CUNNINGHAM JULISSA

Albemarle County in Virginia Simon and Schuster

From bestselling author Kathy Reichs comes a book set in Charleston, South Carolina, the center of a lucrative, clandestine, sophisticated trade in body parts—the kind that leaves the donor dead. Summoned to South Carolina to fill in for a negligent colleague, Tempe is stuck teaching a lackluster archaeology field school in the ruins of a Native American burial ground on the Charleston shore. But when Tempe stumbles upon a fresh skeleton among the ancient bones, her old friend Emma Rousseau, the local coroner, persuades her to stay on and help with the investigation. When Emma reveals a disturbing secret, it becomes more important than ever for Tempe to help her friend close the case. The body count begins to climb. An unidentified man is found hanging from a tree deep in the woods. Another corpse shows up in a barrel. There are mysterious nicks on bones in several bodies, and signs of strangulation. Tempe follows the trail to a free street clinic with a belligerent staff, a suspicious doctor, and a donor who is a charismatic televangelist. Clues abound in the most unlikely places as Tempe uses her unique knowledge and skills to build her case, even as the local sheriff remains dubious and her own life is threatened. Tempe’s love life is also complicated. Ryan, her current flame, has come down to visit her from Montreal, and Pete, her former husband, is investigating the disappearance of a local woman—and he and Tempe are staying in the same borrowed beach house. Ryan and Pete compete for her attentions, and Tempe finds herself more distracted by her feelings for both men than she expected. Break No Bones is a smart, taut thriller featuring the kind of high-stakes crime that makes the headlines every week. Reichs, the inspiration for the hit Fox TV show *Bones*, is writing at the top of her form, and Tempe has never been more compelling.

Fatal Voyage Scribner

In *From Potter’s Field*, #1 New York Times bestselling author Patricia Cornwell enters the chilling world of Virginia’s Chief Medical Examiner Dr. Kay Scarpetta—and a bold, brilliant killer from her past. Upon examining a dead woman found in snowbound Central Park, Scarpetta immediately recognizes the grisly work of Temple Brooks Gault. She soon realizes that Gault’s murders are but a violent chain leading up to one ultimate kill—Scarpetta herself.

Bare Bones Simon and Schuster

“If you like the TV show *Bones* (I do) or *Maximum Ride*, you’ll love *Virals*.”—James Patterson Another thrilling *Virals* adventure from New York Times bestsellers Kathy and Brendan Reichs. When twin classmates are abducted from Bolton Prep, Tory and the *Virals* decide there’s no one better equipped than them to investigate. But the gang has other problems to face. Their powers are growing wilder, and becoming harder to control. Chance Claybourne is investigating the disastrous medical experiment that twisted their DNA. The bonds that unite them are weakening, threatening the future of the pack itself. The *Virals* must decipher the clues and track down a ruthless criminal before he strikes again, all while protecting their secret from prying eyes. And everyone seems to be watching.

Bones in Her Pocket Simon and Schuster

An e-novella by #1 New York Times bestselling author Kathy Reichs that explores the origins of her vastly popular character, forensic anthropologist Temperance Brennan. In 1980s Charlotte, North Carolina, Temperance Brennan is newly employed as a bioarchaeologist, studying the bones of the ancient dead. But a strange opportunity presents itself when two detectives appear at her lab, seeking consultation on a recently burned body. As a murder investigation unfolds, Temperance finds that there is another deadly threat at work...

Bones on Ice: A Novella Simon and Schuster

Featuring a preview of the highly anticipated new thriller *Speaking in Bones*, this eBook original novella showcases #1 New York Times bestselling author Kathy Reichs at the peak of her powers.

