### **The Ballad of the Harp-Weaver** De Gruyter

This book is a collection of linguistic and philosophical papers dealing with the semantic problems of determiners. The language under investigation is mostly English, although a few papers deal with French and German, and, to a lesser extent, with Dutch, Polish, Russian and Hebrew. The majority of the contributions focus on the semantics of the definite and indefinite articles, leading into discussions

of anaphoricness, specificness, opacity and transparency, referentiality and attributiveness and genericness. The relation of the determiners to other parts of grammar, in particular relativisation and predication, is also investigated. Some attention is also given to quantifiers. In the spirit of pluralism, there is no single paradigm unifying all the papers, rather, the volume reflects elements of the Extended Standard Theory, Generative Semantics, Montague Grammar, (Gricean) Pragmatics and Speech Act Theory. *A Swinger of Birches* Signet Book

### **A Wreath for Emmett Till** BRILL

This study offers a fresh approach to the theory and practice of poetry criticism from a narratological perspective. Arguing that lyric poems share basic constituents of narration with prose fiction, namely

temporal sequentiality of events and verbal mediation, the authors propose the transgeneric application of narratology to the poetic genre with the aim of utilizing the sophisticated framework of narratological categories for a more precise and complex modeling of the poetic text. On this basis, the study provides a new impetus to the neglected field of poetic theory as well as to methodology. The practical value of such an approach is then demonstrated by detailed model analyses of canonical English poems from all major periods between the 16th and the 20th centuries. The comparative discussion of these analyses draws general conclusions about the specifics of narrative structures in lyric poetry in contrast to prose fiction.

Ilya Kaminsky's astonishing parable in poems asks us, What is silence? Deaf Republic opens in an occupied country in a time of political unrest. When soldiers breaking up a protest kill a deaf boy, Petya, the gunshot becomes the last thing the citizens hear—they all have gone deaf, and their dissent becomes coordinated by sign language. The story follows the

private lives of townspeople encircled by public violence: a newly married couple, Alfonso and Sonya, expecting a child; the brash Momma Galya, instigating the insurgency from her puppet theater; and Galya's girls, heroically teaching signing by day and by night luring soldiers one by one to their deaths behind the curtain. At once a love story, an elegy, and an urgent plea, Ilya Kaminsky's long-awaited Deaf Republic confronts our time's vicious atrocities and our collective silence in the face of them.

With the publication of *Bright Lights, Big City* in 1984, Jay McInerney became a literary sensation, heralded as the voice of a generation. The novel follows a young man, living in Manhattan as if he owned it, through nightclubs, fashion shows, editorial offices, and loft parties as he attempts to outstrip mortality and the recurring approach of dawn. With nothing but goodwill, controlled substances, and wit to sustain him in this anti-quest, he runs until he reaches his reckoning point, where he is forced to acknowledge loss and, possibly, to rediscover his better instincts. This remarkable novel of youth

and New York remains one of the most beloved, imitated, and iconic novels in America.

The award-winning poet reinvents a genre in a stunning work that is both a novel and a poem, both an unconventional re-creation of an ancient Greek myth and a wholly original coming-of-age story set in the present. Geryon, a young boy who is also a winged red monster, reveals the volcanic terrain of his fragile, tormented soul in an autobiography he begins at the age of five. As he grows older, Geryon escapes his abusive brother and affectionate but ineffectual mother, finding solace behind the lens of his camera and in the arms of a young man named

Herakles, a cavalier drifter who leaves him at the peak of infatuation. When Herakles reappears years later, Geryon confronts again the pain of his desire and embarks on a journey that will unleash his creative imagination to its fullest extent. By turns whimsical and haunting, erudite and accessible, richly layered and deceptively simple, *Autobiography of Red* is a profoundly moving portrait of an artist coming to terms with the fantastic accident of who he is. A NEW YORK TIMES NOTABLE BOOK OF THE YEAR National Book Critics Circle Award Finalist "Anne Carson is, for me, the most exciting poet writing in English today." --Michael Ondaatje "This book is amazing--I haven't discovered any writing in years so marvelously disturbing." --Alice Munro "A profound love story . . . sensuous and funny, poignant, musical and tender." --The New York Times Book Review "A deeply odd and immensely engaging book. . . . [Carson] exposes with passionate force the mythic underlying the explosive everyday." --The Village Voice

A Coretta Scott King and Printz honor book now in paperback. A Wreath for Emmett Till is "A moving elegy," says *The Bulletin*. In 1955 people all over the United States knew that Emmett Louis Till was a fourteen-year-old African American boy lynched for supposedly whistling at a white woman in Mississippi. The brutality of his murder, the open-casket funeral held by his mother, Mamie Till Mobley, and the acquittal of the men tried for the crime drew wide media attention. In a profound and chilling poem, award-winning poet Marilyn Nelson reminds us of the boy whose fate helped spark the civil rights movement.

"Nicky Finney has been a fine poet much too long to say that this latest treasure is her promise coming into being. She exploded with so much talent with *On Wings Made of Gauze* and beautifully matured with *Rice*, yet *Head Off & Split* takes the promise of youth with the control of adulthood to bring her greatest exploration. Honest, searing, searching. We all, especially now, need this book of poems; we all, especially now, need this

poet."---Nikki Giovanni, author of *Bicycles* "Beginning with the sweepingly inclusive and powerful 'Red Velvet,' a Middle Passage poem for our times, Nikky Finney takes the reader to a wonderfully alive world where the musical possibilities of language overflow with surprise and innovation. Finney has an ear to go along with the wildness of her imagination, which sweeps through history like a pair of wings. Her carefully modulated free verse is always purposeful in its desire to move the reader in a way that allows us intimate access to necessary observations about ourselves. These poems, in other words, have the power to save us."---Bruce Weigl, author of *What Saves Us* "In Nikky Finney's *Head Off & Split* the beauty of language soars and saves us even as we skirt the raw edge of terror. And something rare and precious is restored, a light, a circling movement of the spirit. This is poetry to give thanks for."---Meena Alexander, author of *Quickly Changing River* "No one opens a vein on the page with a sharper and more nuanced gathered set of senses than Nikky Finney. In *Head Off & Split*, she takes aim at the heart of American wrong-headedness with a sense of purpose and

integrity not only respectful of, but fueled by, her own brand of multiple kinships and remembrance, a grand struggle-swagger of powerful literary inheritance."---Thomas Sayers Ellis, author of *Skin, Inc.* "With *Head Off & Split*, Nikky Finney establishes herself as one of the most eloquent, urgent, fearless and necessary poets writing in America today. What makes this book as important as anything published in the last decade is the irresistible music, the formal dexterity and the imaginative leaps she makes with metaphor and language in these simply stunning poems. This is a very, very important achievement."---Kwame Dawes, author of *Hope's Hospice*

Ovid's magnificent panorama of the Greek and Roman myths—presented by a noted poet, scholar, and critic. Prized through

the ages for its splendor and its savage, sophisticated wit, *The Metamorphoses* is a masterpiece of Western culture—the first attempt to link all the Greek myths, before and after Homer, in a cohesive whole, to the Roman myths of Ovid's day. Horace Gregory, in this modern translation, turns his own poetic gifts toward a deft reconstruction of Ovid's ancient themes, using contemporary idiom to bring to today's reader all the ageless drama and psychological truths vividly intact.
