQuilkin maintains Scripture can be understood by anyone, simply by following a set of straightforward and time-tested principles.
