Crown

She was born Norma Jeane

but the world knew and loved her as Marilyn. Her life was one of unprecedented fame and private misery, her

death a tragedy surrounded by mysteries. Drawing on first-hand interviews Anthony Summers

offers both a classic biography and a shockingly revealing account of the screen goddess's relations with John and Robert Kennedy. 'The definitive story of the legend ... more convincing at every page - told with all the coldness of truth and the authority of the historian, but at the end of it we still love Marilyn' Maeve Binchy, Irish Times *My Sister Marilyn* Grand Central

Publishing The updated bestselling biography—based on over six hundred interviews—and the inspiration for the Netflix documentary, *The Mystery of Marilyn Monroe*. Marilyn Monroe, born in obscurity and deprivation, became an actress and legend of the twentieth century, romantically linked to famous men from Joe DiMaggio to Arthur Miller to John F. Kennedy. But

her tragic death at a young age, under suspicious circumstances, left behind a mystery that remains unsolved to this day. Anthony Summers interviewed more than six hundred people, laying bare the truths—sometimes funny, often sad—about this brilliant, troubled woman. The first to gain access to the files of Monroe's last psychiatrist, Summers uses the

documents to explain her tangled psyche and her dangerous addiction to medications. He establishes, after years of mere rumor, that President Kennedy and his brother Robert were both intimately involved with Monroe in life—and in covering up the circumstances of her death. Written and updated by a Pulitzer Prize nominee who has authored works on JFK, J. Edgar Hoover, and

the 9/11 attacks, this investigation of an iconic star's brief life and early death is "remarkable. . . The ghost of Marilyn Monroe cries out in these pages" (The New York Times). Netflix's *The Mystery of Marilyn Monroe* will cement this work as the definitive biography of the unforgettable woman. **The Secret Life of Marilyn Monroe** Skyhorse Publishing,

Inc. Traces the passionate and sometimes volatile relationship between Joe DiMaggio and Marilyn Monroe, covering their sensational 1954 elopement and the troubles that led to their divorce nine months later. Marilyn Monroe Hourly History Barbara Leaming's Marilyn Monroe is a complex, sympathetic portrait that will totally change the

way we view the most enduring icon of American sexuality. To those who think they have heard all there is to hear about Marilyn Monroe, think again. Leaming's book tells a brand-new tale of sexual, psychological, and political intrigue of the highest order. Told for the first time in all its complexity, this is a compelling portrait of a woman at the center of a drama with immensely high stakes, a

drama in which the other players are some of the most fascinating characters from the world's of movies, theater, and politics. It is a book that shines a bright light on one of the most tumultuous, frightening, and exciting periods in American culture. Basing her research on new interviews and on thousands of primary documents, including revealing letters by

Arthur Miller, Elia Kazan, John Huston, Laurence Olivier, Tennessee Williams, Darryl Zanuck, Marilyn's psychiatrist Dr. Ralph Greenson, and many others, Leaming has reconstructed the tangles of betrayal in Marilyn's life. For the first time, a master storyteller has put together all of the pieces and told Marilyn's story with the intensity and drama it so richly deserves. At the heart of this book is a

sexual triangle and a riveting story of betrayal that has never been told before. You will come away filled with new respect for Marilyn's incredible courage, dignity, and loyalty, and an overwhelming sense of tragedy after witnessing Marilyn, powerless to overcome her demons, move inexorably to her own final, terrible betrayal of herself. Marilyn Monroe is a book that will

make you think--and will break your heart. *Norma Jean* Hachette UK A lifestyle guide and tribute to the style, glamour, and showmanship of Hollywood's most iconic star, with Marilyn-inspired lessons and inspiration for today's woman. While the 1950s was in many ways an era of repression for women, Marilyn Monroe broke barriers and rebelled against convention --

and charmed the world with her beauty, talent, and irresistible personality. Filled with gorgeous photos, *The Little Book of Marilyn* will show you how to bring a touch of that glamour into your own life through: Tutorials on recreating the star's makeup looks Style advice and tips on where to find Marilyn-like fashions Décor ideas from Marilyn's own homes Everyday inspiration from her life

that will let your inner Marilyn shine, and much more! *Goddess* Cooper Square Publishers Published for the fiftieth anniversary of her tragic death, this definitive account dispels the rumors and sets the record straight on her last two years Marilyn Monroe passed away at the age of thirty-six under circumstances that have remained mysterious to this day.

