SHANNON MOHAMMED

The Merchant of Venice Oxford
University Press, USA

The Merchant of Venice is a popular text for study by secondary students the world over. This edition includes illustrations, preliminary notes, reading lists (including websites) and classroom notes.

A Modern Sequel to The Merchant of Venice Greenwood Publishing Group

Unlock the more straightforward side of The Merchant of Venice with this concise and insightful summary and analysis! This engaging summary presents an analysis of The Merchant of Venice by William Shakespeare, which recounts the fierce legal battle that ensues when the Jewish moneylender Shylock seeks to claim a 'pound of flesh' from the Venetian merchant Antonio, who has defaulted on a loan. The character of Shylock is one of the most controversial

in the Shakespearean canon – his cruelty and vengefulness have led many to criticise his characterisation as anti-Semitic, but his portrayal as a victim of prejudice and his eloquent speeches lend ambiguity to that reading, as well as bringing a more tragic dimension to the play as a whole, even though it is often classified as a comedy. The Merchant of Venice is one of Shakespeare's most frequently discussed and debated plays even today, and has been consistently adapted for stage and screen since it was first performed in 1600. Find out everything you need to know about The Merchant of Venice in a fraction of the time! This in-depth and informative reading guide brings you: • A complete plot summary • Character studies • Key

themes and symbols • Questions for further reflection Why choose BrightSummaries.com? Available in print and digital format, our publications are designed to accompany you on your reading journey. The clear and concise style makes for easy understanding, providing the perfect opportunity to improve your literary knowledge in no time. See the very best of literature in a whole new light with BrightSummaries.com!

Over two million Shakespeare Shorts sold! Discover the world of Shakespeare with this collection of brilliant stories - perfect for readers of all ages. In Venice, the merchant Antonio borrows money so his friend can woo a beautiful lady. He agrees that if he doesn't repay Shylock

the moneylender, Shylock can take a pound of his flesh. When Antonio's ships sink and he loses his fortune, Shylock insists on the gruesome payment... A dramatic retelling of this classic Shakespeare story.

The Merchant of Venice Library of Alexandria

Shakespeare's texts have a long and close relationship with many different types of dance, from dance forms referenced in the plays to adaptations across many genres today. With contributions from experienced and emerging scholars, this handbook provides a concise reference on dance as both an integral feature of sixteenth- and seventeenth-century culture and as a means of translating Shakespearean text into movement - a process that

raises questions of authorship and authority, cross-cultural communication, semantics, embodiment, and the relationship between word and image. Motivated by growing interest in movement, materiality, and the body, *The Oxford Handbook of Shakespeare and Dance* is the first collection to examine the relationship between William Shakespeare - his life, works, and afterlife - and dance. In the handbook's first section - Shakespeare and Dance - authors consider dance within the context of early modern life and culture and investigate Shakespeare's use of dance forms within his writing. The latter half of the handbook - Shakespeare as Dance - explores the ways that choreographers have adapted Shakespeare's work.

Chapters address everything from narrative ballet adaptations to dance in musicals, physical theater adaptations, and interpretations using non-Western dance forms such as Cambodian traditional dance or *igal*, an indigenous dance form from the southern Philippines. With a truly interdisciplinary approach, *The Oxford Handbook of Shakespeare and Dance* provides an indispensable resource for considerations of dance and corporeality on Shakespeare's stage and the early modern era.

Merchant of Venice Atlantic Publishers & Dist

Presents the story of Antonio who risks his life to borrow money from his enemy, Shylock, and is saved by Portia, an heiress posing as a lawyer

The Oxford Handbook of Shakespeare and Dance BrightSummaries.com Believed to have been written between 1596 and 1598, William Shakespeare's "The Merchant of Venice" is considered by some critics as one of his "problem plays." The controversy over the work stems from its portrayal of the character Shylock, a rich Jewish moneylender. The stereotypical depiction of Jews as avaricious usurers was common to the drama of the Elizabethan period. The story centers on the love of Bassanio, a young Venetian nobleman, who wishes to woo the beautiful and wealthy heiress Portia of Belmont. Having squandered his estate, Bassanio turns to Antonio, the titular Merchant of Venice, for a loan. However, since Antonio has his money invested in merchandise at sea,

Bassanio must turn to Shylock for the loan. Shylock, after much reluctance, agrees to make the loan on the condition that if it cannot be repaid he may extract a pound of flesh from Antonio. This controversial characterization of the vengeful Jewish moneylender has been criticized by some as blatantly anti-Semitic, while others have read the play as a plea for tolerance, citing Shylock a sympathetic character. With elements of both comedy and tragedy "The Merchant of Venice" is a work that to this day has continued to defy classification. This edition is printed on premium acid-free paper, is annotated by Henry N. Hudson, and includes an introduction by Charles Harold Herford.

Understanding The Merchant of Venice
Allied Publishers

The Merchant of Venice has been performed more often than any other comedy by Shakespeare. Molly Mahood pays special attention to the expectations of the play's first audience, and to our modern experience of seeing and hearing the play. In a substantial new addition to the Introduction, Charles Edelman focuses on the play's sexual politics and recent scholarship devoted to the position of Jews in Shakespeare's time. He surveys the international scope and diversity of theatrical interpretations of The Merchant in the 1980s and 1990s and their different ways of tackling the troubling figure of Shylock.

Harold Bloom on "The Merchant of Venice": "Shylock's prose is Shakespeare's best before Falstaff's...His utterances manifest a spirit so potent, malign, and negative as to be unforgettable."

The Merchant of Venice Franklin Watts
Have you ever thought of Shakespeare as a fast-paced, action-filled, page-turning...novel?! Shakespeare plays on

stage make for fantastic theatrics! But when you read it as a book...some of it's glory can be lost. This novelization of four Shakespeare plays uses a more modern language and narration to capture the story as a novel. The following plays (turned into novels) are included: Julius Caesar, Macbeth, Hamlet, and Merchant of Venice. This is a collection of previous published books, which may also be purchased separately.
