WARRIOR-MAID of MARSBy ALFRED COPPELThe Terran Barbarians have landed! Already theyplunder a dying, helpless planet! And a whisperrustles through the cold, thin air, across the rust-red sands: "Give us a leader-and we will fight! Give us back our ancient glory!"

Charmed Season 10 Zenescope Entertainment

Pre-modern Arabic biography has served as a major source for the history of Islamic civilization. In this 2000 study exploring the origins and development of classical Arabic biography, Michael Cooperson demonstrates how Muslim scholars used the notions of heirship and

transmission to document the activities of political, scholarly and religious communities. The author also explains how medieval Arab scholars used biography to tell the life-stories of important historical figures by examining the careers of the Abbasid Caliph al-Ma'mun, the Shiite Imam Ali al-Rida, the Sunni scholar Ahmad Ibn Hanbal and the ascetic Bishr al-Hafi, each of whom represented a tradition of political and spiritual heirship to the Prophet. Drawing on anthropology and comparative religion, as well as history and literary criticism, the book considers how each figure responded to the presence of the others and how these responses were preserved by posterity.

Fairy Gardens Nbm Publishing Company
What happens when three young gay

men, their elderly benefactor, and a mischievous ghost are brought together in a California mansion? Greed rears its head, but can love survive the fray?

The Death of Christian Culture Image Comics

It will excite children's imaginations and spark a wonderful fascination with the magic of fairies. Go up and click Buy Now or Read Now to begin your magical fairy journey.

Magic, Sex & Politics Independently Published

Sonichu #0 is the first issue of Christian Weston Chandler's magnum opus. At this initial stage, the comic was almost entirely about Sonichu and Rosechu, although bits of Chris's life still managed to find their way in. The "hand-drawn premiere issue" is a special zero issue. In the comics industry, zero issues are used as either a sales-enhancing gimmick

(Image Comics is a notable user of this) or a special preview of work that will not truly begin until issue #1. Given that it previews nothing, which one Chris was going for is probably the former, though given that it's not legally able to be sold, it fails even that. The comic consists of Sonichu's first three adventures. In "Sonichu's Origin", the core cast of the series is introduced as Sonichu and Rosechu are created. Then, in "Genesis of the Lovehogs", the two protagonists meet and immediately fall in love. Finally, in "Sonichu vs. Naitsirhc", our yellow hero does battle with his first real villain, who but foreshadows the challenges awaiting the hedgehogs in the following issue. Bonus material in Sonichu #0 includes various advertisements for imaginary Sonichu

products, "classic" Sonichu comic strips drawn outside of the narrative of the main comic book, and the first "Sub-Episode".

The History of the Decline and Fall of the Roman Empire Volume 8 Harlequin Treasury-Harlequin Romance Presents, in graphic novel format, the story of Alissa Torres, whose husband was killed in the September 11 terrorist attack on the World Trade Center, and her legal and psychological battles over his death.

Sex Criminals: Sexual Gary Special

Summit Publishing Company Inc.

Miss Irma Birmbaum, the toughest teacher in town, is back for another mysterious adventure. It's almost summer vacation and most teachers are throwing parties for their students. But

not Miss Irma Birnbaum. She's the toughest teacher in town. Who else would give homework for the last day of school? The assignment is to be prepared for a surprise. Miss Birnbaum is secretly planning a party, but she has a cooking accident as she's making the treats and suddenly begins to shrink. With lots of help from the students Miss Birnbaum finally returns to her usual size, and they all have the best end-of-school party ever.

