FROM THE NEW YORK TIMES BESTSELLING AUTHOR OF *Sometimes I Lie* "Stunning. Addictive. This book should not be missed!" —Samantha Downing "Deliciously dark...will have readers tearing through the pages." —Mary Kubica "Gives *Gone Girl* a run for its money...I couldn't stop reading." —Christina Dalcher There are two sides to every story: yours and mine, ours and theirs, His & Hers. Which means someone is always lying. When a woman is murdered in Blackdown, a quintessentially British village, newsreader Anna Andrews is reluctant to cover the case. Detective Jack Harper is suspicious of her involvement, until he becomes a suspect in his own murder investigation. Someone isn't telling the truth, and some secrets are worth killing to keep. His & Hers is a twisty, smart, psychological thriller. A gripping tale of suspense, told by expertly-drawn narrators that will keep readers guessing until the very end. "For the ultimate rollercoaster reading experience this year, look no further than His & Hers by Alice Feeney." —Woman & Home

The Arabian Love-Child Harlequin

A lively introduction to the rich and diverse history of contemporary art over the past 60 years—from Modernism and minimalism to artists like Andy Warhol and Marina Abramović. Accessible and with lavish illustrations, this is the perfect gift for art history fans and anyone looking for a new, more inclusive perspective on 'the old boys' club.' Encountering a work of contemporary art, a viewer might ask, "What does it mean?" "Is it really art?" and "Why does it cost so much?" These are not the questions that E. H. Gombrich set out to answer in his magisterial *The Story of Art*. Contemporary art seems totally unlike what came before it, departing from the road map supplied by

Raphael, Dürer, Rembrandt, and other European masters. In *The Story of Contemporary Art*, Tony Godfrey picks up where Gombrich left off, offering a lively introduction to contemporary art that stretches from Andy Warhol's Brillo boxes to Marina Abramović's performance art to today's biennale circuit and million-dollar auctions. Godfrey, a curator and writer on contemporary art, chronicles important developments in pop art, minimalism, conceptualism, installation art, performance art, and beyond.

The Dark Side of Desire Harlequin

“All hits no skips. I was incredibly moved by these poems.” —Roxane Gay, via Goodreads From National Poetry Series winner Su Cho, chosen by Paige Lewis, a debut poetry collection about immigration, memory, and a family’s lexicon Language and lore are at the core of *The Symmetry of Fish*, a moving debut about coming-of-age in the middle of nowhere. With striking and tender

insight, it seeks to give voice to those who have been denied their stories, and examines the way phrases and narratives are passed down through immigrant families—not diluted over time, but distilled into potency over generations. In this way, a family’s language is not lost but continuously remade, hitched to new associations, and capable of blooming anew, with the power to cut across space and time to unearth buried memories. The poems in *The Symmetry of Fish* insist that language is first and foremost a bodily act; even if our minds can’t recall a word or a definition, if we trust our mouths, expression will find us—though never quite in the forms we expect.