Marilyn Monroe: The Final Years separates the myths and rumors from the facts as Keith Badman takes readers through the concluding months of 1960 to that fateful day in August 1962. In this extraordinary book—the product of five years of exhaustive research—the author is both biographer and detective: Badman uncovers long-lost or previously unseen personal records,

exclusive interviews, and eyewitness accounts that illuminate the final chapter of Marilyn's life as she navigates weight gain, drug use, and personal turmoil, along with drama on the set of the ill-fated movie *Something's Got to Give*. Badman dispels popular beliefs, such as her supposed affairs with John and Bobby Kennedy. (Monroe only had a one-night stand

with the president at Bing Crosby's house, and never with Bobby.) Readers learn the long-concealed identity of her biological father, who refused Marilyn's attempt to contact him in 1951—and was then repaid with her apathy ten years later when he attempted to contact her. The author also reveals the details of her famous "last Sitting" with photographer Bert Stern

(which was not her last photo shoot) and describes the horror she endured after being tricked into being institutionalized at the Payne-Whitney Psychiatric Clinic, from which ex-husband Joe DiMaggio had to pull strings to secure her release. Perhaps most shockingly, we learn of the regrettable incident in which a drunken Monroe was sexually exploited by mobsters at a Lake Tahoe

hotel co-owned by Frank Sinatra. Finally contrary to the salacious rumors that Marilyn was suicidal or the victim of a murder and cover-up, Badman discloses new information about her final days alive and reveals, in unequivocal detail, evidence that indicates Monroe's death was accidental. Above it all, Badman pays homage to Monroe by rescuing her final months from the

realm of wild and sensationalized allegations popularized by those who sought to gain from them. Marilyn Monroe: The Final Years sheds new light on an immortal movie legend. 8/7c From New York Times bestselling author J. Randy Taraborrelli comes the definitive biography of the most enduring icon in popular American culture. When Marilyn Monroe became famous in the 1950s, the world was told that her mother was either dead or simply not a part of her life. However, that was not true. In fact, her mentally ill mother was very much

present in Marilyn's world and the complex family dynamic that unfolded behind the scenes is a story that has never before been told...until now. In this groundbreaking book, Taraborrelli draws complex and sympathetic portraits of the women so influential in the actress' life, including her mother, her foster mother, and her legal guardian. He also reveals, for the first

time, the shocking scope of Marilyn's own mental illness, the identity of Marilyn's father and the half-brother she never knew, and new information about her relationship with the Kennedy's- Bobby, Jack, and Pat Kennedy Lawford. Explosive, revelatory, and surprisingly moving, this is the final word on the life of one of the most fascinating and elusive

icons of the 20th Century. *Marilyn Monroe* Penguin A look at the life and career of Marilyn Monroe via her archive of artifacts, letters, and documents. **Marilyn Monroe Confidential** Everest Media LLC Marilyn Monroe's death has been shrouded in decades of deception, conspiracy, and lies. Donald H. Wolfe has written a startling portrait of the

twentieth century's greatest film star that not only redefines her place in entertainment history but also reveals the secret conspiracy that surrounded her last days. In *The Last Days of Marilyn Monroe*, Wolfe confirms that the tragic actress was a homicide victim. He documents the mode of death, and names those involved and those who participated in the cover-up. Filled with

documented revelations, eye-opening information about the dark secret in Marilyn's relationship with John and Robert Kennedy, and shocking details about the many bizarre events that took place at Marilyn's home the day she died, Donald H. Wolfe's remarkable book is the culmination of more than seven years of research. It will change forever the way we view the life—and

