Making Out in Turkish is a fun, accessible and thorough Turkish phrase book and guide to the Turkish language as it's really spoken. Sana hayranım! Seni tekrar ne zaman gorecegim?—(I adore

you! When can I see you again?) Answer this correctly in Turkish and you may be going on a hot date.

Incorrectly, and you could be hurting someone's feelings or getting a slap! Turkish classes and textbooks tend to spend a lot of time rehearsing for the same fictitious scenarios but chances are while in Turkey you will spend a lot more time trying to make new friends or start new

romances—something you may not be prepared for. If you are a student, businessman or tourist traveling to Turkey and would like to have an authentic and meaningful experience, the key is being able to speak like a local. This friendly and easy-to-use Turkish

phrasebook makes this possible. Making Out in Turkish has been carefully designed to act as a guide to modern colloquial Turkish for use in everyday informal interactions—giving access to the sort of catchy Turkish expressions that aren't covered in traditional language materials. Each expression is given in authentic Turkish (turkce) so that in the case of difficulties the book can be shown to the person the user is trying to communicate with. In addition, phonetic spellings are also included making speaking Turkish a breeze. For example "Okay"—Tamam, is also given as ta-MAHM. This Turkish phrasebook includes: A guide to pronouncing

Turkish words correctly. Explanations of basic Turkish grammar, such as, double letters, vowel harmony, agglutination, questions, and negation. Do you know what the hardest thing for a Turkish learner is? Finding PROPER reading material that they can handle...which is precisely the reason we've written this book! Teachers love giving out tough, expert-level literature to their students, books that present many new problems to the reader and force

them to search for words in a dictionary every five minutes - it's not entertaining, useful or motivating for the student at all, and many soon give up on learning at all! In this book we have compiled 20 easy-to-read, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to improve your grasp of the wonderful Turkish tongue. How Turkish Short Stories for Beginners works: - Each story is interesting and entertaining with realistic dialogues and day-to-day situations. - The summaries follow a synopsis in Turkish and in English of what you just read, both to review the lesson and for you to see if you understood what the

tale was about. - At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! - Finally, you'll be provided with a set of tricky questions in Turkish, providing you with the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! We want you to feel comfortable while learning the tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further!
