Collocations are combinations of words which frequently appear together. Using them makes your English sound more natural. Presents and explains approximately 1,500 word combinations in typical contexts using tables, charts, short texts and dialogues.

Seven Games: A Human History Going for GoldUpper intermediate. Coursebook From the incomparable Emmy, Grammy, and Tony Award winner, a powerful and revealing autobiography about race, sexuality, art, and healing It's easy to be yourself when who and what you are is in vogue. But growing up Black and gay in America has never been easy. Before Billy Porter was slaying red carpets and

giving an iconic Emmy-winning performance in the celebrated TV show Pose; before he was the groundbreaking Tony and Grammy Award-winning star of Broadway's Kinky Boots; and before he was an acclaimed recording artist, actor, playwright, director, and all-around legend, Porter was a young boy in Pittsburgh who was seen as different, who didn't fit in. At five years old, Porter was sent to therapy to "fix" his effeminacy. He was endlessly bullied at school, sexually abused by his stepfather, and criticized at his church. Porter came of age in a world where simply being himself was a constant struggle. Billy Porter's Unprotected is the life story of a singular artist and survivor in his own words. It is the story of a boy whose talent and courage opened doors for him, but only a crack. It is the story of a teenager discovering himself, learning his voice and his craft amidst deep trauma. And it is the story of a young man whose unbreakable determination led him through countless hard times to where he is now; a proud icon who refuses to back down or hide. Porter is a multitalented, multifaceted treasure at the top of his game, and Unprotected is a resonant, inspirational

story of trauma and healing, shot through with his singular voice.

Language Maximiser Cassette

Cambridge University Press

A group biography of seven enduring and beloved games, and the story of why—and how—we play them. Checkers, backgammon, chess, and Go. Poker, Scrabble, and bridge. These seven games, ancient and modern, fascinate millions of people worldwide. In *Seven Games*, Oliver Roeder charts their origins and historical importance, the delightful arcana of their rules, and the ways their design makes them pleasurable. Roeder introduces thrilling competitors, such as evangelical minister Marion Tinsley, who across forty years lost only three games of checkers; Shusai, the Master, the last Go champion of imperial Japan, defending tradition against “modern rationalism”; and an IBM engineer who created a backgammon program so capable at self-learning that NASA used it on the space shuttle. He delves into the history and lore of each game: backgammon boards in ancient Egypt, the Indian origins of chess, how certain shells from a particular beach in Japan make the finest white Go stones. Beyond the cultural and personal stories, Roeder explores why games, seemingly trivial pastimes, speak so deeply to the human soul. He introduces an early philosopher of games, the aptly named Bernard Suits, and visits an Oxford cosmologist who has perfected a computer that can effectively play bridge, a game as complicated as human language itself. Throughout, Roeder tells the compelling story of how humans, pursuing scientific glory and competitive advantage, have invented AI programs better than any human player, and what that means for the games—and for us. Funny,

fascinating, and profound, *Seven Games* is a story of obsession, psychology, history, and how play makes us human.

Upper-Intermediate Workbook W. W.

Norton & Company

The Coursebook is divided into 15 units each with defined language objectives, and a language review at the end of each unit The grammar reference provides explanations of key language points along with examples to aid usage. Exam style tasks develop students' awareness of the exam format Exam close-up boxes give students tips on how to approach each task type and develop skills The compact Exam Reviser booklet contains the essential language required for the exam in memorable bite-size chunks, and tips on how to prepare for the exam iTest CD ROM provides authentic exam practice with instant feedback allowing students to identify areas which require further practice *First Certificate Gold* Abrams Going for Gold sets students firmly on the road to PET and FCE exam success with a gentle introduction to exam tasks graded throughout the course.

matura extra practice : [student's book] Henry Holt and Company

“A rollercoaster of terror, marked by whip-fast twists and turns.”—The New York Times “Pulled me in from the first page... Put this one high on your summer list.”—Stephen King When a small-town family is pushed to the brink, how far will they go to protect one of their own? An edgy, propulsive read about what we will do in the name of love and blood Tony has always looked out for his younger brother, Nick. So when he's called to a hospital bed where Nick is lying battered and bruised after a violent sexual assault, his protective instincts flare, and a white-hot rage begins to build. As a small-town New