death—of this great star. *ICON* William Morrow She vigorously played the dumb-blonde stereotype in her movie roles, but there is nothing at all dumb about Marilyn Monroe. Born to a single mother who suffered from severe mental illness, the odds were stacked against the girl originally named Norma Jeane from the very beginning. She became a ward of the state and bounced

around from foster home to foster home. The fact that she rose from such impoverished beginnings to become one of the top-billed acts in Hollywood speaks for itself. Inside you will read about... ✓ From Foster Child to Movie Star ✓ The Scene with the White Dress ✓ Marilyn the Jew ✓ Diagnosis of Paranoid Schizophrenia ✓ Marilyn's First Overdose ✓ The Presidential Affair ✓

Locked in the Psych Ward
 And much more!
 Discover the life and legend that is Marilyn Monroe.
The Story of My Teeth
 Turner Publishing Company
 This “extraordinary” account of the superstar’s tragic death, and what led up to it, is “a relentless and detailed quest for the truth” (Lancashire Post). In his illuminating, fascinating book, Keith Badman finally

uncovers the truth about the iconic actress’s last years. It was a tough time—one in which Marilyn Monroe’s increasingly erratic behavior and dependence on alcohol and medication plunged her glittering movie career into drastic decline. Meticulously researched, the book reveals precisely how Monroe died at just thirty-six years of age, and shines a light on the suspicious

delays on the night of her overdose—delays that indicate a cover-up. He discovers new details about her rekindled relationship with Joe DiMaggio, and the horrendous weekend she spent at Frank Sinatra’s Cal-Neva lodge, as well as why Fox refused to let her finish her final movie, *Something’s Got to Give*, and her distress at being imprisoned at the Payne Whitney psychiatric

hospital. Drawing on private, previously unpublished itineraries and original eyewitness accounts, Badman sheds new light on Marilyn's involvement with John and Bobby Kennedy, and ends a six-decade-old mystery by telling the precise date of her first encounter with the president. The Final Years of Marilyn Monroe features a deluge of stories of which even

die-hard fans will be unaware. "[A] nearly day-by-day account of her life from June 1961 to her death in August 1962." —Kirkus Reviews Includes photos *Marilyn Monroe: Metamorphosis* Open Road Media Published for the first time in Spanish, this autobiography of Hollywood star and sex symbol Marilyn Monroe sheds an intimate and revealing light on her often troubled

and tragic life. Written at the height of her fame, the memoirs describe her childhood as an unwanted orphan—moving from one foster home to another—her early adolescence, her rise in the film industry from bit player to celebrity, and her marriage to Yankees legend Joe DiMaggio. What emerges is a portrait of an intelligent and talented, but vulnerable, woman. Dozens of color

Imagine this:
Penny Parker,
a curvy dime-
store cashier,
longs for a
best girlfriend.
When she
wins a

contest, she gets one: Marilyn Monroe. She'll be the on-set assistant to the iconic star for eight precious days during the filming of *Some Like It Hot* in 1958. Penny's black-and-white life turns Technicolor as she becomes part of Marilyn's world of smoldering secrets, sinister strangers and jaw-dropping bombshells. The emotional whirlwind uncovers Penny's

confusing attraction to childhood buddy, Frankie Holland. And in what could be a happily ever after moment, Hollywood's smartest dumb blonde steps in to play fairy godmother to her newfound and unlikely-Cinderella. *Follies of God* Macmillan Relying on over 150 interviews as well as Marilyn's letters and diaries, this work by best-selling biographer Spoto casts

new light on every aspect of the actress's tempestuous life. *MM--Personal* HarperCollins It is one of the greatest mysteries of the twentieth century. How did Marilyn Monroe die? Although no pills were found in her stomach during the autopsy, it was still documented in the Los Angeles coroner's report that she had swallowed sixty-four sleeping pills prior to her

demise. In Marilyn Monroe: A Case for Murder, biographer Jay Margolis presents the most thorough investigation of Marilyn Monroe's death to date and shares how he reached the definitive conclusion that she was murdered. Margolis meticulously dissects the events leading up to her death, revealing a major conspiracy and countless lies. In an exclusive

interview with actress Jane Russell three months before her death, he reveals Russell's belief that Monroe was murdered and points the finger at the man she held responsible. While examining the actions of Peter Lawford, Bobby Kennedy, and Monroe's psychiatrist, Dr. Ralph Greenson, Margolis establishes a timeline of her last day alive that leads to shocking revelations. In August 1962, Marilyn

