Dynamic Induction: Games, Activities and Ideas to Revitalise Your Employee Induction Process is a practical guide to upgrading your induction process and actively facilitating the new employee's becoming a positive, productive member of the organization as quickly as possible. This informative, straightforward book has been designed to make it simple for you to take action and repair, revitalize or even rebuild your entire new-employee orientation and assimilation procedure into a dynamic and engaging process that will improve communication, co-operation and group cohesiveness. Using a series of assessments, quizzes, charts and checklists, this instructive handbook presents more than 200 ideas and suggestions for enhancing and energizing your complete induction process, starting from the moment a new employee accepts the job. Dynamic Induction also provides you with 50 games and structured activities that can be used to impart work-related information to staff embarking on a new job. These games and activities can be used in all of the instruction-related aspects of your induction process, including planned actions taken to welcome and help the new person as well as specific learning events designed to accelerate the integration of the new employee into the workforce.

CRC Press

From the YALSA and RITA Award-nominated author of Some Boys, a smoldering new contemporary YA about love, loss and finding a place to belong. Dear Dad, I promised Matt I'd do this-become a Junior Cadet. That I wouldn't let you break me down. I know you hate me. Blame me for everything you lost. But that day I lost my brother and my dad. You could never be proud of me, could you? I

was too "different." So, just in case you haven't figured it out yet, I'm saying goodbye. Maybe someday, you'll miss me. Reece Reece's words make her ache. Amanda understands wanting to belong. As a foster kid, the firehouse where she volunteers is the only place that feels like home. She wants to help Reece, but his dad is her boss. And she won't risk her place as a Junior Cadet-it's all that she has. But when a string of arsons suddenly point to Amanda, her whole world is about to go up in flames. And the only way to save themselves is to risk getting burned. Praise for Some Boys: "A gut-wrenching story."-Library Media Connection "A bold and necessary look at an important, and very real, topic. Everyone should read this book."-Jennifer Brown, author of Thousand Words and Hate List
