2018 Axiom Business Book Award Winner, Gold Medal Stop Selling! Start Solving! In Ninja Selling, author Larry Kendall transforms the way readers think about selling. He points out the problems with traditional selling methods and instead offers a science-based selling system that gives predictable results regardless of personality type. Ninja Selling teaches readers how to shift their approach from chasing clients to attracting clients. Readers will learn how to stop selling and start solving by asking the right questions and listening to their clients. Ninja Selling is an invaluable step-by-step guide that shows readers how to be more effective in their sales careers and increase their income-per-hour, so that they can lead full lives. Ninja Selling is both a sales platform and a path to personal mastery and life purpose. Followers of the Ninja Selling system say it not only improved their business and their client relationships; it also improved the quality of their lives.

Instant Profit Guide To Online Business Mastery Blueprint Createspace Independent Publishing Platform

From the creator of Valuetainment, the #1 YouTube channel for entrepreneurs, and "one of the most exciting thinkers" (Ray Dalio, author of Principles) in business today, comes a practical and effective guide for thinking more clearly and achieving your most audacious professional goals. Both successful entrepreneurs and chess grandmasters have the vision to look at the pieces in front of them and anticipate their next five moves. In this book, Patrick Bet-David "helps entrepreneurs understand exactly what they need to do next" (Brian Tracy, author of Eat That Frog!) by translating this skill into a valuable methodology. Whether you feel like you've hit a wall, lost your fire, or are looking for innovative strategies to take your business to the next level, Your Next Five Moves has the answers. You will gain: CLARITY on what you want and who you want to be. STRATEGY to help you reason in the war room and the board room. GROWTH TACTICS for good times and bad. SKILLS for building the right team based on strong values. INSIGHT on power plays and the art of applying leverage. Combining these principles and revelations drawn from Patrick's own rise to successful CEO, Your Next Five Moves is a must-read for any serious executive, strategist, or entrepreneur.

Mastery Sohnen-Moe Assoc

In this groundbreaking work on ethics, Ben Benjamin and Cherie Sohnen-Moe directly address the difficult, confusing, and seldom-discussed-but-often-troubling dilemmas confronting touch therapy practitioners. By honestly describing the issues, identifying clear principles, naming specific resources and using stories straight from the treatment room, they have written a book to guide, support and inspire both students and seasoned practitioners. Reflective exercises and questions allow the reader to personalize each chapter. With love and respect for the field and for clients everywhere, Dr. Benjamin and Ms. Sohnen-Moe articulate high expectations and outline practical steps to meet them. This book belongs in the office of every somatic practitioner and in the classrooms of every professional training school. The Ethics of Touch has sold 60,000 copies, and is recommended by more than 750 healing arts associations and schools. Over 250 schools require it as a text. The first edition of The Ethics of Touch was five years in the making. The second edition is significantly revised with additional and updated material, and new chapters. It is a collaborative endeavor of many knowledgeable, caring, and articulate professionals. Most massage therapists, bodyworkers, chiropractors, acupuncturists, physical therapists, and other somatic practitioners do not receive adequate ethics training in school. This book supports hands-on professionals in expanding their knowledge about the field of ethics, to better manage boundaries, and to run ethical practices. Changes to the Second Edition: New chapters on "Communications Techniques and Strategies" and "The Team Approach" Updated Web links throughout Inclusion of Topics and Key Terms in each chapter G lossary with definitions of all the Key Terms on the chapter opener pages Additional scenarios Additional charts, tables, and figures **Business Made Simple** Rowman & Littlefield

Relationship Mastery Estalontech

Outlines six principles and best practices for hiring and retaining women with challenging backgrounds Recently, business leaders have shifted their focus from a profit-only mindset to considering the impact of their businesses on all stakeholders. At the same time, the United Nations set aggressive Sustainable Development Goals (SDGs) to improve our world by 2030. These SDGs address all major needs facing our world today, such as: eradication of poverty and hunger, access to clean water, gender equality, and decent work and economic growth. These are significant problems

facing the world that have in the past largely been left to nonprofit organizations and governments to solve. Investors and customers have higher expectations for companies to make a positive social and environmental impact. They want to know business can do good. Following suit, today's business leaders are starting to recognize we will never fill the gap between where we are and where we want to be if businesses do not also do their part to contribute sustainable solutions to these enormous social problems. This book provides a guide for businesses to make a significant positive impact while also benefiting their businesses. Business Doing Good outlines six principles business leaders can implement to effectively hire women who have experienced incarceration, poverty, addiction, and/or engagement in the sex trade. While making a difference to both these women and communities, businesses benefit from the women's resourcefulness, resilience, ability to motivate, and other unique skills and perspectives only available to someone who has overcome difficulties. Investments in women, in general, are exponential as they are more likely to return that investment to future generations. The impact is endless. If we are going to end poverty and create economic development, women who have overcome challenging pasts cannot be excluded.

Mastery Simon and Schuster

Women today are expected to multitask--to serve, lead, influence, manage their busy schedules, nurture their families, and at the same time harness their emotions. Meanwhile, Satan, the longtime enemy of women, tells them they are not good enough, not successful enough, and certainly not capable of making a difference. An author who knows how to access the power and gifts of the Holy Spirit in everyday life, Staci Wallace helps women resist the forces of darkness and rise up empowered to take on and win whatever battle they face. In *Fueled by Fire*, she takes readers on a journey through the lives of women in the Bible as well as through her own story of conquering deadly diseases, climbing corporate ladders, and raising world-changers. She inspires women to believe that, with God, anything is possible.

