SECRETLY
WED... Jack Merriman was back in town—making things very sticky for Annie McClain. Especially since Annie had a secret: in a burst of midnight passion, she and her best friend, Jack had conveniently wed; then she'd had no choice but to send the groom packing before the honeymoon

began. Annie knew that the man she'd always loved was a heartache waiting to happen, for Jack didn't believe in forever after. Marcus and Lasia grew up together in Albany, Ga. After finding her hiding in his parent's shed, her family's dark secret becomes clear. She begs Marcus not to tell anyone, which becomes the first promise he ever made to her.but definitely not the last. Through their young life he would make promises to her, not knowing the full effect of

his words. He would always bring his words to fruition, even when it seemed impossible. To him, he was just doing what his father always taught him to do. But to her, it meant much more than that. He was the only stable person in her otherwise chaotic life. After finishing high school, and going off to their respective colleges, they lose contact. That is until 10 years later when Marcus runs into her

on a trip to Atlanta to visit his brother. As Lasaia begins to reinsert herself back into Marcus's life it becomes clear that he wants to move on while she is still living in the past. When Marcus returns to Atlanta for business, the two have a friendly night on the town. After a few drinks, Lasaia brings up the one promise that he failed to keep to her. A promise made back in their high school days. As Lasaia fights to

reclaim what was once hers, Marcus fights to keep this woman from destroying his life. Sometimes keeping your word can have harmful, even deadly consequences . Sometimes promises are better left broken.

"She looked at him as a friend until she realised she loved him." Kas was a busy social worker from London, with no time for love or

relationships. Thanks to Owen, her casual lover, she believed that weekend hookups would be enough, and love is just an overrated myth. But meeting her online friend, Aiden, for the first time changed everything. He understood her, believed in her, and supported her the way nobody ever did. He helped her overcome her struggles with emotions. But will they break the "just friends" façade and let

love win? And which broken promises will Kas forgive? "I will never fall in love with you." "I will always be here with you, no matter what. I won't leave." "I will be strong, I promise." This book contains descriptive panic attacks, anxiety, mentions of child abuse, strong language, drugs and mature explicit content recommended for readers 18+ Promises Sinful Truths In 1973 the

firebombing of the Whiskey Au-Go-Go nightclub grabbed the headlines in Brisbane unlike any other disaster beforehand. 15 people were killed amid the inferno, the worst mass-murder ever in Australia. Rumours were rife. Detectives were forewarned, but was the firebombing part of an implausible notion to embark on an extortion racket? Or was it a scheme for

insurance purposes? Perhaps it was the act of a disgruntled customer, a former employee, or someone owed money? Politicians from all sides of Parliament demanded quick answers. Unbeknown to but a few, early in the morning after the fire, Billy McCulkin was the first person interviewed by detectives while his wife and young daughters fled from their Highgate Hill house; and they only

returned to their house after the arrests of John Stuart and Jim Finch. Later, Mrs McCulkin confided to her co-worker, as well as a neighbour, and her brother that she feared for her safety because she knew her husband and his associates were involved in both the Torino and Whiskey Au-Go-Go nightclub fires. During the months of anxiety for Mrs McCulkin, the courtroom appearances of Stuart and

Finch heard repeated outbursts from them asserting that detectives had concocted a false verbal confession. The subsequent wire-swallowing protests by Stuart and Finch were extraordinary. Finch even whacked off a piece of his finger, but the self-mutilating efforts from both achieved nothing. The trial, being the longest and costliest staged in Queensland, proceeded without

Stuart, or any legal representative for him, while he lay handcuffed to a hospital bed - a first for any Australian court when a life imprisonment term is mandatory. Not long after the Whiskey murder trial, and the fifth reported wire-swallowing protest from Stuart, Mrs Barbara McCulkin and her two daughters disappeared, murdered by Vince O'Dempsey and Gary Dubois,	though they were not then brought to stand trial because the case was far too riddled with the standard 1970s police corruption. Interwoven around the Waterside Workers Union journal, Port News, as its publisher William Stokes' account of his acquaintanceship with everyone concerned - including the bizarre Clockwork Orange gang and a nympho wife who believed she	was demoniacally possessed - leads to a harrowing tale. Expect the unexpected. <u>Promises</u> , <u>Promises</u> Penguin The 'marriage' was against his will. The woman was beyond his liking.
