GUERRA DONNA

Heaven's A Beach Peryton Press

On New Year's Eve, I broke all of my rules by betting on a relationship with Cole, Shane, and Nicholas. Now that the shine of that magical night has dimmed, I'm beginning to question my judgment. I should be focused on my final semester of college instead of fixating on the three sexiest men I've ever met. But when Cole's estranged brother unexpectedly arrives in Vegas, what has been a pleasurable distraction suddenly feels real. Between acting as peacemaker, meeting Nicholas's aristocratic family, and falling under Shane's spell, I'm more invested in my

boyfriends than ever. If only I could trust that they view our unconventional relationship as more than a game. Maybe then I'd feel comfortable revealing it to the world. When Nicholas, Cole, and Shane prove that they're playing to win, one question remains—am I willing to risk it all for love? *Playing to Win is the second book in the Risking It trilogy, a reverse harem romance.

Remember You This Way Peryton Press

Three sexy-but-psycho monsters. The witch they're determined to protect. And a high-stakes heist about to go very wrong... I've made some pretty questionable choices in my life—dabbling in necromancy, double-crossing vampires—but summoning the dark goddess to save my sisters? That was just plain stupid. Now I'm in her debt, and goddesses don't exactly do payment plans. She wants the blood of the dark fae warlord of Midnight, a realm of exiles where the sun never rises and torture is a competitive sport. It's a death trap only three men have ever escaped—my newly appointed escorts. Jax, a terrifying demon whose icy touch leaves me trembling in more ways than one. Hudson, a hulking, fiercely protective gargoyle shifter hiding a past so painful he doesn't speak. And Elian, a cocky fae prick with eyes like molten silver and a heart full of vengeance—a heart that once belonged to me. I'll do anything to settle my debts and get back home to my sisters, even if it means teaming up with my infuriating ex and the other sinfully hot psychos for the most dangerous blood heist in history. But when it comes to the cruel fae warlord, not even my monsters can protect me... Especially when we discover why the dark goddess really sent us to Midnight. **BLOOD AND MIDNIGHT** is the first book in The Witch's Monsters series, a dark

fantasy reverse harem romance featuring a kickass witch and the sinfully hot monsters who've vowed to protect her. Perfect for fans of sizzling enemies to lovers romance, villain romance, and dark fantasy romance.

What I Never Knew I Needed Wyatt North Publishing, LLC

I didn't fall into a place of wonder and madness. I was taken. This world is a perfect, enchanting wonderland. The people here are just as alluring. But we all have our secrets. Like the white rabbit who's leading a rebellion right under the King's nose. Or the sweet March Hare who's actually an enemy spy. Or my one true ally in all of this, a killer who's so feared they won't even say his real name. As for me, I have more secrets than all of them combined. Because Wonderland is waiting for the beloved Alice Liddell. And I'm just the bitch pretending to be her. This is a reverse harem series, recommended for readers 18 and over.

I've always felt different than everyone around me. And it feels like they know it too, because they treat me like an outcast. When all I really want is to be cared for by someone. To be loved for who I am. Not hated by my parents like I am now, or bullied by girls who know nothing about me, but treated like I too am important and worthy of affection. It seems like that day has finally arrived when four new guys show up at school and turn my life on its head. I know I shouldn't let my loneliness be the reason I let them into my life, but I can't seem to help myself. There is just something about them that draws me in, that makes me long to be near them. But when my eighteenth birthday arrives,

everything I thought I knew about them, and myself, changes. I have to adapt to all sorts of new challenges, like controlling powers I never knew I had. Let's just hope I don't destroy the world by accident.**Warning: this book, while based in high school, is not YA. I recommend readers be over the age of 18 before reading this and to ensure you read the inside warning page regarding possible triggers.