In *Bones on Ice*, forensic anthropologist Temperance Brennan gets wrapped up in the ultimate cold case: a death on Mount Everest. It is called the “death zone”: the point on Everest, nearly five miles high, above which a climber cannot be rescued. More than 250 souls have lost their lives there. Most of the bodies remain, abandoned, frozen in place. When an earthquake leads to a miraculous recovery, Dr. Temperance Brennan is hired to identify the frozen mummified human corpse. The victim is the daughter of a wealthy Charlotte couple who never got the chance to say goodbye. But far from offering solace and closure, Tempe’s findings only provoke more questions. What happened on Mount Everest? Was the young woman’s death an accident? Why aren’t the other climbers talking? And how far will those hiding the truth go to make sure the past stays buried? Praise for Kathy Reichs and the *Temperance Brennan* series “A genius at building suspense.”—New York Daily News “Kathy Reichs writes smart—no, make that brilliant—mysteries that are as realistic as nonfiction and as fast-paced as the best thrillers about Jack Reacher, or Alex Cross.”—James Patterson “Reichs, a forensic anthropologist, makes her crime novels intriguingly realistic.”—Entertainment Weekly “One of the most distinctive and talented writers in the genre.”—Sandra Brown “Every minute in the morgue with Tempe is golden.”—The New York Times Book Review “Each book in Kathy Reichs’s fantastic *Temperance Brennan* series is better than the last.”—Lisa Scottoline “Reichs always delivers a pulse-pounding story.”—Publishers Weekly “I love Kathy Reichs—always scary, always suspenseful, and I always learn something.”—Lee Child *The Institutes of Biblical Law Vol. 1* Simon and Schuster

“Reichs has written her masterpiece—smart, scary, complicated, and engrossing.” —Michael Connelly “This page-turning series never lets the reader down.” —Harlan Coben “The crowning achievement of a master storyteller.” —Nelson DeMille #1 New York Times bestselling thriller writer Kathy Reichs’s twenty-first novel of suspense featuring forensic anthropologist Temperance Brennan who uncovers a series of gruesome killings eerily reenacting the most shocking of her prior cases. Winter has come to North Carolina and, with it, a drop in crime. Freed from a heavy work schedule, Tempe Brennan is content to dote on her daughter Katy, finally returned to civilian life from the army. But when mother and daughter meet at Tempe’s place one night, they find a box on the back porch. Inside: a very fresh human eyeball. GPS coordinates etched into the eyeball lead to a Benedictine monastery where an equally macabre discovery awaits. Soon after, Tempe examines a mummified corpse in a state park, and her anxiety deepens. There seems to be no pattern to the subsequent killings uncovered, except that each mimics in some way a homicide that a younger Tempe had been called in to analyze. Who or what is targeting her, and why? Helping Tempe search for answers is detective Erskine “Skinny” Slidell, retired but still volunteering with the CMPD cold case unit—and still displaying his gallows humor. Also pulled into the mystery: Andrew Ryan, Tempe’s Montreal-based beau, now working as a private detective. Could this elaborately staged skein of mayhem be the prelude to a twist that is even more shocking? Tempe is at a loss to establish the motive for what is going on...and then her daughter disappears. At its core, *Cold, Cold Bones* is a novel of revenge—one in which revisiting the past may prove the only way to unravel the present.

Monday Mourning Simon and Schuster

The secrets of the dead are in her hands. The bones of three young women are unearthed in the basement of a Montreal pizza parlor, and forensic anthropologist Tempe Brennan has unsolved murder on her mind as she examines the shallowly buried remains. Coming up against a homicide cop who is convinced the dead have been entombed on the site for centuries, Tempe perseveres, even with her own relationship with Detective Andrew Ryan at a delicate turning point. In the lab, the clean, well-preserved bones offer few clues. But when Carbon 14 confirms her hunch that these were recent deaths despite the antique buttons found near the bodies, Tempe’s probing must produce answers quickly to stop a killer whose grisly handiwork has seen the light of day. *Deadly Decisions* Severn House Publishers Ltd “Fans of TV’s “CSI: Crime Scene Investigation” should be in heaven” (“People”) stepping into the

world of forensic anthropologist Dr. Temperance Brennan, star of Kathy Reichs’ electrifyingly authentic bestsellers. When innocent blood is spilled, she deciphers the shattering truth it holds. Nine-year-old Emily Anne Toussaint is fatally shot on a Montreal street. A North Carolina teenager disappears from her home, and parts of her skeleton are found hundreds of miles away. The shocking deaths propel Tempe Brennan from north to south, and deep into a shattering investigation inside the bizarre culture of outlaw motorcycle gangs -- where one misstep could bring disaster for herself or someone she loves.