Big Sister Madison Amerotica

Dude! You gotta' buy this for your mom!" -Jeremy Duncan More Jeremy and Mom A popular psychologist says that teenage boys fire their mothers. It's an age when nurturing moms who've spent years cuddling, tucking, and rocking their little boys suddenly find themselves

on the outside trying to see in. Most moms and sons do not make the transition gracefully. Jerry Scott and Jim Borgman are trying something different with this collection of their phenomenally successful comic strip, Zits. They have combed through more than 10 years of strips and selected more than 200 of the most popular of the Mom/Son themed strips into one book. The idea is to provide a more focused look at the dynamic that drives almost all of the mountain of Zits e-mail and letters we receive every month," says Scott. Borgman adds, "If moms can stop what they're doing long enough to discover this book, we think they'll find a lot of comfort (and laughs) in seeing that their struggles with their grunting, slouching, uncommunicative, sloppy, and ultimately

incomprehensible sons are universal." *The Heirs of the Prophets in the Age of al-Ma'mun* Princeton University Press

The *Unmaking of a Dancer* sheds a blistering light on the raw, fiercely competitive and often vicious world of ballet: the truth behind the fiction of *Black Swan*. It's the story of Joan Brady's life in her own words. Ballet was the first thing Brady was good at; she really was good, too, performing professionally with the San Francisco Ballet at the tender age of fourteen. A bonus was that lessons and performances kept her away from her unpredictable father and formidable mother. But nobody can stay away for good, and when she finally made it into the New York City Ballet, her mother delivered a career-destroying blow. And yet with the help of the love of

her life, Dexter Masters, she found another way of living and the chance for a family of her own.

Robyn Hood #1 IDW Publishing

In this prelude to the exciting new entry in the *Tomb Raider* video game saga, lead game writer Rhianna Pratchett reveals the untold story behind Lara Croft's earliest adventure. Join Lara and the crew of the *Endurance* as they prepare for a thrilling journey to uncover the lost kingdom of Yamatai. For over fifteen years, the *Tomb Raider* adventures have been some the most enduring and popular in the world of video games. Now, Lara Croft's bold new re-imagining is further explored by some of comics' most talented creators in this exclusive volume.

The Anatomy of Integers and

Permutations Villard Books

"The Power of the Three was threatened when their dead sister, Prue, was resurrected in the body of a coma patient. For a time, the sisters' magic was thrown off balance ... but now, having relinquished the Power of the Three, Prue has been imbued with the magic of the Nexus of the All, a mystical convergence with untold potential. Though the Power of the Three is once again in harmony, Prue must never leave the location of the Nexus, or the sanctity of magic as a whole will be compromised"--Back cover of Volume 1.

The Incredible Shrinking Teacher Image Comics

An outrageous graphic novel that investigates key concepts in mathematics Integers and

permutations—two of the most basic mathematical objects—are born of different fields and analyzed with separate techniques. Yet when the Mathematical Sciences Investigation team of crack forensic mathematicians, led by Professor Gauss, begins its autopsies of the victims of two seemingly unrelated homicides, Arnie Integer and Daisy Permutation, they discover the most extraordinary similarities between the structures of each body. Prime Suspects is a graphic novel that takes you on a voyage of forensic discovery, exploring some of the most fundamental ideas in mathematics. Travel with Detective von Neumann as he leaves no clue unturned, from shepherds' huts in the Pyrenees to secret societies in the cafés of Paris,

from the hidden codes in the music of the stones to the grisly discoveries in Finite Fields. Tremble at the ferocity of the believers in deep and rigid abstraction. Feel the frustration—and the excitement—of our young heroine, Emmy Germain, as she blazes a trail for women in mathematical research and learns from Professor Gauss, the greatest forensic detective of them all. Beautifully drawn and exquisitely detailed, *Prime Suspects* is unique, astonishing, and witty—a once-in-a-lifetime opportunity to experience mathematics like never before.

Warrior-Maid of Mars Createspace

Independent Publishing Platform

“Bryan Davis writes with the scope of Tolkien, the focus of Lewis, the grandeur

of Verne, and most of all the heart of Christ.” —Jeremiah F., reader A boy with fiery breath . . . a girl with dragon wings . . . Outcasts Billy and Bonnie must come together to preserve a secret legacy more than a millennium in the making. They find their lives turned upside down when they are thrust into a war against evil, a war they didn’t even know was being waged. Their newly formed friendship is tested and shaped as they are forced to fight a malevolent slayer who wields a powerful, medieval weapon and is intent on exterminating their dragon heritage forever. Raising Dragons is a hair-raising, modern-day Arthurian adventure and a glimpse into another world filled with knights, dragons, and fair maidens fighting to destroy evil.
