In a break from his more typical crime and thriller genres, E. Phillips Oppenheim's 'The Passionate Quest' follows the lives of three siblings, each tired of their life in rural England. Rosina dreams of becoming an actress, her brother Philip longs to become a poet, and Matthew has ambitions in finance. We follow each of them as they struggle towards making their dreams reality. A sweet, short tale from the popular author. E. Phillips

Oppenheim (1866-1946) was a hugely prolific and highly popular British author of novels and short stories. Born in Tottenham, London, Oppenheim left school as a teenager and worked for his leather-merchant father for 20 years prior to launching his literary career. Oppenheim published five novels under the pseudonym 'Anthony Partridge' before establishing his reputation as a writer under his own name. An internationally successful author, Oppenheim's stories revolved mainly around glamorous characters, luxurious settings, and themes of espionage, suspense, and crime. He is widely regarded as one of the earliest pioneers of the thriller and spy-fiction genre as it is recognised today. Oppenheim's incredible literary success meant that his own life soon began to mirror that of his opulent characters. He held lavish, Gatsby-style parties at his French Villa and was rumoured to have had frequent love affairs aboard his luxury yacht. Oppenheim's success earned him the cover of Time magazine in 1927. Some of his most well-known novels include 'The Great Impersonation', 'The Long Arm of Mannister' and 'The Moving Finger'.

The Fairy Books of Andrew Lang Bold Strokes Books Inc

This book shows the daily life of businessmen in a particularly productive area of Northern Italy, Lombardy. It provides insights into their business, entrepreneurialism, and of them as individuals, allowing the reader to immerse themselves in these businessmen's world, full of plans, ideas, hopes, and failures in the struggle to survive during a time of economic recession. The analysis reveals the importance of trust and networks as a way of opposing the vulnerability and risk involved in entrepreneurialism. As such, the book has an appeal that extends beyond anthropology. It will be of interest not only to students of

sociology, Italian studies, and business studies, but also to anyone with an interest in seeing business through different lenses. Through its close ethnographic accounts of businessmen, it provides a different approach to capitalism and a reflection on human nature.

The Infinity of You & Me Penguin

From Amanda Ashby, author of the charming contemporary romance *Dating the Guy Next Door*, comes an all new story of a fake relationship that might not be so fake after all... **LIARS OR LOVERS?** Young librarian Riley Harris has always maintained her independence, leaving the drama of love to anyone silly enough to fall for it. Her Jane Austen novels are as close as she cares to get to "true love." Luckily, her handsome upstairs neighbor—and landlord—Will Henderson feels the same way. Since his ex-fiancé crushed his heart, Will devotes himself to charity in an effort to atone for the misdeeds of his wealthy, ruthless father. So when Will needs a date for his brothers high-society wedding, he asks Riley to be his faux girlfriend. After a spontaneous kiss throws both Riley and Will for a loop, they find themselves fighting their mutual pride and prejudice against love. And when Riley is rocked by something from Will's past, both will need to decide whether to follow their heads or their hearts...

Kresley Studying abroad was my chance to gain independence away from my privileged life in California. But, when there's a kidnapping attempt on my life, I'm forced to return home to finish college. I just never expected to get stuck with a pompous, know-it-all bodyguard who watches my every move with nothing but disdain. One whose good looks don't soften the cold, impenetrable wall he wears like armor. Tristan I pride myself on being a professional and taking my job as a bodyguard seriously. But, nothing could prepare me for the high maintenance, rich girl I'm hired to protect. She's got a smart mouth, is hell-bent on pushing my buttons, and doesn't take the threats against her seriously. And despite the nightmares that plague her dreams, or the fact that I'm the only one who knows about them, I'm not there to befriend her. I'm there to protect her...no matter how much she intrigues me. Jabs will be exchanged, glares will become the norm, jealousy will rear its ugly head, and sparks...well those damn things will inevitably fly. But will it all come with a dangerous price?