Grave Secrets Simon and Schuster

In Kathy Reichs’s tenth bestselling novel featuring forensic anthropologist Temperance Brennan, the discovery of a young girl’s skeleton in Acadia, Canada might be connected to the disappearance of Tempe’s childhood friend. For Tempe Brennan, the discovery of a young girl’s skeleton in Acadia, Canada, is more than just another case. Evangeline, Tempe’s childhood best friend, was also from Acadia. Named for the character in the Longfellow poem, Evangeline was the most exotic person in Tempe’s eight-year-old world. When Evangeline disappeared, Tempe was warned not to search for her, that the girl was “dangerous.” Thirty years later, flooded with memories, Tempe cannot help wondering if this skeleton could be the friend she had lost so many years ago. And what is the meaning of the strange skeletal lesions found on the bones of the young girl? Meanwhile, Tempe’s beau, Ryan, investigates a series of cold cases. Two girls dead. Three missing. Could the New Brunswick skeleton be part of the pattern? As Tempe draws on the latest advances in forensic anthropology to penetrate the past, Ryan hunts down a serial predator. *Cold, Cold Bones* Simon and Schuster

NEW YORK TIMES BESTSELLER • This ebook edition contains a special preview of Kathy Reichs’s upcoming novel *Two Nights* and the bonus novella *Bones on Ice*. No one speaks the language of suspense more brilliantly than Kathy Reichs, author of the acclaimed *Temperance Brennan* series. In *Speaking in Bones*, the forensic anthropologist finds herself drawn into a world of dark secrets and dangerous beliefs, where good and evil blur. Professionally, Temperance Brennan knows exactly what to do—test, analyze, identify. Her personal life is another story. She’s at a loss, wondering how to answer police detective Andrew Ryan’s marriage proposal. But the matter of matrimony takes a backseat when murder rears its head. Hazel “Lucky” Strike—a strident amateur detective who mines the Internet for cold cases—comes to Brennan with a tape recording of an unknown girl being held prisoner and terrorized. Strike is convinced the voice is that of eighteen-year-old Cora Teague, who went missing more than three years earlier. Strike is also certain that the teenager’s remains are gathering dust in Temperance Brennan’s lab. Brennan has doubts about working with a self-styled websleuth. But when the evidence seems to add up, Brennan’s next stop is the treacherous backwoods where the chilling recording (and maybe Cora Teague’s bones) were discovered. Her forensic field trip only turns up more disturbing questions—along with gruesome proof of more untimely deaths. While local legends of eerie nocturnal phenomena and sinister satanic cults abound, it’s a zealous and secretive religious sect that has Brennan spooked and struggling to separate the saints from the sinners. But there’s nothing, including fire and brimstone, that can distract her from digging up the truth and taking down a killer—even as Brennan finds herself in a place where angels fear to tread, devils demand their due, and she may be damned no matter what. Praise for *Speaking in Bones* “Speaking in Bones keeps the suspense high.”—Associated Press “Temperance’s forensic sleuthing uncovers many secrets, along with a blockbuster psychological surprise.”—The Huffington Post *Deadly Decisions* Penguin

Kathy Reichs—#1 New York Times bestselling author and producer of the FOX television hit *Bones*—returns with the thirteenth riveting novel featuring forensic anthropologist Dr. Temperance Brennan. John Lowery was declared dead in 1968—the victim of a Huey crash in Vietnam, his body buried long ago in North Carolina. Four decades later, Temperance Brennan is called to the scene of a drowning in Hemmingford, Quebec. The victim appears to have died while in the midst of a

bizarre sexual practice. The corpse is later identified as John Lowery. But how could Lowery have died twice, and how did an American soldier end up in Canada? Tempe sets off for the answer, exhuming Lowery's grave in North Carolina and taking the remains to Hawaii for reanalysis—to the headquarters of JPAC, the U.S. military's Joint POW/ MIA Accounting Command, which strives to recover Americans who have died in past conflicts. In Hawaii, Tempe is joined by her colleague and ex-lover Detective Andrew Ryan (how "ex" is he?) and by her daughter, who is recovering from her own tragic loss. Soon another set of remains is located, with Lowery's dog tags tangled among them. Three bodies—all identified as Lowery. And then Tempe is contacted by Hadley Perry, Honolulu's flamboyant medical examiner, who needs help identifying the remains of an adolescent boy found offshore. Was he the victim of a shark attack? Or something much more sinister? A complex and riveting tale of deceit and murder unfolds in this, the thirteenth thrilling novel in Reichs's "cleverly plotted and expertly maintained series" (The New York Times Book Review). With the smash hit *Bones* now in its fifth season and in full syndication—and her most recent novel, *206 Bones*, an instant New York Times bestseller—Kathy Reichs is at the top of her game.

