The Swiss Family Robinson  
The inspiration for *The Durrells in Corfu*, a Masterpiece production on public television: A naturalist's account of his childhood on the exotic Greek island. When the Durrells could no longer endure the gray English climate, they did what any sensible family would do: sold their house and relocated to the sun-soaked island of Corfu. As they settled into their new home, hilarious mishaps ensued as a ten-year-old Gerald Durrell pursued his interest in natural history and explored the island's fauna. Soon, toads and tortoises, bats and butterflies—as well as scorpions, geckos, ladybugs, praying mantises, octopuses, pigeons, and gulls—became a common sight in the Durrell villa. Uproarious tales of the island's animals and Durrell's fond reflections on his family bring this delightful memoir to life. Capturing the joyous chaos of growing up in an unconventional household, *My Family and Other Animals* will transport you to a place you won't want to leave. This ebook features an illustrated biography of Gerald Durrell including rare photos from the author's estate.

A modern tale of truth and lies woven with a story from the past. Luke lives in modern-day Australia with his mother and stepfather, Sam. He is burdened by a guilty secret: Sam has helped him to cheat in an entrance exam for a prestigious school. Lulach lives in ninth-century Scotland with his mother and stepfather, Macbeth. Macbeth becomes a great king and restores peace to the land. Luke dreams about Lulach and Macbeth at night. He is also studying the play *Macbeth* at school and in Shakespeare's version, Macbeth is a villain who murders the rightful king. Why did Shakespeare lie about who Macbeth really was? When is it okay to lie and when should you tell the truth? Similarly to *Hitler's Daughter*, *Macbeth and Son* challenges the reader to consider the actions of people, both in the past and present, and from a seemingly simple storyline, *Macbeth and Son* arrives at the morally complex question of 'What is truth? And how important is it?' Ages 10-14

*The Bronze Bow* Library of Alexandria

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new *Suggestions for Further Reading* by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

*Chicago Coloring & Activity Book* Campfire

Inspired by the "original" Swiss Family Robinson book written in 1812 by Johann David Wyss, *Return to Robinson Island* is a continuation of the adventures of the Robinson family fifteen

years after their famous shipwreck. Return to Robinson Island is an entertaining, action-packed adventure story that has a thread of romance weaved throughout. It takes place fifteen years after the Robinson Family's famous shipwreck on a remote island in the East Indies. The story highlights Ernest Robinson, who is now twenty-seven years old, engaged to be married, and is a 1st Lieutenant in the British Royal Navy. Ernest has distinguished himself as a fearless fighter, respected leader, God-fearing man, and loyal friend. However, his loyalty is tested when his commanding officer, Captain Charlie, is court-martialed on war crimes and Ernest has no choice but to tell the truth even if his testimony sends his former captain to prison. When reports reach England that a vast treasure trove has been found on Robinson Island, Ernest and his family find themselves in mortal danger when Captain Charlie vows to retrieve the treasure for himself and wreak revenge on the entire Robinson family. Will the Robinson Family survive the attack? Will Ernest ever see his fiancée again? One thing is certain: they won't give up the island - or their lives - without a fight!

Arcturus Publishing

Young D'Artagnan has only one ambition, to be a King's Musketeer some day. With this dream he arrives in Paris. Monsieur de Treville, however, makes him a member of the King's Guards, and promises that if he proves his worth he can become a Musketeer one day. Meanwhile D'Artagnan befriends Athos, Porthos and Aramis, three Musketeers, and also falls in love with the beautiful Constance Bonacieux. She is Queen Anne of France's linen maid. Queen Anne of France presents her diamond studs to the Duke of Buckingham, her secret lover. The King, Louis XIII, suddenly announces a ball where he wants the Queen to wear his gift, the diamonds studs. Madame Constance then seeks D'Artagnan's help in getting the diamonds back to the Queen. With the wicked Cardinal and his men chasing him, will D'Artagnan be able to save the Queen's honour? Will he fulfill his dream of becoming a Musketeer?

**My Family and Other Animals** Penguin

Germany has had a profound influence on English stories for children. The Brothers Grimm, The Swiss Family Robinson and Johanna Spyri's Heidi quickly became classics but, as David Blamires clearly articulates in this volume, many other works have been fundamental in the development of English children's stories during the 19th Century and beyond. Telling Tales is the first comprehensive study of the impact of Germany on English children's books, covering the period from 1780 to the First World War. Beginning with The Adventures of Baron Munchausen, moving through the classics and including many other collections of fairytales and legends (Musaus, Wilhelm Hauff, Bechstein, Brentano) Telling Tales covers a wealth of translated and adapted material in a large variety of forms, and pays detailed attention to the problems of translation and adaptation of texts for children. In addition, Telling Tales considers educational works (Campe and Salzmann), moral and religious tales (Carove, Schmid and Barth), historical tales, adventure stories and picture books (including Wilhelm Busch's Max and Moritz) together with an analysis of what British children learnt through textbooks about Germany as a country and its variegated history, particularly in times of war.

Saddleback Educational Publ

A collectable, quality hardback edition of one of the world's most popular, enduring classic novels.

Robin Hood Saddleback Educational Publ

A beloved adventure classic, The Swiss Family Robinson is a tale of courage in the face of the unknown that has endured the test of time. Trapped on a remote island after a storm leaves them

shipwrecked, a Swiss pastor, his wife, and their four sons must pull together if they want to survive. Hunting, farming, and exploring a strange land for the first time, each son not only tests his own bravery, but discovers a skill all his own as they each adapt to this new, wild place. Full of wonder, revelation, and invention, this timeless adventure story has sparked imaginations of readers young and old for generations. Featuring an appendix of discussion questions, this Diversión Classics edition is ideal for use in book groups and classrooms. *A Story of the Grand Banks* Veritas Press

An abridged version of the story that relates the fortunes of a shipwrecked family as they imaginatively adapt to life on an island with abundant animal and plant life.

*Swiss Family Robinson Study Guide CD-ROM* Saddleback Educational Publishing

A Swiss family is traveling to a new colony when their ship is blown off course in a six-day storm and runs aground near an uninhabited island. The father, mother, and their four sons escape the wrecked ship and make their way ashore to find that they are the only survivors of the wreck. Salvaging what resources they can from the wreck, the family begins carving out a solitary existence on the island, uncertain when or if a rescue ship will arrive. Despite dangerous animals, torrential monsoons, and the loneliness of isolation, they face all their hardships with energy, ingenuity, and the knowledge that God is with them. The years pass by without rescue. Then one day, Fritz, the oldest son, discovers a note from a young Englishwoman who has also been shipwrecked. Fritz sets out on his own hoping to rescue her, and he soon adds another citizen to their little Swiss colony. A short time later, the family hears the boom of a ship's cannon echo across the sea. They respond by firing their own guns as a signal, unsure if their rescue is imminent, or if they will be attacked by Malay pirates. And even if they are rescued, the family is unsure whether they want to leave the island that has become their home. A Special Note about this Study Guide: This study guide for The Swiss Family Robinson is based on the W. H. G. Kingston translation of the text. Although the Kingston translation has become the English-language standard, publishers of the Kingston translation still differ on chapter divisions. For this study guide we have relied on the chapter divisions found in the edition published by Bantam Doubleday Dell Books for Young Readers (a division of Random House). For those using a different edition of the Kingston translation, we have provided, in the Table of Contents of the study guide, the opening sentence of each lesson section to help you follow along.