England lawyer, Tony's wife, Julia, has cases involving kids all the time. When Detective Rice gets assigned to this one, Julia feels they're in good hands. Especially because she senses that Rice, too, understands how things can quickly get complicated. Very complicated. After all, one moment Nick was having a drink with a handsome stranger; the next, he was at the center of an investigation threatening to tear not only him, but his entire family, apart. And now his attacker, out on bail, is disputing Nick's version of what happened. As Julia tries to help her brother-in-law, she sees Tony's desire for revenge, to fix things for Nick, getting out of control. Tony is starting to scare her. And before long, she finds herself asking: does she really know what her husband is capable of? Or of what she herself is? Exploring elements of doubt, tragedy, suspense, and justice, *The Damage* is an all-consuming read that marks the explosive debut of an extraordinary new writer.

Tailor-made for the revised First Certificate in English examination, this course offers graded practice, advice and guidance, equipping students with the skills and language ability needed to tackle each task type with confidence.

A Memoir Pearson Longman

An epic account of the Navy SEALs of Alpha platoon, the startling accusations against their chief, Eddie Gallagher, and the courtroom battle that exposed the dark underbelly of America's special forces—from a Pulitzer Prize-winning reporter "Meticulously assembled and brilliantly written . . . [a] remarkable and engrossing book."—The New York Times
By official accounts, the Navy SEALs of Alpha platoon returned as heroes after their 2017 deployment to Mosul, following a vicious, bloody, and successful campaign to drive ISIS from the city. But within the platoon a different war raged. Even as Alpha's chief, Eddie Gallagher, was being honored by the Navy for his leadership,

several of his men were preparing to report him for war crimes, alleging that he'd stabbed a prisoner in cold blood and taken lethal sniper shots at unarmed civilians. Many young SEALs regarded Gallagher as the ideal special operations commando. Trained as a sniper, a medic, and an explosives expert, he was considered a battle-tested leader. But in the heat of combat, some in his platoon saw a darker figure—a man who appeared to be coming unhinged after multiple deployments in America's forever wars. Their excitement to work with a tough, experienced chief soon gave way to a grim suspicion that his thirst for blood seemed to know no bounds and a belief that his unpredictability was as dangerous as the enemy. In riveting detail, Pulitzer Prize-winning New York Times correspondent David Philipps reveals the story of a group of special operators caught in a moral crucible—should they uphold their oath and turn in their chief, or honor the SEALs' unwritten code of silence? It is also a larger story of how the SEAL Teams drifted off course after 9/11, and of the "pirate" subculture that festered within their ranks—a secret brotherhood that, in a time of endless war with few clear victories, made the act of killing itself the paramount goal. The investigation and trial following Alpha's deployment—and Gallagher's ultimate acquittal on the most serious charges—would pit SEAL against SEAL, set the Navy brass on a collision course with President Donald Trump, and turn Gallagher into a political litmus test in a hotly polarized America. A page-turning tale of battle, honor, and betrayal, *Alpha* is a remarkable exposé of the fault lines fracturing a country that has been at war for a generation and counting.

Market Leader Longman

NEW YORK TIMES EDITORS' CHOICE •

This powerful memoir by New York Times bestselling author Amy Bloom is an illuminating story of two people whose love leads them to find a courageous way to part—and of a woman's struggle to go forward in the face of loss. "What a book this is—full of everything that matters . . . gripping, moving, and beautifully told."—Meg Wolitzer, author of *The Female Persuasion*

ONE OF THE MOST

ANTICIPATED BOOKS OF 2022—Oprah

Daily, BookPage
Amy Bloom began to notice changes in her husband, Brian: He retired early from a new job he loved; he withdrew from close friendships; he talked mostly about the past. Suddenly, it seemed there was a glass wall between them, and their long walks and talks stopped. Their world was altered forever when an MRI confirmed what they could no longer ignore: Brian had Alzheimer's disease. Forced to confront the truth of the diagnosis and its impact on the future he had envisioned, Brian was determined to die on his feet, not

live on his knees. Supporting each other in their last journey together, Brian and Amy made the unimaginably difficult and painful decision to go to Dignitas, an organization based in Switzerland that empowers a person to end their own life with dignity and peace. In this heartbreaking and surprising memoir, Bloom sheds light on a part of life we so often shy away from discussing—its ending. Written in Bloom’s captivating, insightful voice and with her trademark wit and candor, *In Love* is an unforgettable portrait of a beautiful marriage, and a boundary-defying love.
