Sometimes a letter is like
a prayer; it's more for the
sender than the receiver.
Singer-songwriter Alex
Woodard was letting go of
his best friend, a Labrador
named Kona, and most of
his dreams when he
received a letter that
would change the course
of his life. What began as

a song about that letter
evolved into a book and
album package about
real-life letters, featuring
Grammy-winning artists
and a live show that has
sold out every
performance and inspired
thousands in its first few
months. Join the Hay
House author and award-
winning songwriter as he
takes you on a moving
journey of release,
redemption, and
realization through the
letters, songs, and story
of FOR THE SENDER.
Proceeds generated by
the songs from each letter

many smaller companies. The new first edition contains detailed descriptions and images on most popular models, both vintage and new. *Teach Yourself to Play Guitar* Mel Bay Publications (Book). Finally, the long-awaited English edition of this historic Japanese book is here! The Beauty of the 'Burst pays tribute to Gibson's magnificent Sunburst Les Pauls made between 1958 and 1960, the most highly prized solidbody electric guitars ever. The magnitude of

their value is directly related to their look (outrageous wood patterns, or "figured" timber), since non-players are paying top dollar for them. The book features lavish full-color photos of these beautiful instruments throughout; the guitars of famous players; a foreword by Ted McCarty; a bio of the author, world renowned collector Yasuhiko Iwanade; and the "Science of the Burst" section with over 30 pages of detailed reference facts on every

facet of the guitar, including colors, wood figure, pick-ups, hardware and qualities of "voice." This may be the closest guitarists will ever be able to get to these incredibly collectible beauties! 216 pages, 8-1/2 x 11 Softcover

Flash Remoting: The Definitive Guide Carlton Books

The Art Of Lutherie offers a glimpse into the mind and craft of luthier Tom

Bills, whom many consider to be one of the most talented luthiers today. In this beautifully written and enjoyable read, Tom elegantly and clearly shares his best-kept secrets and methods of custom guitar making - those which make his guitars favorites among top collectors and players. Tom's unique approach to The Art Of Lutherie will empower and inspire you to create more than just a guitar, but a truly unique work of art. The information that is generously shared within

this insightful and timeless work is both practical and applicable. It contains the same hard-won wisdom that only comes from years of experience and experimentation that Tom uses in creating his inspiring instruments. Over the years, he has produced instruments considered to be some of the best sounding guitars ever made. Learning the steps of how to build a guitar is important, but understanding why master luthiers take those steps and make those decisions

can empower you to make your own educated choices. This will allow you to create unique guitars, and the world needs your art, your guitars - your important contribution. The Art Of Lutherie, a truly unique and inspiring guide, can prepare you to reach new heights when designing and creating unique guitars. It is not often I heap such lavish praise on people; however, Tom is in this case more than deserving: I know of no other luthier whose work I respect more. Tom knows

his craft inside and out; he pours his soul into every guitar he makes; he uses cutting-edge science to guide his work, and it shows...as head of Artist Relations and Product Development at Mel Bay, it gives me great pleasure to publish Tom's work, which will no doubt take the art of lutherie to a new level. I hope you'll spend some time soaking in this book - it will certainly augment your musicality - Collin Bay. Includes access to online video
The Acoustic Guitar Guide

Blue Book Publications Growing from a small custom shop in the early 1970s to the only new brand to have challenged the traditional Big Three of American acoustic guitars (Gibson, Guild, and Martin), Taylor has effectively changed the marketplace for acoustic steel-string guitars and influenced every other maker of acoustic stringed instruments. But Taylor's influence in the guitar market goes far beyond the guitars themselves. Having pioneered the use of

modern building techniques – such as utilizing CNC machines, UV-finishing, etc. – the company has been an undisputed leader when it comes to innovation. Taylor's latest efforts are concentrated on wood conservation, and again, the company is setting the example that the industry is following. The Taylor Guitar Book combines a historical story line with useful hands-on information about model changes over the years – to help readers learn how to

identify and date a Taylor – and features shop and factory photos (both historical and current) as well as full-color images of guitars.

Two-Chord Songs for Ukulele Hal Leonard Corporation
 (Book). Guild guitars have been around since the early 1950s, and by the beginning of the '60s, the company had established a solid reputation for its electric and acoustic archtops, which are still widely regarded today. Despite this enduring popularity, little was known about the history of Guild. The Guild Guitar Book is the result of years of intensive research and countless photo sessions.

It includes a thorough history of the company and its guitars, including serial numbers, specifications, original prices, and all the information needed to date Guild guitars. Features hundreds of photos, with a beautiful 40-page color section. Now Back in Print!
Taylor Swift - 1989 Songbook Mel Bay Publications