M. John Harrison is a cartographer of the liminal. His work sits at the boundaries between genres – horror and science fiction, fantasy and travel writing – just as his characters occupy the no man's land between the spatial and the spiritual. Here, in his first collection of short fiction for over 15 years, we see the master of the New Wave present unsettling visions of contemporary urban Britain, as well as supernatural parodies of the wider, political landscape. From gelatinous aliens taking over the world's financial capitals, to the middle-aged man escaping the pressures of fatherhood by going missing in his own house... these are weird stories for weird times. 'M. John Harrison's slippery, subversive stories mix the eerie and familiar into beguiling, alarming marvels. No one writes quite like him; no one I can think of writes such flawless sentences, or uses them to such disorientating effect.' – Olivia Laing, author of *The Lonely City* 'These stories map a rediscovered fictional hinterland, one tucked behind the glossier edifices of modernity and genre with views down alleyways into pubs and flats where Patrick Hamilton glares balefully at J. G. Ballard.' – Will Eaves, author of *This is Paradise* 'M. John Harrison moves elegantly, passionately, from genre to genre, his prose lucent and wise, his stories published as SF or as fantasy, as horror or as mainstream fiction. In each playing field, he wins awards, and makes it look so easy. His prose is deceptively simple, each word considered and placed where it can sink deepest and do the most damage.' – Neil Gaiman, author of *American Gods* 'With an austere and deeply moving humanism, M. John Harrison proves what only those crippled by respectability still doubt – that science fiction can be literature, of the very greatest kind.' – China Miéville, author of *Perdido Street Station* *Secret Societies* BoD – Books on Demand This carefully edited collection has been designed and formatted to the highest digital standards and adjusted for readability on all devices. Letters to Mama Kar-Ben Publishing

Thirteen stand-alone short stories that take place in Florida which contain both country yarns and city tales. They include a delightful array of interesting characters; both good people and unsavory scoundrels from a wide range of backgrounds and cultures. Many have a surprise ending with a twist that often changes the readers early opinion of the main participants. The yarns and tales illuminate the diversity of people and places that reach from the Florida panhandle to the keys. The authors view of Florida includes a large rural component with old-fashion country

values and customs.

"Are you a fan of The Outsiders and Perks of Being a Wallflower? Now imagine them mashed together. That's what awaits you in Burro Hills by Julia Lynn Rubin." —YA Interrobang Jack Burns is a resident—though oftentimes he feels like an inmate—of the tiny, California desert town of Burro Hills. Growing up surrounded by the broken dreams of his parents, Jack wonders if he will ever just get out. Get out of dealing drugs. Get out of poverty. Get away from the suffocating masculinity in high school boys. And get out of his own head. When he's not running with his crew and trying to stay under the radar, he is in his favorite spot with his best friend, Jess, fantasizing about escape. Until Connor Orellana shows up. The new boy captivates everyone in school, including Jack, who is magnetized by Connor's lack of self-consciousness and inhibition. As their connection deepens, Connor challenges him to see that liberation comes from accepting and trusting his nature, while Jack helps ground Connor and the dark energy that drives his free spirit. But their relationship will set into motion a series of events that have lasting consequences, jeopardizing Jack's budding romance with Connor and the life he's tried so hard to salvage in Burro Hills.

The Big 3-0 is looming, but there's so much still to do... The brilliant new novel from the Sunday Times Top 10 bestselling author There are six months left of Emma Reiss's twenties. . . and she has some unfinished business. Emma and her friends are about to turn thirty, and for Emma it's a defining moment. Defined, that is, by her having achieved none of the things she'd imagined she would. Her career is all wrong, her love life is a desert and that penthouse apartment she pictured herself in simply never materialised. Moreover, she's never jumped out of a plane, hasn't met the man she's going to marry, has never slept under the stars, or snogged anyone famous - just some of the aspirations on a list she and her friends compiled fifteen years ago. As an endless round of birthday parties sees Emma hurtle

towards her own thirtieth, she sets about addressing these issues. But, as she discovers with hilarious consequences, some of them are trickier to tick off than she'd thought... Praise for All The Single Ladies: 'Close the doors, open a bottle of wine, get out the chocs and enjoy this wonderfully witty read. Jane Costello at her best' Milly Johnson 'Jane Costello earned her place on the bestsellers list with her witty, colourful and fast-paced style.