Business Mastery HarperCollins Leadership

Master the fundamentals, hone your business instincts, and save a fortune in tuition. The consensus is clear: MBA programs are a waste of time and money. Even the elite schools offer outdated assembly-line educations about profit-and-loss statements and PowerPoint presentations. After two years poring over sanitized case studies, students are shuffled off into middle management to find out how business really works. Josh Kaufman has made a business out of distilling the core principles of business and delivering them quickly and concisely to people at all stages of their careers. His blog has introduced hundreds of thousands of readers to the best business books and most powerful business concepts of all time. In *The Personal MBA*, he shares the essentials of sales, marketing, negotiation, strategy, and much more. True leaders aren't made by business schools--they make themselves, seeking out the knowledge, skills, and experiences they need to succeed. Read this book and in one week you will learn the principles it takes most people a lifetime to master.

Business Doing Good Lippincott Williams & Wilkins

It stands as a rallying cry for those not content with merely playing a role in the business arena, but who are driven to steer its course, mold its future, and transform it entirely. Open these pages and step into a world where principles, innovation, and strategy converge. Welcome to "Business Mastery" - where your extraordinary journey to the pinnacle of business success begins.

The Mastery of Self Penguin

Become Emotionally Smarter with a Practical Approach! Emotional intelligence has been a buzzword in the personal growth industry and in high-level corporate recruitment strategies since 1995, when Daniel Goleman used the term for his book title and topic. As we would say today, his use of it "went viral" immediately, in the world of business and mental health in particular. Often abbreviated as "EQ", emotional intelligence is the personal ability you have to recognize and label your own emotions and feelings, and to use this information to steer your thinking and behavior in the desired direction. Whether you are looking to climb the career ladder with ease, thrive during social events or simply feel more at peace with yourself, a well-developed EQ is absolutely critical. During the course of this book, we will take a look at the current knowledge surrounding the subject, as well as how you can vastly improve your own emotional intelligence with a series of simple, practical exercises. You will learn about: - How to observe and analyze your emotions at any given moment. - How to connect more easily with people and build strong and lasting relationships. - How your body reacts to your various emotional states. - How to release unwanted and potentially destructive emotions. - "Thought traps" and how to deal with them. - Mindfulness and its role in developing EQ. - How to improve your EQ in everyday environments. - How having a higher emotional intelligence will benefit your life. And more!

Elite Business Mastery Sohnen-Moe Associates

Is this blue book more valuable than a business degree? Most people enter their professional careers not understanding how to grow a business. At times, this makes them feel lost, or worse, like a fraud pretending to know what they're doing. It's hard to be successful without a clear understanding of how business works. These 60 daily readings are crucial for any professional or business owner who wants to take their career to the next level.

New York Times and Wall Street Journal bestselling author, Donald Miller knows that business is more than just a good idea made profitable - it's a system of unspoken rules, rarely taught by MBA schools. If you are attempting to profitably grow your business or career, you need elite business knowledge—knowledge that creates tangible value. Even if you had the time, access, or money to attend a Top 20 business school, you would still be missing the practical knowledge that propels the best and brightest forward. However, there is another way to achieve this insider skill development, which can both drastically improve your career earnings and the satisfaction of achieving your goals. Donald Miller learned how to rise to the top using the principles he shares in this book. He wrote *Business Made Simple* to teach others what it takes to grow your career and create a company that is healthy and profitable. These short, daily entries and accompanying videos will add enormous value to your business and the organization you work for. In this sixty-day guide, readers will be introduced to the nine areas where truly successful leaders and their businesses excel: Character: What kind of person succeeds in business? Leadership: How do you unite a team around a mission? Personal Productivity: How can you get more done in less time? Messaging: Why aren't customers paying more attention? Marketing: How do I build a sales funnel? Business Strategy: How does a business really work? Execution: How can we get things done? Sales: How do I close more sales? Management: What does a good manager do? *Business Made Simple* is the must-have guide for anyone who feels lost or overwhelmed by the modern business climate, even if they attended business school. Learn what the most successful business leaders have known for years through the simple but effective secrets shared in these pages. Take things further: If you want to be worth more as a business professional, read each daily entry and follow along with the free videos that will be sent to you after you buy the book.

Strategic Business Mastery Penguin

Transform your interpersonal effectiveness: The ability to relate successfully to other people is the most critical skill a person can ever have-at work, at home, or anywhere else-and strong relationship skills simply make everything else easier. David Fraser has developed a systematic approach to addressing this need at a deep and insightful level by drawing on practical psychology, Neuro-Linguistic Programming (NLP), ancient wisdom, first-hand experience of organisational life at all levels, and mediation and facilitation expertise. "Relationship Mastery: A Business Professional's Guide" provides a reliable route to success you can apply over and over to improve your life in every area. Packed with real-life examples and practical, tried-and-tested steps to take, this book will help you: win more business; keep your job, or get a better one; connect with people quickly and easily in a lasting way; collaborate effectively, resolve disputes and handle conflict with ease; be confident and resourceful with people; and enjoy your relationships at home. "A superb book full of practical advice." Sue Knight, International consultant and author "Extremely practical and relevant to everyday situations. Absorbing and fun." Michael Leathes, Director, International Mediation Institute "All I can say is, the approach works and is continually referenced." Karen Marshall, Managing Director, Bridge of Weir Leather Company Ltd "Very positive, helpful, and enlightening. Always pertinent and balanced, and even profound. Invaluable. Harry Reid, former Editor, "The Herald"

Yoga Business Mastery Graham Fisher

BUSINESS MASTERY is a comprehensive guide that balances practical business skills with a humanistic approach.
