Red Rising  
Penguin UK  
Seventeen,  
dead, and in  
charge of  
heaven's dark  
angels—all  
itching to kill

someone.  
Madison  
Avery's  
dreams of  
ever fitting in  
at her new  
school died  
when she did.  
Especially  
since she was  
able to  
maintain the  
illusion of a

body, deal  
with a pesky  
guardian  
angel, and oh  
yeah, bring  
the reaper  
who killed her  
to his  
untimely end.  
Not exactly in-  
crowd  
material. It's  
amazing that

her crush, Josh, doesn't think she's totally nuts. Now Madison has learned that she's the dark timekeeper, in charge of angels who follow the murky guidelines of fate. Never one to abide by the rules, she decides it's time for a major change to the system. With the help of some unlikely allies, Madison forms a rogue group of reapers who definitely don't adhere to the rules of the heavens. But as she

grapples with the terrifying new skills that come with being a timekeeper, Madison realizes she may not be prepared for what lies ahead—unless she gets some seriously divine intervention. The Past and Other Things That Should Stay Buried Penguin  
The second installment in acclaimed author Barry Lyga's Archvillain series! Things haven't been going well for Kyle since Mighty Mike

became the new town hero. He's pretty sure he could fix this disaster if he could expose Mike's secret (he's an alien), but to do that Kyle would have to admit he is the Azure Avenger—the unintentional town archvillain. One night a new masked hero, aptly named the Mad Mask, arrives, boasting to the Azure Avenger of an off-the-charts IQ and superior superpowers. Yet the Mad

Mask has come seeking intellectual assistance in building Ultitron (the robot of all robots). In exchange he offers to allow the Azure Avenger use of the awesome Ultitron to rid the world, or at least Bouring, of Mighty Mike. Forging alliances isn't usually Kyle's style, but it seems he has no choice. While Kyle agrees to help, he also has another plan: finding out who the Mad Mask is

and how he got his powers. Because the last thing the Azure Avenger needs is another mindless archvillain hanging around town! Blood of My Blood Simon Pulse After being sent back from the light, Alona Dare - former homecoming queen, current Queen of the Dead - finds herself doing something she never expected: working. Instead of spending days perfecting her

tan by the pool (her typical summer routine when she was, you know, alive), Alona must now cater to the needs of other lost spirits. By her side for all of this - ugh - "helping of others" is Will Killian: social outcast, seer of the dead, and someone Alona cares about more than she'd like. Before Alona can make a final ruling on Will's "friend" or "more" status, though, she discovers trouble at

home. Her mom is tossing out Alona's most valuable possessions, and her dad is expecting a new daughter with his wicked wife. Is it possible her family is already moving on? Hello! She's only been dead for two months! Thankfully, Alona knows just the guy who can put a stop to this mess. Unfortunately for Alona, Will has other stuff on his mind, and Mina, a young (and beautiful)

seer, is at the top of the list. She's the first ghost-talker Will's ever met—aside from his father—and she may hold answers to Will's troubled past. But can she be trusted? Alona immediately puts a check mark in the "clearly not" column. But Will is - ahem - willing to find out, even if it means leaving a hurt and angry Alona to her own devices, which is never a good idea. Packed with romance, lovable

characters, and a killer cliffhanger, Queen of the Dead is the out-of-this-world sequel to *The Ghost and the Goth*.
