Media literacy educators rely on the ability to make use of copyrighted materials from mass media, digital media and popular culture for both analysis and production activities. Whether they work in higher education, elementary and secondary schools, or in informal learning settings in libraries, community and non-profit organizations, educators know that the practice of media literacy depends on a robust interpretation of copyright and fair use. With chapters written by leading scholars and practitioners from the fields of media studies, education, writing and rhetoric, law and society, library and information studies, and the digital humanities, this companion provides a scholarly and professional context for understanding the ways in which new conceptualizations of copyright and fair use are shaping the pedagogical practices of media literacy.

The Association of Chartered Certified Accountants (ACCA) is the global body for professional accountants. With over 100 years of providing world-class accounting and finance qualifications, the ACCA has significantly raised its international profile in recent years and now supports a BSc (Hons) in Applied Accounting and an MBA. BPP Learning Media is an ACCA Official Publisher. The new ACCA syllabus for paper P4 is about the practical application of financial theory to problems that managers face, such as investment appraisal, funding policies, risk management, growth, organic or through mergers and acquisitions and dividend policy. The paper also covers crucial issues such as corporate governance and ethical and environmental aspects of financial policy. The BPP text provides a comprehensive treatment of the new ACCA syllabus for P4 and addresses all learning outcomes and the higher skills to be assessed in the professional examination in an integrated and practical way. The material, despite the technical nature of certain areas, follows a practical, common sense approach with plenty of case studies and real life business examples. The key points of each topic are summarised in a chapter roundup and tested in a diagnostic quiz at the end of each chapter. A question bank at the end of the book provides practice on exam style questions. BPP Learning Media is the publisher of choice for many ACCA students and tuition providers worldwide. Join them and plug into a world of expertise in ACCA exams.

Digital Libraries: Technology and Management of Indigenous Knowledge for Global Access Omega Books

'A refreshing complement to more venerable textbooks. Indeed, being both reflective and accessible, it is arguably a better first resort for aspirant hacks' *Times Higher Education Supplement* 'It is written in a clear and user-friendly style, avoiding the legalistic language that can be a problem with so many law textbooks. Particularly well written are the case studies that Ursula Smartt explains in each chapter' - *Writing Magazine* *Media Law for Journalists* functions as both an introduction and a reference guide to the main legal issues facing journalists. It is intended as a course textbook for students, first and foremost. However, it is also intended to help keep journalists out of jail and on the right side of the law. The book presumes no prior legal knowledge, but covers all the relevant areas including: defamation, privacy, contempt of court, freedom of expression, and intellectual property. It also looks at the difference between the English and Scottish legal systems as they pertain to the media. This book will be essential reading for all students of journalism as well as a welcome guide to professional journalists.
