In this pioneering exploration of African American slang - a highly informal vocabulary and a significant aspect of African American English - Maciej Widawski explores patterns of form, meaning, theme and function, showing it to be a rule-governed, innovative and culturally revealing vernacular. Widawski's comprehensive description is based on a large database of contextual citations from thousands of contemporary sources, including literature and the press, music, film and television. It also includes an alphabetical glossary of 1,500 representative slang expressions, defined and illustrated by 4,500 usage examples. Due to its vast size, the glossary can stand alone as a dictionary providing readers with a reliable reference of terms. Combining scholarship with user-friendliness, this book is an insightful and practical resource for students and researchers in linguistics and general readers interested in exploring lexical variation in contemporary English. *Paperbound Books in Print* Harper Collins

A guide to planning your wedding, the biggest day of your life. Containing hints and tips to help your day run as smoothly as possible, it also includes questions and answers. It looks at the day from both the Bride and the Grooms perspective, and accompanies a 57-minute DVD presented by Fashion guru Caryn Franklin.

**Indian Books in Print** New Delhi : Sterling

Are you looking for clarity in your life? Are you still wondering why your life is not working out the way you want it to? The two most important days of your life are the day you were born and the day you figure out why. At this very moment, there are millions of people going through life with a lot of confusion in their mind and heart because they don't know the answers to the questions in their life. We need answers to find our life's purpose, our passion, and to add meaning to everything in our life. All the answers and more will be available to us when we learn how to connect with our inner voice. To find the answers, we need to prepare ourselves to look at life from different perspectives of the past, present, and future. To arrive at these perspectives, one needs to ask oneself well-defined, constructive questions. These questions will allow one to gain a thorough understanding of oneself, thus giving rise to the Inner Guru.

Memory is a fundamental capacity that plays a pivotal role in social, emotional and cognitive functioning. Our memories form the basis for our sense of self, guide our thoughts and decisions, influence our emotional reactions, and allow us to learn. So the ability to form memories and remember them is a vital part of human experience. Most of us are unaware of the fact that no one is born with a poor memory. It just requires a little sharpening to improve efficiency. Memory is much like a muscle - the more it is used, the sharper it gets, and the more it is neglected, the worse it gets. Learn how Human Memory System works and how to improve your memory power from Guinness World Record Holder & Qualified International Memory Trainer - Dr. BK Chandra Shekhar, who designed the syllabus (First & Unique in the world) on "Memory Development and Psycho Neurobics" for Government University and Management Training Institutes in India and abroad, with Comprehensive Memory Development Course. This book will help you develop to splendid memory strategies, to organise information efficiently, and to practice the skills necessary for effective learning and recalling of information. Key Features: Right Concept of Human Memory System explained First time in the world, the function of head top computer is explained scientifically How to increase Concentration - Practical steps explained How to memorise Numerical Figures, Periodic Tables, Biological terms, Historical dates, Words, Spellings, Name and Faces, Maps and Diagrams, long questions answers of CA, CS and MBA students are explained scientifically with relevant and practical examples.

*A Critical Approach* Cambridge University Press

What if you could change your life--without changing your life? Gretchen had a good marriage, two healthy daughters, and work she loved--but one day, stuck on a city bus, she realized that time was flashing by, and she wasn't thinking enough about the things that really mattered. "I should have a happiness project," she decided. She spent the next year test-driving the wisdom of the ages, current scientific studies, and lessons from popular culture about how to be happier. Each month, she pursued a different set of resolutions: go to sleep earlier, quit nagging, forget about results, or take time to be silly. Bit by bit, she began to appreciate and amplify the happiness that already existed in her life. Written with humour and insight, Gretchen's story will inspire you to start your own happiness project. Now in a beautiful, expanded edition, Gretchen offers a wealth of new material including happiness paradoxes and practical tips on many daily matters: being a more light-hearted parent, sticking to a fitness routine, getting your sweetheart to do chores without nagging, coping when you forget someone's name and more.

Lord Ganesha is worshipped first among all the deities. He is a distinguished leader. His razor sharp memory and witty nature reveals the secret of success and ignites our mind with problem solving acumen to excel in our professional and family life. His ability of solving problems and removing all obstacles makes Him a special deity. Leadership traits, problem solving skills, focused attention, empathy and sympathy, negotiation skills, resourceful innovation, distributive justice, discerning power and cooperative attitude are the basic requirements to become the best leader and manager in the present scenario. At present, various management gurus teach and conduct various workshops to nurture these qualities in the managers and leaders. But the result is not achieved as per expectation. There are some basic differences in the style of different approaches by so called management gurus. This book is entirely different from other books on Ganesha. It derives the message of the best leader and manager of the ancient world in a very practical and witty way. It will be very helpful in learning more about life management lessons besides nurturing the managerial skills and leadership traits. B.K. Chandra Shekhar is a Rajyogi, faculty member of Rajyoga Education and Research Foundation, New Delhi, Alumnus of Punjab University, Chandigarh, International Mind & Memory Trainer, Motivational Speaker, Neurobic Expert, Inventor of SIGFA Solutions and Neurobic Gym Concept and Founder Director of Invisible Doctors Solutions Pvt Ltd, Faridabad. He is a spiritual healer and member of Healing International, South Wales, United Kingdom. He is the author of eight books on mind, memory and healing power of soul. He has conducted more than three thousand workshops and seminars on Mind-Body-Spirit fitness in India and abroad. His life is a living example of surviving from life threatening diseases of Cancer and Hepatitis-C by activating his inner (invisible) doctor.

Organizational Communication: A Critical Approach is the first textbook in the field that is written from a critical perspective while providing a comprehensive survey of theory and research in organizational communication. The text familiarizes students with the field of organizational communication—historically, conceptually, and practically—and challenges them to reconsider their common sense understandings of work and organizations, preparing them for participation in 21st century organizational settings. Linking theory with practice, Mumby skillfully explores the significant role played by organizations and corporations in constructing our identities. The book thus provides important ways for students to critically reflect on their own relationships to work, consumption, and organizations.