Deja Dead Penguin Group Australia

When a recent skeleton among ancient bones raises questions—and danger—forensic anthropologist Temperance Brennan is the only one who can solve the case in this "triumphant second appearance" (Publishers Weekly) from #1 New York Times bestselling author Kathy Reichs. Tempe Brennan is stuck teaching an archaeology field school for students at UNCC in Charleston, South Carolina. When she stumbles upon a recent skeleton among the ancient bones, she starts asking questions. She's the expert they might have called in, but lucky for the police she's already there. The skeleton leads her to a free street clinic where patients have begun to go missing, and some have wound up dead. What is going on and who is to blame? The charismatic televangelist who oversees the clinic? The shady doctor who practices there? Or is it the clinic staff? Ryan is in Montreal, though he may come down for a visit. If he does, Tempe will have to juggle him and Detective Galiano, an old flame, who is in town investigating the disappearance of a wealthy young woman. This is a phenomenally high stakes business where one dead body can save a couple of lives, maybe more. Along with the corpses, Tempe investigates the sick moral logic of the mastermind behind the operation. Kathy Reichs has returned Tempe to America and put her in the middle of a sinister trafficking ring that's local and global. The suspense is intense, and the world is riveting. Kathy Reichs's books are expert and smart with a taut energy, and this is her best plot and writing yet.

Deadly Decisions Bantam

The deaths of two young girls lands forensic anthropologist Temperance Brennan into the world of rival outlaw biker gangs.

The Deep Simon and Schuster

#1 New York Times bestselling author Kathy Reichs returns with her sixteenth riveting novel featuring forensic anthropologist Tempe Brennan, whose examination of a young girl killed in a hit and run in North Carolina triggers an investigation into international human trafficking. When Charlotte police discover the body of a teenage girl along a desolate stretch of two-lane highway, Temperance Brennan fears the worst. The girl's body shows signs of foul play. Inside her purse police find the ID card of a prominent local businessman, John-Henry Story, who died in a horrific flea market fire months earlier. Was the girl an illegal immigrant turning tricks? Was she murdered? The medical examiner has also asked Tempe to examine a bundle of Peruvian dog mummies confiscated by U.S. Customs. A Desert Storm veteran named Dominick Rockett stands

accused of smuggling the objects into the country. Could there be some connection between the trafficking of antiquities and the trafficking of humans? As the case deepens, Tempe must also grapple with personal turmoil. Her daughter Katy, grieving the death of her boyfriend in Afghanistan, impulsively enlists in the Army. As pressure mounts from all corners, Tempe soon finds herself at the center of a conspiracy that extends all the way from South America, to Afghanistan, and right to the center of Charlotte. "A genius at building suspense" (Daily News, New York), Kathy Reichs is at her brilliant best in this thrilling novel.

Spider Bones Simon and Schuster

To attempt to study Scripture without studying its law is to deny it. To attempt to understand Western civilization apart from the impact of Biblical law within it and upon it is to seek a fictitious history and to reject twenty centuries and their progress. The Institutes of Biblical Law has as its purpose a reversal of the present trend. It is called "Institutes" in the older meaning of the that word, i.e., fundamental principles, here of law, because it is intended as a beginning, as an instituting consideration of that law which must govern society, and which shall govern society under God. To understand Biblical law, it is necessary to understand also certain basic characteristics of that law. In it, certain broad premises or principles are declared. These are declarations of basic law. The Ten Commandments give us such declarations. A second characteristic of Biblical law, is that the major portion of the law is case law, i.e., the illustration of the basic principle in terms of specific cases. These specific cases are often illustrations of the extent of the application of the law; that is, by citing a minimal type of case, the necessary jurisdictions of the law are revealed. The law, then, asserts principles and cites cases to develop the implications of those principles, with its purpose and direction the restitution of God's order.

The History of Dublin, N.H. Simon and Schuster

_____ The third gripping Temperance Brennan novel from world-class forensic anthropologist Kathy Reichs, the international no. 1 bestselling crime thriller writer and the inspiration behind the hit TV series *Bones*. A nine-year-old girl is killed in crossfire on her way to ballet class. Soon afterwards, the body of a teenager killed in North Carolina is found hundreds of miles away. Forensic anthropologist Dr Temperance Brennan knows she must stay professional, but when the young girl's body is wheeled into the morgue she cannot help but react. And when an exhumation reveals the bones of yet another innocent in a hidden grave close to a biker gang headquarters, Tempe begins a lone and risky investigation into the lawless underworld of organised crime. _____ Dr Kathy Reichs is a professional forensic anthropologist. She has worked for decades with chief medical examiners, the FBI, and even a United Nations Tribunal on Genocide. However, she is best known for her internationally bestselling Temperance Brennan novels, which draw on her remarkable experience to create the most vividly authentic, true-to-life crime thrillers on the market and which are the inspiration for the hit TV series *Bones*. _____ Many of the world's greatest thriller writers are huge fans of her work: 'Kathy Reichs writes smart - no, make that brilliant - mysteries that are as realistic as nonfiction and as fast-paced as the best thrillers about Jack Reacher, or Alex Cross.'

