For a small footballing nation, Scotland boasts a proud record of having qualified for the World Cup Finals on eight occasions. But this fantastic record is also tarred with the glorious failure of never having reached the latter stages of the tournament. Scotland '74 is a bitter-sweet celebration of the closest Scotland has ever got - so far at least - when a team of superstars managed to snatch defeat from the jaws of victory in the dying seconds. Forty years on, it still hurts. For Scotland, the World Cup Finals in West Germany in 1974 promised much. Group 2 had a talented Brazil side with Jairzinho, Rivelino and Cesar, a hard-to-pronounce Yugoslavia line-up and group minnows Zaire. But the Scotland squad boasted household names like Billy Bremner, Kenny Dalglish, Denis Law, Peter Lorimer and Joe Jordan. How could Scotland not get to the second phase of the tournament for the very first time? Well, this is the story of how, astonishingly, it just didn't happen - even though Scotland ended up as the only unbeaten team in the tournament. As history tells us, 1974 was a massive missed opportunity for Scotland, and Richard Gordon now reveals how it all went wrong in the days before the shambles of Argentina '78 and the 3-0 humbling by Morocco in 1998. Drawing on archive reports and the memories of squad members, Scotland '74 relates the story of that big adventure, encompassing a shocking start to manager Willie Ormond's reign (a 5-0 beating by England), frequent player indiscipline, and,

ultimately, the on-field heartbreak that left a nation in mourning for a lost opportunity.

An illustrated exploration of the design, meaning and symbolism of world football club crests. Why is there a devil shown on the crest of Manchester United? Which club's crest motto is 'To Dare Is To Do'? And whose emblem depicts a bear and a strawberry tree? From the seahorses of Newcastle United to the royal crown of Real Madrid, via the riveting hammers of West Ham United, Valencia's famous bat design and German club St Pauli's unofficial skull-and-crossbones emblem, there is a story behind every crest, a tale of identity. Covering more than 200 clubs from 20 different

leagues, *World Football Club Crests* explores the design, meaning and symbolism of the game's most famous club crests to reveal why the badges look as they do. This carefully curated collection charts the continuing evolution of the designs and describes the changing styles, varied influences and remarkable controversies that have shaped football's most iconic crests. These important symbols of football heraldry will never be viewed in the same way again.

If you found maths lessons at school irrelevant and boring, that's because you didn't have a teacher like Bobby Seagull. ***As seen on Monkman & Seagull's *Genius Guide to Britain**** Long before his rise to cult fandom on *University Challenge*, Bobby Seagull was obsessed with numbers. They were the keys that unlocked the randomness of football results, the beauty of art and the best way to get things done. In his absorbing book, Bobby tells the story of his life through numbers and shows the incredible ways maths can make sense of the world around us. From magic shows to rap lyrics, from hobbies to outer space, from fitness to food – Bobby's infectious enthusiasm for numbers will change how you think about almost everything. Told through fascinating stories and insights from Bobby's life, and with head-scratching puzzles in every chapter, you'll never look at numbers the same way again.

From the no 1 bestseller of *While My Eyes Were Closed* comes four Linda Green novels brought together for the very first time! **AND THEN IT HAPPENED** How would you feel if the only man you'd ever loved was taken away from you? And imagine how he'd feel if he hadn't really been taken away at all - but couldn't find a way to let you know... Mel Taylor was thirteen years old when she found Adam. Twenty years on, they are still blissfully in love. But Mel can't shake the feeling that good things can't last forever. But what she isn't expecting, is something so terrible that their lives will be changed forever... **I DID A BAD THING** Sarah Roberts used

to be good. Then she did something bad. Very bad. Now, years later, she's living a good life. She works as a local newspaper reporter and lives with her saintly boyfriend Jonathan. She has no reason to think her guilty past will ever catch up with her. Until Nick, the man she was prepared to risk everything for, walks back into her life. And suddenly, what's good and bad aren't so clear to Sarah any more... **THINGS I WISH I'D KNOWN** When Claire discovers the '20 Years From Now' list she wrote as a teenager, she realises how far removed her life is from the one she'd imagined. Divorced, stuck in a dead-end job and dating a man who is desperate to settle down to a future she doesn't want, she decides it's time to put her life back on track. **TEN REASONS NOT TO FALL IN LOVE** Jo Gilroy gave her heart away once. She won't be making the same mistake again. But then along comes enigmatic children's entertainer Dan Brady, who is a huge hit with Alfie. Just as she wonders if she can risk opening her heart again, dark secrets from Dan's past emerge and Jo discovers that he has his own reasons not to fall in love. Reasons that now threaten to tear their happiness apart...

Classic World Cup clashes brought to life and re-evaluated by two

of the writers of the popular Guardian minute-by-minute football blog. Watching each match in real time and reacting to the twists and turns of the action, Murray and Smyth bring you the real stories of the matches as they happened, not the highlights package or rose-tinted version. From the crowd swarming over the pitch moments before the Brazil-Uruguay classic of 1950 kicked off, to the dubious refereeing decisions that decided England's single triumph at Wembley, this is the history of the World Cup as you've never seen it before. As well as 30 classic moments from other matches, the games given a full report include: 1950 Uruguay v Brazil 1962 Chile v Italy 1966 England v Argentina England v West Germany 1970 England v West Germany Italy v West Germany Brazil v Italy 1974 West Germany v Holland 1978 Scotland v Holland 1982 Brazil v Italy West Germany v France 1986 England v Argentina France v Brazil 1990

England vs Cameroon England v West Germany 1994 Romania v Argentina 1998 Argentina v England 2006 Italy v Germany 2010 Spain v Holland

This debut book from Andrew Burt details the pivotal moments in American political history when outliers moved to the center, capturing the national spotlight and turning fringe politics mainstream. *American Hysteria* puts readers at the center of the nation's most prominent periods of political extremism, from the Anti-Illuminati movement of the 1790s to McCarthyism in the 1950s to the Anti-Sharia movement of today. Both a deep dive into American history and a riveting narrative account, this is book is as much history lesson as it is drama. Burt argues that

political hysteria arises in periods of deep uncertainty about American identity, and that when Americans lose their sense of who they are, they lash out against perceived threats with blacklists, scapegoating, conspiracies, cover-ups and more. By exploring the infamous and sometimes forgotten movements and characters of our nation's past, this fascinating book provides a unique view into America's history, its identity, and ultimately its future.
