"We cannot change the cards we are dealt, just how we play the hand."---Randy Pausch A lot of professors give talks titled "The Last Lecture." Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer

science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave--"Really Achieving Your Childhood Dreams"--wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because "time is all you have...and you may find one day that you have less than you think"). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be

shared for generations to come.

brings readers even more classic favorites from the Punjabi kitchen with 10 new menu chapters and dozens of new recipes. Princes, poets, farmers and Punjabi immigrants across generations live on in these recipes and vignettes. At the heart of this cookbook-memoir is the story of two women, a Punjabi villager and her American daughter-in-law, and the lives they built together. More than an exceptional guide to India's most popular cuisine, this is also the intimate saga of a Punjabi family told through the food that had sustained and comforted them through the years. Each chapter features a family story along with recipes for a full meal, from appetizers, entrees, and sides to desserts. Sidhu also includes make-ahead timetables for easy meal prep, glossaries of foods and spices, as well as a resource section for finding Indian ingredients. the tables of Maharajahs.

Bhagat Singh spent the last two years of his life in jail, awaiting execution. During this time, he and his comrades fought one of the most celebrated court battles in the annals of national liberation struggles, and used the court as a vehicle for the propagation of their revolutionary message. They also struggled against the inhuman conditions in the colonial jail, and faced torture and pain. Their heroism made them icons and figures of inspiration for generations to come. All this is well-known. What is not so well-known is that Bhagat Singh wrote four books in jail. Although they were smuggled out, they were destroyed and are lost forever. What

survived was a Notebook that the young martyr kept in jail, full of notes and jottings from what he was reading. In the year of his birth centenary, LeftWord is proud to present his Notebook in an elegant edition. This edition has been checked against the copy preserved in the National Archives of India. The Notebook is richly annotated by Bhupender Hooja; and the annotations have been revised and updated for this edition. Also included are the most important texts that Bhagat Singh wrote in jail, Chaman Lal's lucid introduction, the New York Daily Worker's reports and Periyar's editorial on the hanging.