JAMES PATTERSON 'One of my favourite writers.' KARIN SLAUGHTER 'I love Kathy Reichs? - always scary, always suspenseful, and I always learn something.' LEE CHILD 'Nobody does forensics thrillers like Kathy Reichs. She's the real deal.' DAVID BALDACCI 'Each book in Kathy Reichs's fantastic Temperance Brennan series is better than the last. They're filled with riveting twists and turns - and no matter how many books she writes, I just can't get enough!' LISA SCOTTOLINE

'Nobody writes a more imaginative thriller than Kathy Reichs.' CLIVE CUSSLER

Devil Bones Simon and Schuster

Temperance "Tempe" Brennan faces down the demons of her past in the seventeenth thriller in Kathy Reichs's phenomenally successful *Bones* series. Unexpectedly called in to the Charlotte PD's Cold Case Unit, Dr. Temperance Brennan wonders why she's been asked to meet with a homicide cop who's a long way from his own jurisdiction. The shocking answer: Two child murders, separated by thousands of miles, have one thing in common—the killer. Years ago, Anique Pomerleau kidnapped and murdered a string of girls in Canada, then narrowly eluded capture. It was a devastating defeat for her pursuers, Brennan and police detective Andrew Ryan. Now, as if summoned from their nightmares, Pomerleau has resurfaced in the United States, linked to victims in Vermont and North Carolina. When another child is snatched, the reign of terror promises to continue—unless Brennan can rise to the challenge and make good on her second chance to stop a psychopath. But Brennan will have to draw her bitter ex-partner out of exile, keep the local police and feds from one another's throats, and face more than just her own demons as she stalks the deadliest of predators into the darkest depths of madness. In *Bones Never Lie*, Kathy Reichs once again satisfies readers looking for psychological suspense that's more than skin-deep.

First Bones Turtleback Books

Senior Investigator Shana Merchant must dredge up dark secrets and old grudges if she's to solve the murder of a prominent local citizen in the Thousand Islands community she now calls home. "Wegert nicely balances plot and characterization. Fans of Denise Mina's Alex Morrow will be pleased" - Publishers Weekly Starred Review The body is discovered on Wolfe Island, under the shadow of an enormous wind turbine. Senior Investigator Shana Merchant, arriving on the scene with fellow investigator Tim Wellington, can't shake the feeling that she knows the victim - and the subsequent identification sends shockwaves through their community in the Thousand Islands of Upstate New York. Politics, power, passion . . . there are dark undercurrents in Shana's new home, and finding the killer means dredging up her new friends and neighbors' old grudges and long-kept secrets. That is, if the killer is from the community at all. For Shana's keeping a terrible secret of her own: eighteen months ago she escaped from serial killer Blake Bram's clutches. But has he followed her, to kill again? The Shana Merchant novels are a brilliant blend of chilling psychological thriller and gripping police procedural, set in an atmospheric island community with a small-town vibe.

Dead Wind Random House

Forensic anthropologist Temperance Brennan returns in a chilling ebook original novella from #1 New York Times bestselling author Kathy Reichs. In the prequel to Reichs's upcoming thriller *Bones Never Lie*, Tempe takes a much-needed vacation—but murder follows wherever she goes. Although a trip to Florida is supposed to be about rest and relaxation, there's no such thing as a day off for Dr. Temperance Brennan. She has come to visit her friend, a dedicated ornithologist who's researching the threat that intrusive Burmese pythons pose to indigenous bird species in the Everglades. While sorting through the stomach of an eighteen-foot specimen, they make a disturbing discovery: bones that are unmistakably human. And when Tempe spots the telltale signs of murder by a very different kind of predator, she's drawn into a case with its roots in the darkest depths of the swamp.

206 Bones Simon and Schuster

The "New York Times"-bestselling author and co-producer of the FOX television hit "*Bones*" returns with a spectacular new novel featuring America's favorite forensic anthropologist, Tempe Brennan.