Monroe's lifeless body was found on her bed, leaving all to wonder what really happened to the beautiful young starlet. Marilyn Monroe: A Case for Murder provides a fascinating examination of one of the most puzzling deaths of all time. Fragments Houghton Mifflin Harcourt Marilyn Monroe remains the most provocative female legend of the

twentieth century. What you may have known about her before was only the tip of the iceberg. For twenty years, the men and women who knew Marilyn best saw what they knew suppressed because certain important people were still living, and the tenor of the times prohibited frankness. Instead, rumors ballooned. This book finally sets the record straight. Fred Guiles—whom

Norman Mailer acknowledges as the chief source of fact about Marilyn—has written the life behind the legend. He reveals what really happened in the careening career of the pretty waif named Norma Jean Mortensen, who married the boy next door, became a model, an actress, movie star, married an incompatible legend named Joe DiMaggio, sought to improve the mind that came with her

near-perfect body, married playwright Arthur Miller, lent herself to the Svengalilike ministrations of Paula and Lee Strasberg, became the mistress of John and then Robert Kennedy when they ran the country, kept camera crews and studios waiting—but not death, which took her under the most unusual circumstances by the age of thirty-six. A legend, by definition, is unaltered by fact, but the enthralled

<p>reader will find the revelations in this book no deterrent to the love of Marilyn Monroe by understanding at last what happened to the Queen of Need. Among the people interviewed for this book are Arthur Miller; James E. Dougherty, her first husband; Frank Taylor, the producer of <i>The Misfits</i>; Lee Strasberg; Otto Preminger; Billy Wilder; Joshua Logan and John Huston. <i>My Sister</i></p>	<p><i>Marilyn</i> HarperCollins My Reincarnation Story As Marilyn Monroe in greater details not done by past life regression sessions but by my own memories of this once past-life I have had as a child and as a young adult. <i>Marilyn Monroe</i> Coffee House Press Cursum Perficio is the name of Marilyn Monroe's last home. Cursum Perficio, the book, is author Gary Vitacco-</p>	<p>Robles' exploration of Marilyn's last home as a touchstone to her brief and extraordinary life. A definitive testament of Marilyn Monroe's modest nature, simple tastes and spirituality was her selection of a house in which to settle at age 35. The Spanish Colonial hacienda symbolizes Marilyn's unfulfilled dreams and unfinished life. The Latin inscription on the tiles</p>
---	--	--

adorning the front doorstep, Cursum Perficio (translating to "My journey ends"), prophesied the screen goddess' death in the home in 1962. Cursum Perficio invites us inside Marilyn's private life through 120 illustrations and previously unpublished photos of her hacienda and its contents. See the interior, Marilyn's art and decorations purchased on a shopping

spree in Mexico, and the furniture delivered days before her death. Vitacco-Robles reveals the events during Marilyn's last months, her daily routine, and her random acts of kindness. Cursum Perficio is not a sensational exploitation of Marilyn Monroe but a celebration of the human being behind the legend. It is a rare and refreshing exploration for the most devout fan and an insightful

introduction for those just discovering this enduring icon of the Twentieth Century. This expanded second edition contains added chapters and new images by Brandon Heidrick. *Marilyn Monroe* iUniverse Little known and long unavailable, this autobiography, written by actress and starlet Marilyn Monroe (1926-1962), describes her early adolescence, her rise in the

film industry to celebrity, marriage to
from bit player and her Joe DiMaggio.
