Who Is Dwayne "The Rock" Johnson? Simon and Schuster

Mental health is . . . being yourself. A prescriptive and positive guide, illustrated with line drawings, making the case that mental well-being, like physical health, can be strengthened over time and with specific techniques We all want to feel less anxiety, guilt, anger and sadness. We want to obsess less and be less lonely, free ourselves from our demons, compulsive habits, and stress. But as humans (unlike rocks) we experience all of these. And paradoxically, trying to avoid and control them only makes things worse. Having struggled with serious mental illness for many years himself, Mark Freeman has become a dedicated mental-health advocate and coach. He makes the case that instead of trying to feel less and avoid pain and stress, we need to build emotional fitness, especially our capacity for strength, balance and focus. With wit, compassion, and depth of experience and anecdotes, he shows that we can recover from many mental disorders, from mild to very serious, at all ages and stages of life, and even if other methods have failed. Freeman's innovative approach makes use of a range of therapeutic techniques, mindfulness training, peer support, humor, and common sense.

Come from Away Simon and Schuster

The Nobel Prize-winning author created the words for this unique play about religion in the twentieth century. The choruses in this pageant play represent a new verse experiment on Mr. Eliot's part; and taken together make a sequence of verses about twice the length of "The Waste Land." Mr. Eliot has written the words; the scenario and design of the play were provided by a collaborator, and the purpose was to provide a pageant of the Church of England for presentation on a particular occasion. The action turns upon the efforts and difficulties of a group of London masons in building a church. Incidentally, a number of historical scenes, illustrative of church-building, are introduced. The play, enthusiastically greeted, was first presented in England, at Sadler's Wells; the production included much pageantry, mimetic action, and ballet, with music by Dr. Martin Shaw. Immediately after the production of this play in England, Francis Birrell wrote in The New Statesman: "The magnificent verse, the crashing Hebraic choruses which Mr. Eliot has written had best be studied in the book. The Rock is certainly one of the most interesting artistic experiments to be given in recent times." The Times Literary Supplement also spoke with high praise: "The choruses exceed in length any of his previous poetry; and on the stage they prove the most vital part of the performance. They combine the sweep of psalmody with the exact employment of colloquial words. They are lightly written, as though whispered to the paper, yet are forcible to enunciate . . . There is exhibited here a command of novel and musical dramatic speech which, considered alone, is an exceptional achievement."
